**By Her Hand** Eve Straussman-Pflanzer, Oliver Tostmann, 2021-09-28 A brand new look at the extraordinary accomplishments of early modern Italian women artists This generously illustrated volume surveys a sweeping range of early modern Italian women artists, exploring their practice and paths to success within the male-dominated art world of the period. New attention to archival documents and detailed technical analyses of the beautiful paintings featured here--ranging from historical subjects to portraits and still lifes--offer new insight into the ways these women worked and their accomplishments. Essays and catalogue entries by an international team of distinguished art historians examine the works of Artemisia Gentileschi, Sofonisba Anguissola, Lavinia Fontana, Fede Galizia, Elisabetta Sirani, Giovanna Garzoni, Rosalba Carriera, and other less known Italian women artists. Through these works of art in diverse media--from paintings to prints--the fascinating stories of early modern Italian women artists are revealed.

**Diego Riveria** Linda Downs, Al Et, 1999-09-21 A beautifully illustrated in-depth study of

the most important North American work by the best-known Mexican muralist, Diego Rivera. Early in the Depression, Diego Rivera was commissioned by Edsel Ford to create a series of murals in the gallery of the Detroit Institute of Arts, giant frescos whose theme would be America's industrial might. This volume studies the astonishing results and gives us a remarkably close look at Diego and his wife, Frida Kahlo. Rivera's Detroit Industry murals are one of this country's greatest treasures. In addition to providing full coverage and analysis of the murals, the book includes chapters on the murals' planning and antecedents, Rivera's working methods (which can be read as a primer on frescos), Diego and Frida's lives for their nine months in Detroit, and the public's dramatic response to the strong socialist/communist themes in the works.

The Vietnam Cauldron: Defense Intelligence in the War for Southeast Asia - Expanding the New Dia, USS Pueblo Intelligence Disaster, Raid on U. S. Military, Department Of Defense (Dod), Defense Intelligence Agency (Dia), 2019-02-17 The Defense Intelligence Agency (DIA) was the first new agency established by Secretary of Defense Robert McNamara after he assumed office in 1961. The ambitious McNamara intended to reformulate U.S. strategic nuclear policy and reduce inefficiencies that had developed in the Department of Defense (DoD) in the 1950s. DIA was the lynchpin to both efforts. In the early and middle 1960s, McNamara and his subordinates, Deputy Secretary of Defense Roswell Gilpatric and new DIA Director Lieutenant General Joseph Carroll (USAF), worked hard to establish the Agency, but their efforts were delayed or stymied by intransigent and parochial military leadership who objected to the creation of DIA because they feared a loss of both battlefield effectiveness and political influence in Washington, D.C. The work of building the DIA was made all the more urgent by the deteriorating situation in Southeast Asia. By the early 1960s, millions of dollars and hundreds of advisory personnel sent by the U.S. were having a negligible impact on the anti-communist campaign there. As the U.S. continued to commit more resources to the ill-fated government in Saigon, the country found itself drawn deeper and deeper into the maelstrom. For DIA, the looming war in Southeast Asia would expose major problems in its organization and performance. Especially in the period from 1961 to 1969, DIA, either because of structural weaknesses or leadership failures, often failed to energetically seize opportunities to assert itself in the major intelligence questions involving

the conflict there. This tendency was exacerbated by national military leadership's predilection for ignoring or undercutting the Agency's authority. In turn, this opened up DIA to severe criticism by Congress and other national policymakers, some of whom even considered abolishing the Agency. During the war, McNamara's great hope for reforming military intelligence would be swept up in quarrels between powerful domestic adversaries, and DIA's performance left the Secretary of Defense deeply embittered toward his creation. It was only at the end of the war that DIA assumed a more influential role in Southeast Asia. Until then, however, the Agency was consigned to the wilderness when it came to questions about the Vietnam conflict.

*Mé Dia* Daniel Gavaghan, 2020-04-07 This book reflects the spiritual path with which Ireland has undergone over many thousands of years. It recounts the connections Ireland has with other spiritual traditions throughout the world. The book also reflects upon Ireland's geological history, plant life, flora and fauna and endeavours to prove that Ireland has a deep connection to a once ancient spiritual past. That Ireland was once at the centre of everything and absorbed all spiritual truths from around the world and endeavoured to rewrite that truth in a way with which it was more palatable for the social masses at the time.

**Un Pensamiento Cada Día** Gustavo Le N.,Gustavo León,2012-09 Un día, sin un pretendido vuelo de poeta sino más bien en humilde intento de planeo trovador, inicié este proyecto que llamé Un pensamiento cada día, con la idea de registrar un borrador de reflexiones diarias. Sin pretender ser un conocedor he abordado diferentes temas y diferentes estructuras literarias tratando de experimentar en varias formas de escribir y decir cosas. El hecho de publicar inicialmente en un medio tan interactivo como lo es un Blog de Internet, me ha permitido entender que aún sin ser un escritor de profesión, existen lectores a quienes les gusta mi forma de escribir y buscan en mis textos, formas simples que expresen de alguna manera lo que ellos piensan y sienten. El haber alcanzado 215,000 accesos al Blog en poco menos de tres años ha sido un motivador clave para buscar otras formas de difusión como son el libro impreso y el formato digital.

La sencillez solo la posee el que va por la vida con la alegría de poder ser capaz de amar y perdonar. *Un Día... Importante* Fernando Amtzy, 2010-08-05 Sinopsis Aristid, un joven agradable e inteligente y acaudalado conocedor de obras de arte que tenía una importante empresa dedicada a la adquisición y venta de esculturas y pinturas de todo el mundo. Ha sabido hacer durante nuevos años exitosos negocios, en Europa. Aristid se encuentra en su vida ante un dilema con un cliente marroquí de nombre Yerabim que ha obtenido su fortuna ilícitamente, es ambicioso, protagónico y sin escrúpulos, vio que el negocio de Aristid era

próspero decide aprovechar a su clientela selecta y tomar posesión de la anhelada esfera social en la que se desenvuelve. Cuando Yerabim decide secuestrarlo, recordó las palabras de su padre: Hoy están preparándose para su futuro y la felicidad está en el interior de cada uno de ustedes. No la busquen en el exterior, en las cosas materiales. Aún así llevó a cabo su cometido, ya que el éxito de Aristid lo abrumaba, siente envidia quiere deshacerse de él y lo llevan a una isla asiática. Él no sabe en qué lugar se encuentra, sin más ropa que la que trae puesta, pasa su primera noche arriba de un árbol y ahí se inicia su “desventura”. Pasado un tiempo la selva se vuelve su “hogar” le toma cariño, afecto y respeto. En esta selva asiática, Aristid reflexiona sobre su vida que desde que aprendió el negocio ha llevado una vida lujosa y siempre anhelante de tener más dinero. Aprende que no se trata únicamente de tener una posición económica holgada. Que hay otros valores que lo llevaran a otro tipo de superación. Su Día Importante llega cuando escucha a un anciano sabio decir a una joven: Esta vida es transitoria. Ustedes son parte del universo. Cada átomo que forma sus células es igual a los del árbol, la corteza terrestre, las estrellas, la luna, todo en sí. El amor es la principal razón de esta vida y tiene que vivirse sabia e inteligentemente. Esta joven le enseña que su potencial como hombre está dentro de él. Que él puede trascender todo lo que la concepción humana ha creado erradamente como la desarmonía, el miedo, la confusión y la envidia. Así emprende el viaje de la sabiduría que lo conducirá a la felicidad y a la paz espiritual.
