The Deathly Embrace Sheng-mei Ma, 2000 Asian American resistance to Orientalism -- the Western tradition dealing with the subject and subjugation of the East -- is usually assumed. And yet, as this provocative work demonstrates, in order to refute racist stereotypes they must first be evoked, and in the process the two often become entangled. Sheng-mei Ma shows how the distinguished careers of post-1960s Asian American writers such as Maxine Hong Kingston, Amy Tan, Frank Chin, and David Henry Hwang reveal that while Asian American identity is constructed in reaction to Orientalism, the two cultural forces are not necessarily at odds. The vigor with which these Asian Americans revolt against Orientalism in fact

tacitly acknowledges the family lineage of the two.

Deathly Alive Lauren Bradley,2023-05-05 About the Book Madeliene Cross was a teenager from the small Ozark town of River Rock, Missouri. She died unexpectedly in 1961, but according to local lore, rose from the dead before vanishing into the autumn night, never to be seen again...until six decades later. On April 1st, 2022, under the new spring moon, Madeliene returned. This time, she reached out to four area high school seniors to help unravel the missing pieces of her disturbed life and death, purpose of her dark turning, and to hopefully destroy an ancient and hidden evil buried nearby for over a thousand years. Embroiled in this mystery, the teens soon discover they have less than nine days to unravel what is real, versus folklore or myth, before the evil spreads and can fulfill its vile plan, while hopefully saving Madeliene from a never ending, undead existence. About the Author Lauren is a professional artist and college student working on her bachelor of fine arts degree. Her hobbies include painting, creative writing, fiber arts, and her special interests are nature and pursuits of spirituality. Bradley is a retired environmental scientist and geologist, and Lauren's dad. He too enjoys writing, most things outdoors, and is an avid

rockhound, who lives in retirement by a lake in central Missouri.

Harry Potter and the Deathly Hallows (Film) Christina St-Jean, 2012-02-29 ABOUT THE BOOK When Harry Potter, Hermione Granger, Ron Weasley, and their friends first arrived at Hogwarts School of Witchcraft and Wizardry, the literary world was set ablaze. Readers young and old alike were captivated by this group of inquisitive, spunky and daring youth, and it didn't take long for the powers that be to decide to bring Harry Potter and Hogwarts to the big screen. Legions of fans followed Harry, Ron and Hermione through to the last book, Harry Potter and the Deathly Hallows, and eagerly anticipated the final book's launch to the big screen. When Part One of the film came out in November, 2010, the Broadcast Film Critics' Association was impressed, giving the film 87 out of a possible 100 points. Part 1 went on to rack up nearly a billion dollars worldwide, becoming the third highest grossing movie of 2010, behind Toy Story 3 and Alice in Wonderland. It seemed an interminable wait for Part 2 to hit theatres, but when it did in July, 2011, the fans were profusely appreciative, coming out in droves to wait in line for ticket pre-sales. In fact, the film broke a pre-sales record; \$32 million was grossed in pre-sales alone. As expected, the film was lauded and earned an estimated \$1.3 billion in worldwide revenues. MEET THE AUTHOR Chris St-Jean is an Ontario English teacher with a great passion for American literature in particular and the written word in general. Her two daughters, aged 3 and 7, also seem to have a love of books. She follows global events as closely as she can but also enjoys entertainment news. Currently, she is working towards a black belt in karate EXCERPT FROM THE BOOK David Yates, who also directed Harry Potter and the Order of the Phoenix and Harry Potter and the Half-Blood Prince, directed both parts of the series finale.

David Heyman returned as producer, as he had done for the other films of the series, and was joined by J.K. Rowling and David Barron. It was Heyman himself who discovered the as-yet unpublished Harry Potter and the Philosopher's Stone manuscript back in 1997. He admits that the response from the fans was unprecedented for him; in fact, no other film series followed the same characters throughout a linear storyline throughout eight films. The series, in fact, has gone on to become the highest-grossing series of films of all time. Perhaps what has also helped make the series so successful is having the same screenwriter at the helm for six of the seven books. Buy a copy to keep reading!

Deathly Gifted Terry R. King,2023-05-16 Robert Anderson inherited a 'gift' from his family which causes him to see the dead. A blow to the head dramatically enhances his 'gift' in the form of visions so strong that when he is drawn into those visions, he does not continue to experience the reality around him. His 'gift' allows him to witness the actual scene of a death. A serial killer with a thirst for young, innocent women has cruelly murdered several of them. While the police believe the killer committed suicide, families of the victims aren't convinced and reach out to a Private Investigator who pays Robert to visit and experience their deceased daughters and wife's deaths to help them identify the real killer. Robert creates death journals that lay out each horrific act and each vision seems to grow stronger. His visions and journals completely debunk the Police's closed case convincing them to reopen the case. The News Services expose Roberts mission which puts Robert in the spotlight and puts a target on his back, since the

serial killer has no plans of stopping any time soon. The female private investigator becomes involved with Robert and begins joining him at each scene to protect him during each vision. An unorthodox philanthropist named Alberto Black is forming a team of experts who can investigate difficult crimes and solve them. He has learned of Roberts skills and offers a place on his team to Robert, if Robert can survive this serial killer's wrath.

Everything Is A Deathly Flower Mohale, Maneo,2019-08-23 dear reader, are you still there? take a second, now. breathe // with me. In one of the most anticipated debut collections of recent years, Maneo Mohale reckons boldly with the experience of – and the reconstruction of a life after – a sexual assault. Mohale’s unapologetic and disarming voice carries through a budding and blooming garden of poetics, rooted in a contemporary southern African tradition, but springing forth in queer and radical new directions. Indeed, this is a work encompassing the full, often contradictory, and seldom complete process of healing: where relations must be chosen as well as made; where time becomes non-linear and language insufficient; where nothing is what it seems, yet everything is what it is.
