Dos por dos Carlos Feilberg,Carlos Lozano Dana,2024-02-29 Uno de 88 años... el otro de 76. Dos muchachos muy jóvenes frente a un espejo distorsionado. Una remozada versión de Narciso y Goldmundo de Hermann Hesse. Dos mentes muy diferentes que por rara casualidad ensamblan milagrosamente en el diálogo común. Se admiran. Se respetan. Se esperan. Juegan a través de un sutil y elaborado transitar de palabras tejido en eones de tiempo. El milagro surge de la magia del teatro. Su idioma, su complicidad. Carlos Lozano Dana con su pura flema de humor inglés. Inteligente, fatalista, gracioso. Carlos Feilberg con el resabio de sus personajes, muchos de los cuales encarnaron migrantes de la Segunda Guerra. Dos por dos, dos amigos eternos, cuatro obras de teatro. Dos de Carlos Lozano Dana: Piedras preciosas y Algo huele a podrido en Dinamarca, y por Carlos Feilberg: Nieve de Primavera y El bien y la lluvia (Sincronía). Cada uno desnuda aquí disímiles temperamentos trasluciendo entre bambalinas su particular concepción de nuestra vida.

Where Nothing Sleeps Volume One Denton Welch,2016-02-02 The first volume of Denton Welch's complete collected short works English novelist Denton Welch originally trained as a visual artist, and a painterly perspicacity and talent for human observation are evident in his writing. His close attention to detail renders even the most seemingly mundane trivialities memorable and important. Though he died at the young age of thirty-three, Welch was quite prolific, doing most of his writing while bedridden after a bicycling accident that left him seriously injured. He produced three novels, over seventy-five short stories, and a journal that ran over two hundred fifty thousand words long. Included in this volume are autobiographical works inspired by Welch's youth in China, such as "I Can Remember" and "The Coffin on the Hill." "I First Began to Write" is a brief vignette detailing Welch's early efforts as an author. These stories, fragments, and poems reveal a writer gifted with superb powers of description.

Vita Melania G. Mazzucco, 2005-09-15 In April 1903, the steamship Republic spills more than two thousand immigrants onto Ellis Island. Among them are Diamante, age twelve, and Vita, nine, sent by their poor families in southern Italy to make their way in America. Amid the chaos and splendor of New York, the misery and criminality of Little Italy, and the shady tenants of Vita's father's decrepit Prince Street boarding house, Diamante and Vita struggle to survive, to create a new life, and to become American. From journeys west in search of work to journeys back to Italy in search of their roots, to Vita's son's encounter with his mother's home town while serving as an army captain in World War II, Vita touches on every aspect of the heartbreaking and inspiring immigrant story. The award-winning Italian author Melania G. Mazzucco weaves her own family history into a great American novel of the immigrant experience. A sweeping tale of discovery, love, and loss, Vita is a passionate blend of biography and autobiography, of fantasy and fiction.

The Devil is Disorder Rebecca Lynch, 2020-01-01 What role might the Devil have in health and illness? The Devil is Disorder explores constructions of the body, health, illness and wider misfortune in a Trinidadian village where evangelical Christianity is growing in popularity. Based on long-term ethnography and locating the village in historical and global context, the book takes a nuanced cosmological approach to situate evangelical Christian understandings as

shaping and being shaped by their context and, in the process, shaping individuals themselves. As people move from local to global subjects, health here stretches beyond being a matter of individual bodies and is connected to worldwide flows and networks, spirit entities, and expansive moral orders.

Sport and South Asian Diasporas Stanley Thangaraj, Daniel Burdsey, Rajinder Dudrah, 2015-10-14 This original collection demonstrates the importance of sporting practices, spaces and leisure affiliations to understanding issues around identity, (post-) migration, diaspora and transnationalism for global South Asian populations. The chapters provide a critical (re-) examination of the roles that sport plays within and in relation to South Asian groups in the diaspora, and raises a series of pertinent questions regarding the multifarious relationships between sport and South Asianness. The chapters range across a wide variety of disciplines, regions, sports and identifications. They are in conversation with each other while showing the particularity of each diasporic context and relationship to sport. The book encompasses a number of global contexts from the homeland (India, Pakistan, Afghanistan) to the diaspora (Fiji, Norway, the US, the UK), and addresses a broad range of sporting contexts, including basketball, boxing, cricket, cycling, field hockey, soccer and golf. The chapters combine a range of qualitative methods, including ethnography, auto-ethnography, participant observation, memoir, interview and textual analysis (film, television and print media). This collection comprises the latest cutting edge research in the field, and will be essential reading for scholars and students both of sport and South Asian diasporas. This book was published as a special issue of South Asian Popular Culture.
