Easy Home Organizer Vicki Payne, 2007 Are things at home out of hand? Is the thought of putting things in order just...overwhelming? With these simple, quickly implemented solutions, life can become less stressful--and the messy habits of a lifetime will disappear along with the chaos. The focus is on the little things that make a big difference--like not having to search for the car keys at the last minute--and the book is as organized as the house will be when you're through: it begins with advice on assessing the accumulated junk and eliminating the excess, and moves on to shopping for containers, applying clutter strategies, labeling jars and boxes, and creating a proper place for everything, room by room. The ideas are smart and attractive!
