The Right Sort of Man Allison Montclair,2019-06-04 From debut author Allison Montclair comes an engrossing historical mystery novel set in post-war London, *The Right Sort of Man*. In a London slowly recovering from World War II, two very different women join forces to launch a business venture in the heart of Mayfair—The Right Sort Marriage Bureau. Miss Iris Sparks, quick-witted and impulsive, and Mrs. Gwendolyn Bainbridge, practical and widowed with a young son, are determined to achieve some independence and do some good in a rapidly changing world. But their promising start is threatened when their newest client is found murdered and the man arrested for the crime is the prospective husband they matched her with. While the police are convinced they have their man, Miss Sparks and Mrs. Bainbridge are not. To clear his name—and to rescue their fledgling operation's reputation—Sparks and Bainbridge decide to investigate on their own. Little do they know that this will put their very lives at risk. *BONUS CONTENT: This edition of *The Right Sort of Man* includes a new introduction from the author and a discussion guide

Another Sort of Learning James V. Schall,2011-05-12 Noting the widespread concern about the quality of education in our schools, Schall examines what is taught and read (and not read) in these schools. He questions the fundamental premises in our culture which do not allow truth to be considered. Schall lists various important books to read, and why.

Charles Dickens' Most Influential Works (Illustrated) Charles Dickens,2017-10-16 *Our Mutual Friend* - explores the conflict between doing what society expects of a person and the idea of being true to oneself *The Pickwick Papers* - To extend his researches into the quaint and curious phenomena of life, Samuel Pickwick suggests that he and three other Pickwickians should make journeys to places remote from London and report on their findings to the other members. *Oliver Twist* is an orphan who starts his life in a workhouse and is then sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin... *A Christmas Carol* tells the story of a bitter old miser named Ebenezer Scrooge and his transformation after visitations by the ghost of his former business partner and the Ghosts of Christmas Past, Present and Yet to Come. *David Copperfield* is a fatherless boy who is sent to lodge with his housekeeper's family after his mother remarries, but when his mother dies he decides to run away... *Hard Times* is set in the fictional city of Coketown and it is centered around utilitarian and industrial influences on Victorian society. *A Tale of Two Cities* depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, and many unflattering social parallels with life in London during the same period. *Great Expectations* depicts the personal growth and development of an orphan nicknamed Pip in Kent and London in the early to mid-19th century. *Bleak House* – legal thriller based on true

events. Little Dorrit – criticize the institution of debtors' prisons, the shortcomings of both government and society. COLLECTED LETTERS THE LIFE OF CHARLES DICKENS by John Forster
