**Cultural Histories of Crime in Denmark, 1500 to 2000** Tyge Krogh,Louise Nyholm Kallestrup,Claus Bundgård Christensen,2017-10-16 Taking the kingdom of Denmark as its frame of reference, this volume presents a range of close analyses that shed light on the construction and deconstruction of crime and criminals, on criminal cultures and on crime control from 1500 to 2000. Historically, there have been major changes in the legal definition of those acts that are legally defined as being criminal offences – and of those that are not. This volume explores the criteria and perceptions underlying definitions of crime in a powerful and absolutist Lutheran state and subsequently in a Denmark characterised by social welfare and sexual liberation. It places special focus on moral issues rooted in considerations of religion and sexuality.

**Molly Gabe og Den Snoede Pistol** P.H.A. Krogh,2014-02-25 Da Molly bliver efterladt hos sin Onkel Freedo af sin far, er det kun meningen at hun skal bo der i et par måneder. Men da hendes far forsvinder i junglen, bliver den massive SteamWorks bygning, hvor Freedo bor og arbejder, hendes hjem. Hun får hurtigt nye venner og moder en fascinerende dreng fra Germania. Og så finder hun en helt speciel bog, der giver hende nogle uventede evner, der sender hende ind i et forrygende eventyr, hvor Den Snoede Pistol venter for enden... Molly Gabe og Den Snoede Pistol er den første bog i tetralogien om Dommedagsbøgerne.

Afro-Nordic Landscapes Michael McEachrane,2014-04-24 Afro-Nordic Landscapes: Equality and Race in Northern Europe challenges a view of Nordic societies as homogenously white, and as human rights champions that are so progressive that even the concept of race is deemed irrelevant to their societies. The book places African Diasporas, race and legacies of imperialism squarely in a Nordic context. How has a nation as peripheral as Iceland been shaped by an identity of being white? How do Black Norwegians challenge racially conscribed views of Norwegian nationhood? What does the history of jazz in Denmark say about the relation between its national identity and race? What is it like to be a mixed-race black Swedish woman? How have African Diasporans in Finland navigated issues of race and belonging? And what does the widespread denial of everyday racism in Nordic societies mean to Afro-Nordics? This text is a must read for anyone interested in issues of race in the Nordic region and Europe writ large. As Paul Gilroy writes in his foreword, it is a book that should be studied with care and profit inside the Nordic countries and also outside them by the broader international readership that has been established around the study of racism and 'critical race theory'.

*Kongernes konge* Wilbur Smith,2019-10-01 Wilbur Smiths to mest magtfulde familier mødes igen i denne længeventede selvstændige fortsættelse til bestselleren Solens sejr. Penrod Ballantyne og hans forlovede, Amber Benbrook, går gennem Cairos gader i 1888. De er lykkelige og opfyldt af drømme om deres fælles fremtid, men drømmene knuses, da en jaloux ekskæreste kommer imellem dem. Amber rejser til Abessinien sammen med sin tvillingsøster, Saffron, og hendes eventyrlystne mand, Ryder Courtney, på jagt efter lykken. De begiver sig ud på en farefuld færd til Addis Ababa, hvor de bydes velkommen af den magtfulde hersker Menelik II, Kongernes konge. Men Italien har planer for Abessinien, og der florerer rygter om en invasion. Tilbage i Cairo søger en knust Penrod trøst i byens opiumhuler. Han reddes af sin gamle ven, Lorenzo, som nu er i den italienske hær, og da Lorenzo tilbyder ham at slutte sig til den militære indsats, slår Penrod til. En storm er på vej, og Penrod og Amber befinder sig på hver deres side af invasionen - kan de nogensinde finde deres vej tilbage til hinanden mod alle disse odds?

*Nordic Literature of Decadence* Pirjo Lyytikäinen,Riikka Rossi,Viola Parente-Čapková,Mirjam Hinrikus,2019-07-11 Nordic Literature of Decadence fills a gap on the map of world literature and participates in a thriving area of research by extending the investigation of broadly understood fin de siècle decadence to unexplored areas of Nordic literature, which remain practically unknown to Anglophone audiences. In the Nordic countries the new Parisian movements were seen as having caused a malicious invasion, a ‘black flood’ that was spreading over the North destroying the very foundations of Nordic national cultures. Nevertheless, the appeal of this controversial movement was irresistible to discontents and innovators, even in countries where the old moral, religious and nationalist atmosphere still retained its stranglehold and modern urban, industrial and social developments lagged behind that of the metropolises breeding this new literature and art. The Nordic countries developed their own distinctive manifestations of decadence favouring allegorical and allusive forms, local rural settings and depictions of primitive nature, coupling the philosophical underpinnings of fin-de-siècle decadence with ancient Nordic mythology and rising national movements. Nordic decadence thus became a distinctive and recognizable phenomenon, which travelled back to France and other European countries, influencing the ongoing debate on decadence as it was conducted on a global scale. Nordic Literature of Decadence discusses literature from five Nordic countries: Denmark, Norway, Sweden, Finland and Estonia and offers additional and alternative perspectives to the cosmopolitan traffic and cultural exchanges of literary decadence that have been explored so far in the English language scholarship.

Enjoying the Beat of Appearance: An Emotional Symphony within Den&sortm

In a global used by screens and the ceaseless chatter of quick connection, the melodic elegance and mental symphony produced by the published word frequently fade into the background, eclipsed by the persistent noise and disruptions that permeate our lives. However, set within the pages of Den&sortm an enchanting literary value overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this fascinating masterpiece conducts readers on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each carefully constructed phrase. Within the depths of the poignant evaluation, we will discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
