

# Deathly & sortw

R. Andrew Chesnut

Origin in Death J. D. Robb, 2006-01-31 Detective Eve Dallas tracks the cunning, cold-blooded killer of a doctor and his son in this novel in the #1 New York Times bestselling In Death series. A pioneer of modern reconstructive and cosmetic surgery, Dr. Wilfred B. Icove, is found dead in his office—murdered in a chillingly efficient manner: one swift stab to the heart. Struck by the immaculate condition of the crime scene, Dallas suspects a professional killing. Security disks show a stunningly beautiful woman calmly entering and leaving the building—the doctor’s final appointment. Known as “Dr. Perfect,” the saintly Icove devoted his life to his family and his work. His record is clean. Too clean for Dallas. She knows he was hiding something and suspects that his son—and successor—knows what it is. Then, like father, like son, the young Dr. Icove is killed...with the same deadly precision. But who is the mystery woman—and what was her relationship with the good doctors? While her husband, Roarke, works behind the scenes, Dallas follows her darkest instincts into the Icoves’ pasts. What she discovers are men driven to create perfection—playing fast and loose with the laws of nature, the limits of science, and the morals of humanity...

**Death Kit** Susan Sontag, 2002-06 First published in 1967, Death Kit--Susan Sontag's second novel--is a classic of modern fiction. Blending realism and dream, it offers a passionate exploration of the recesses of the American conscience.

**The Black Death** Gwyneth Cravens, John S. Marr, 1978

Devoted to Death R. Andrew Chesnut, 2012-01-02 R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees over the past decade. Although condemned by mainstream churches, this folk saint's

supernatural powers appeal to millions of Latin Americans and immigrants in the U.S. Devotees believe the Bony Lady (as she is affectionately called) to be the fastest and most effective miracle worker, and as such, her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude, two other giants of Mexican religiosity. In particular, Chesnut shows Santa Muerte has become the patron saint of drug traffickers, playing an important role as protector of peddlers of crystal meth and marijuana; DEA agents and Mexican police often find her altars in the safe houses of drug smugglers. Yet Saint Death plays other important roles: she is a supernatural healer, love doctor, money-maker, lawyer, and angel of death. She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes.

*Death Stone* Ruby Jean Jensen, 1989 Greta loved the ring she had fished out of the old abandoned well. But when she placed it on her finger, she began to feel someone urging her to kill. And then the murders began--just as that unknown someone started to become visible!

**A Wish for Death** Michelle Jackson, 2012-07-27 When Victoria awakes to find a dead man in her bed, *A Wish for Death*, takes you back seventeen years leading up to the demise of the murdered man. Who was he? Did she kill him? Victoria had no idea that stepping into the work world would make such a dramatic change in her life. As a housewife and mother of five children, her life consisted of being a caretaker for years. When she entered the work world, she and her husband, Stan, would endure drastic changes in both of their lives. Sexual harassment and eventually rape leads Victoria down a winding road. As she struggles to come back up and regain her dignity, she

must overcome guilt, hopelessness and turmoil. Years later she learns of her daughters dilemma, and struggles to help her daughter overcome the trauma shes been through. Her past experience assists in the aid of her daughters recovery. Victoria attends college as an adult, and strives to make it in the southern state of South Carolina, a state once known as a good ole boy state. Both she and her daughter are frightened when they become a target. But in the end, victory lies in fate, and fate usually comes with a price. Victorias victory and fate comes with the ultimate price-death.

*The Black Death* Justus Friedrich Carl Hecker,1885

Festive in Death J. D. Robb,2015-03-03 Eve Dallas deals with a homicide—and the holiday season—in this thrilling In Death novel from #1 New York Times bestselling author J. D. Robb. Personal trainer Trey Ziegler was in peak physical condition. If you didn't count the kitchen knife in his well-toned chest. Lieutenant Eve Dallas soon discovers a lineup of women who were loved and left by the narcissistic gym rat. While Dallas sorts through the list of Ziegler's enemies, she's also dealing with her Christmas shopping list—plus the guest list for her and her billionaire husband's upcoming holiday bash. Feeling less than festive, Dallas tries to put aside her distaste for the victim and solve the mystery of his death. There are just a few investigating days left before Christmas, and as New Year's 2061 approaches, this homicide cop is resolved to stop a cold-blooded killer.

The Black Death ,2013-01-01 This series provides texts central to medieval studies courses and focuses upon the diverse cultural, social and political conditions that affected the functioning of all levels of medieval society. Translations are accompanied by introductory and explanatory material and each volume includes a comprehensive guide to the sources' interpretation, including discussion of critical

linguistic problems and an assessment of recent research on the topics covered. From 1348 to 1350 Europe was devastated by an epidemic that left between a third and one half of the population dead. This source book traces, through contemporary writings, the calamitous impact of the Black Death in Europe, with a particular emphasis on its spread across England from 1348 to 1349. Rosemary Horrox surveys contemporary attempts to explain the plague, which was universally regarded as an expression of divine vengeance for the sins of humankind. Moralists all had their particular targets for criticism. However, this emphasis on divine chastisement did not preclude attempts to explain the plague in medical or scientific terms. Also, there was a widespread belief that human agencies had been involved, and such scapegoats as foreigners, the poor and Jews were all accused of poisoning wells. The final section of the book charts the social and psychological impact of the plague, and its effect on the late-medieval economy.

**Death and Liffe** John Marcellus Steadman (Jr.), 1918

*Death Anxiety and Religious Belief* Jonathan Jong, Jamin Halberstadt, 2016-08-25 There are no atheists in foxholes; or so we hear. The thought that the fear of death motivates religious belief has been around since the earliest speculations about the origins of religion. There are hints of this idea in the ancient world, but the theory achieves prominence in the works of Enlightenment critics and Victorian theorists of religion, and has been further developed by contemporary cognitive scientists. Why do people believe in gods? Because they fear death. Yet despite the abiding appeal of this simple hypothesis, there has not been a systematic attempt to evaluate its central claims and the assumptions underlying them. Do human beings fear death? If so, who fears death more, religious or

nonreligious people? Do reminders of our mortality really motivate religious belief? Do religious beliefs actually provide comfort against the inevitability of death? In *Death Anxiety and Religious Belief*, Jonathan Jong and Jamin Halberstadt begin to answer these questions, drawing on the extensive literature on the psychology of death anxiety and religious belief, from childhood to the point of death, as well as their own experimental research on conscious and unconscious fear and faith. In the course of their investigations, they consider the history of ideas about religion's origins, challenges of psychological measurement, and the very nature of emotion and belief.

**The Oxford Handbook of Philosophy of Death** Ben Bradley, Fred Feldman, Jens Johansson, 2015-09 Death has long been a pre-occupation of philosophers, and this is especially so today. The Oxford Handbook of Philosophy of Death collects 21 newly commissioned essays that cover current philosophical thinking of death-related topics across the entire range of the discipline. These include metaphysical topics--such as the nature of death, the possibility of an afterlife, the nature of persons, and how our thinking about time affects what we think about death--as well as axiological topics, such as whether death is bad for its victim, what makes it bad to die, what attitude it is fitting to take towards death, the possibility of posthumous harm, and the desirability of immortality. The contributors also explore the views of ancient philosophers such as Aristotle, Plato and Epicurus on topics related to the philosophy of death, and questions in normative ethics, such as what makes killing wrong when it is wrong, and whether it is wrong to kill fetuses, non-human animals, combatants in war, and convicted murderers. With chapters written by a wide range of experts in metaphysics, ethics, and conceptual analysis, and designed to give the reader a comprehensive view of recent developments in

the philosophical study of death, this Handbook will appeal to a broad audience in philosophy, particularly in ethics and metaphysics.

Death and Dying Harold Bloom, Blake Hobby, 2009 Some of the greatest works of literature have wrestled with the task of illuminating the human experience of death. This new title discusses the role of death and dying in works such as *Beloved*, *A Farewell to Arms*, *Lord of the Flies*, *Paradise Lost*, and many others. Featuring approximately 20 essays, *Death and Dying* provides valuable insights on this recurring theme in literature.

**Death in Bacton Wood** Ross Greenwood, 2024-05-03 Preorder the new instalment in the bestselling Norfolk Murders series! A family's secrets lie buried. The time has come to uncover the truth... When a mud-splattered man staggers from Bacton Wood with a terrifying tale about being buried alive, DS Ashley Knight and her team are called in to investigate. Soon, another victim is found, and more men are missing – all with connections to the well-known Vialli family. The Major Investigation Team find themselves attempting to untangle a case that stretches from Eastern Europe through to North Norfolk. Along with rookie detective, the whip-smart Hector Fade, Ashley is in a race against time trying to help a family who seem determined to take matters into their own hands. And when Ashley suspects there is a department rat, the stakes get even higher. As the evidence continues to point in different directions, and as new victims are uncovered thick and fast, Ashley and Hector begin to fear they have finally met their match in a killer too ruthless and clever to be caught. Bestselling Ross Greenwood is back with a breath-taking page-turning thriller, perfect for fans of Mark Billingham, Ian Rankin and Peter James. What readers are saying about DS Ashley Knight and Hector Fade: 'Ross Greenwood is great at the twist. I know you're going to

scream at me for using the ‘twist you didn’t see coming,’ but I really didn’t.’ ‘The only thing I can say that was a disappointment about reading this book, is that I somehow missed the first one in the series... What a cracking read! I’m now off the find book 1! 5 solid stars.’ ‘This is the second book featuring DS Ashley Knight... This is a cracking good thriller that pulls you this way and that and keeps you guessing... I’ve always loved everything that I have read by Ross Greenwood and this book is no exception.’ ‘This was brilliant! So much going on throughout the book it was hard to keep up but so captivating till the end. Great story & characters. Loved it!’ ‘This was an incredibly well plotted adrenaline race of a thriller... The plotting was amazing, so many different threads all wound together and when the author pulled on them, the result was just a beautiful bow of an ending with no tangles left to unpick ..... until the next time!’

Investigating Death in Paradise Robin Andersen, 2023-03-28 First televised in 2011, *Death in Paradise* remains one of the most popular shows in the U.K. The detective series is frequently ignored, panned or belittled by television critics, but viewers disagree. Bringing in more than eight million viewers a season, it is accessible in more than 235 global territories. This first book-length assessment of *Death in Paradise* offers a fresh take on the popular BBC drama. The book positions the show within broader contexts that illustrate its origins and timeless appeal, from the first conceptualizations of paradise in ancient cultures to the creation of the classic detective story in the 1920s. The detective inspectors on *Death in Paradise* come from a long line of fictional eccentrics who excel at finding quirky clues, seeing surprising connections and employing help from other officials and agencies. Through exploration of these narrative elements and more, the author reveals deeper themes of justice, inclusion and

environmentalism.

**Death Most Definite** Trent Jamieson,2010-08-01 Steven de Selby has a hangover. Bright lights, loud noise, and lots of exercise are the last thing he wants. But that's exactly what he gets when someone starts shooting at him. Steven is no stranger to death-Mr. D's his boss after all-but when a dead girl saves him from sharing her fate, he finds himself on the wrong end of the barrel. His job is to guide the restless dead to the underworld but now his clients are his own colleagues, friends, and family. Mr. D's gone missing and with no one in charge, the dead start to rise, the living are hunted, and the whole city teeters on the brink of a regional apocalypse-unless Steven can shake his hangover, not fall for the dead girl, and find out what happened to his boss- that is, Death himself.

**Touch of Death** Brian Kirsten,2006

Death and Magick SF Benson,2023-02-21 A necromancer. A Time Witch. A deathly doctor. The Oracle and the Time Witch have outsmarted the aspiring pupil of Sherlock Holmes and escaped the mirror world. But Evaline can't simply chase after Doctor Death's cohorts. For starters, she's lost the Firestone along with her crystals and grimoire. Without a spell, she can't travel back to London unless she relies on the mage wanting her hand in marriage... Can Fergus Culpepper teach Evaline to tap into her powers to return the Oracle and the Time Witch to Londinium? Will magick be enough to thwart Doctor Death once and for all? Alice took a dark turn when she fell down the rabbit hole in this twisted series. Discover what happens when a magickal sleuth puts her abilities to the test.

Till death rips us apart Gábor Vona,2022-08-27 In this book, I am searching for the why of human culture. Not what we do, not how, but why. In my work, I have tried to incorporate the findings of

many disciplines into my cultural history model, but I have really brought together five things: my studies in history, my political experiences, existential psychology, terror management theory and network theory. Adam and Eve took a bite of the forbidden fruit, and now we know what became of it. But what if Adam and Eve return to Paradise after a long wander and there is nothing there? In fact, it turns out there never was. It turns out they made it all up. What does that imply? Well, that is the most important question of the twenty-first century.

### **Love and Death in Medieval French and Occitan Courtly**

**Literature** Professor of French Language and Literature Simon Gaunt, Simon Gaunt, 2006-02-16 Examines the association of love and death in medieval French and Occitan courtly literature using an approach informed by Lacanian psychoanalysis and Jacques Derrida. Offers new readings of canonical authors and texts, including Bernart de Ventadorn, Jaufre Rudel, Chrétien de Troyes, Thomas's Tristan, the Prose Lancelot, the Tristan en prose, La Mort le roi Artu, Marie de France, Le Chastelaine de Vergy, Le Castelain de Couci, and Le Roman de la Rose.
