**The Book of (More) Delights** Ross Gay,2023-09-19 \*\*Named a Best Book of the Year by The Boston Globe, Garden & Gun, Electric Literature, and St. Louis Public Radio\*\* The New York Times bestselling author of *The Book of Delights* and *Inciting Joy* is back with exactly the book we need in these unsettling times. Margaret Roach of The New York Times says, "Yes, please. I'll have another dose of delight." In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the "nefarious" scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

**Delightful Stories from the Heart of Maine** Diana Perkins,2013-02-28 Diana is a creative writer who skillfully entwines biblical truths and principles with interesting stories of everyday living. Since her early childhood, the Bible has been planted in her heart through Bible story books, tapes, and LP records, and the love for telling stories has been nurtured. Within these pages, you will meet characters from various walks of life. Some will bring a smile to your face, and others will give you food for thought. The stories are true, though some names have been changed to protect the privacy of individuals. Whether you prefer lighthearted stories or more serious tales, there are stories that can entertain you. Maine culture is carefully portrayed in the characters that come alive within the pages. Be uplifted and encouraged by stories of people whose faith in God has helped them overcome many difficulties in their lives. Read stories of a visit from an angel, a single mom's special Christmas, the cat that is the "boss" at a garage, Mainers whose wealth is measured by love, and the way a homeless veteran found hope. Each story brings home a spiritual truth that once embraced will bring light to your path and strength for the journey.

The Grammar of Fantasy Gianni Rodari,2024-04-02 A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives. --Jack Zipes I hope this small book, writes renowned children's author Gianni Rodari, can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word. Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of *The Grammar of Fantasy* is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, *The Grammar of Fantasy* gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.
