Brilliance and Fire Rachelle Bergstein,2016-06-07 From the author of *Women from the Ankle Down* comes a lively cultural biography of diamonds, which explores our society's obsession with the world's most brilliant gemstone and the real-world characters who make them shine. "A diamond is forever." Who among us doesn't recognize this phrase and, with it, the fascination that these shiny gemstones hold in our collective imagination as symbols of royalty, stars, and eternal love? But who gave us this catchphrase? Where do these gemstones and their colorful legacies originate? How did they become our culture's symbol of engagement and marriage? Why have they retained their coveted status throughout the centuries? Rachelle Bergstein's cultural biography of the diamond illuminates the enticing, often surprising story of our society's enduring obsession with the hardest gemstone—and the people who have worked tirelessly to ensure its continued allure. From the South African mines where most diamonds have been sourced since the late 1890s to the companies who have fought to monopolize them; from the stars who have dazzled in them to the people behind the scenes who have carefully crafted our understanding of their value—*Brilliance and Fire* offers a glittering history of the world's most coveted gemstone and its greatest champions and most colorful enthusiasts. *Brilliance and Fire* is illustrated with 16 pages of color photographs.

The Diamond. A Story Book for Girls. [With Illustrations.] Diamond,1873

Diamond & Legend 2 Toy,2021-10-20 Legend and Diamond were off to a good start until the night she never came home from work. Vowing not to rest until she is found and everyone involved with her going missing receives consequences for their actions, Legend will not only get to the bottom of Diamond's disappearance, but he will also unearth more betrayal and hate. Diamond faces the dilemma where her next move could determine the rest of Legend's life, as well as hers. Which path will she choose? She can either feed them the information they are looking for or simply tell the truth. Justin and Ashera can't seem to make things right with their situationship. It always seems as if they are on opposite pages. However, when the back-and-forth becomes too much for them, who will be the one to take a stand? Alannah is left confused, hurt, and depressed. She has graduation to look forward to. However, she must confront the scourge of her pain. When she so happens to be put in the same space as the man who shows her what the phrase he is my protector really means, will she welcome him? Or run as fast as she can in the other direction? In this next installment, we find out what diamonds and legends are made of. Love is a beautiful thing when handled properly. Love is just a word when betrayal, lies, secrets, and wars threaten its existence.

Diamond Emily Hahn,1956

Koh-i-Noor William Dalrymple,Anita Anand,2017-09-12 From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself.

The Story Behind Diamonds Heidi Moore,2010 How do dentists use diamonds? Who sang Diamonds Are a Girl's Best Friend? What is a blood diamond? To uncover the hidden facts behind everyday things, explore the secrets of True Stories. True Stories reveals the surprising truth about a range of subjects. Discover everything you could wish to know, and some things you'll wish you didn't, about a huge range of topics!

Diamond & Legend Toy,2021-08-25 Diamond is at a point in her life where she realizes that her long-standing relationship is the sham everyone says it is. After getting fed up with her boyfriend Jakari's ways, she's not looking for love. All she wants to do is put in work to help her interior design brand grow. However, Diamond isn't looking for a new relationship. Her priorities change when she responds to an inquiry about a design job that can change her company for the better and her life. Legend and Justin came in the game together and now run things with precision. However, when it comes to light that the one person they both trust with their lives is holding on to secrets that could either kill them or have them both serving double-digit years in prison, they face some tough decisions. Either they stand by their code or give a pass to someone they look up to for doing the unthinkable. Now that the weight of the world is on their shoulders, neither of them has the time to think about starting a relationship with anyone. Their primary focus is to handle the street dilemma that they now have to rectify. What happens when you meet the one person you could see a future with, but the timing is all wrong? They say love comes when you least expect it. But it can also come when you're in the midst of a fight for your life and freedom. What will Legend and Justin do? Will they allow love into their world? Or will they put it on the back burner until their street issues are done? Some meetings aren't by chance or coincidence. People cross your path because they are supposed to.

Blue Mystery Susanne Steinem Patch,1976

Fire in the Earth James Remington McCarthy,1946

The Diamond and the Boy Hannah Holt,2018-10-02 Told in a unique dual-narrative format, *The Diamond and the Boy* follows the stories of both natural diamond creation and the life of H. Tracy Hall, the inventor of a revolutionary diamond-making machine. Perfect for fans of *Rosie Revere, Engineer*, and *On a Beam of Light: A Story of Albert Einstein*. Before a diamond is a gem, it's a common gray rock called graphite. Through an intense trial of heat and pressure, it changes into one of the most valuable stones in the world. Before Tracy Hall was an inventor, he was a boy—born into poverty, bullied by peers, forced to work at an early age. However, through education and experimentation, he became one of the brightest innovators of the twentieth century, eventually building a revolutionary machine that makes diamonds. From debut author Hannah Holt—the granddaughter of Tracy Hall—and illustrator Jay Fleck comes this fascinating in-depth portrait of both rock and man.

The Diamond A T Story,2020-06-23 This book is a good novel specifically aimed at children, but at the same time it is suitable for all ages, Tells the story of a famous florist who sells the kindest and rarest roses and then falls into trouble because of his excessive love of roses and here begins events that carry a lot of judgment and lessons aimed at awareness and the novel is almost entirely based on these events so it would be better not to mention it so that you read it yourself and this will be better of course in order not to extinguish that longing for reading ... These events will teach you, especially children, as we have mentioned, How do you see beauty in anything, even if it's so simple? For example (if you don't think you're beautiful but I'll tell you you are prettier than you'd expect) or maybe when you buy this book (*The Diamond*) and you see that it has something special and beautiful if that means you carry a lot of beauty in your heart. So we're looking to explain a lot of things to you that you didn't see very clearly. Quite frankly, although this novel is intended for children, it is also suitable for all ages because it carries high values, noble and wonderful awareness. And don't forget something important, which is that when you buy this book, You will have drawn a smile on the face of someone who needs it so badly, and that's real So Thanks in advance . all that you've read now falls under one concept which is love♡, So When you read the book you will understand what this also means ♡

The Diamond as Big as the Ritz Francis Scott Fitzgerald,F. Scott Fitzgerald,2019-12-10 *The Diamond as Big as the Ritz* is a novella by novelist F. Scott Fitzgerald. It was first published in the June 1922 issue of *The Smart Set* magazine, and was included in Fitzgerald's 1922 short story collection *Tales of the Jazz Age*. Much of the story is set in Montana, a setting that may have been inspired by the summer that Fitzgerald spent near White Sulphur Springs, Montana in 1915. Orson Welles adapted the story into a radio play in 1945 and another version was presented three times on the program *Escape* between 1947 and 1949. A teleplay version was broadcast on Kraft Theatre in 1955. The story's sisters, Kismine and Jasmine, were portrayed by Lee Remick and Elizabeth Montgomery, who were unknowns of 20 and 22 at the time. Mickey Mouse No. 47 (Apr./May 1956) contains a retelling of Fitzgerald's story under the title *The Mystery of Diamond Mountain*, scripted by William F. Nolan and Charles Beaumont and illustrated by

Paul Murry. Jimmy Buffett recounts the story in the song Diamond As Big As The Ritz from his 1995 album Barometer Soup. Famous novells of the author F. S. Fitzgerald: This Side of Paradise, The Beautiful and Damned, The Great Gatsby, Tender Is the Night, The Last Tycoon, The Diamond as Big as the Ritz, May Day, The Rich Boy.

Diamond Matthew Hart,2002 Diamonds are almost completely useless, but are prized above all other gems. Historically they have attracted crimes of passion and awful cold-blooded efficiency, have bedazzled the greatest filmstars and the most opulent courts, and provided the incentive for adventure, destruction and greed on a monumental scale.

The Story of the Diamond William Elder Marcus,2012-11-01 The Fourth Of A Series Of Little Books Which Are Issued From Time To Time, And Which Have To Do With The Legends, Histories, Occurrence And Fashion Of Precious Stones.

The Diamond Maker H G Wells,2019-08 The Diamond Maker is a short story by H. G. Wells, first published in 1894 in the Pall Mall Budget. It was included in The Stolen Bacillus and Other Incidents, the first collection of short stories by Wells, first published in 1895

The Story of the Diamond Marcus and Company,1937

Diamond Doris Doris Payne,2019-09-10 In the ebullient spirit of Ocean’s 8, The Heist, and Thelma & Louise, a sensational and entertaining memoir of the world’s most notorious jewel thief—a woman who defied society’s prejudices and norms to carve her own path, stealing from elite jewelers to live her dreams. Growing up during the Depression in the segregated coal town of Slab Fork, West Virginia, Doris Payne was told her dreams were unattainable for poor black girls like her. Surrounded by people who sought to limit her potential, Doris vowed to turn the tables after the owner of a jewelry store threw her out when a white customer arrived. Neither racism nor poverty would hold her back; she would get what she wanted and help her mother escape an abusive relationship. Using her southern charm, quick wit, and fascination with magic as her tools, Payne began shoplifting small pieces of jewelry from local stores. Over the course of six decades, her talents grew with each heist. Becoming an expert world-class jewel thief, she daringly pulled off numerous diamond robberies and her Jewish boyfriend fenced the stolen gems to Hollywood celebrities. Doris’s criminal exploits went unsolved well into the 1970s—partly because the stores did not want to admit that they were duped by a black woman. Eventually realizing Doris was using him, her boyfriend turned her in. She was arrested after stealing a diamond ring in Monte Carlo that was valued at more than half a million dollars. But even prison couldn’t contain this larger-than-life personality who cleverly used nuns as well as various ruses to help her break out. With her arrest in 2013 in San Diego, Doris’s fame skyrocketed when media coverage of her astonishing escapades exploded. Today, at eighty-seven, Doris, as bold and vibrant as ever, lives in Atlanta, and is celebrated for her glamorous legacy. She sums up her adventurous career best: “It beat being a teacher or a maid.” A rip-roaringly fun and exciting story as captivating and audacious as Catch Me if You Can and Can You Ever Forgive Me?—Diamond Doris is the portrait of a captivating anti-hero who refused to be defined by the prejudices and mores of a hypocritical society. Diamond Doris features 20-30 color photographs.

The Story of Diamonds Jean Milne,2000 Discusses the history, scientific makeup, and cultural significance of diamonds, their uses, and stories about famous diamonds.

The Joyous Friar; the Story of Fra Filippo Lippi Arthur James Anderson,1927

The Land Where Lemons Grow: The Story of Italy and Its Citrus Fruit Helena Attlee,2015-01-05 A unique culinary adventure through Italian history The Land Where Lemons Grow is the sweeping story of Italy's cultural history told through the history of its citrus crops. From the early migration of citrus from the foothills of the Himalayas to Italy's shores to the persistent role of unique crops such as bergamot (and its place in the perfume and cosmetics industries) and the vital role played by Calabria's unique Diamante citrons in the Jewish celebration of Sukkoth, author Helena Attlee brings the fascinating history and its gustatory delights to life. Whether the Battle of Oranges in Ivrea, the gardens of Tuscany, or the story of the Mafia and Sicily's citrus groves, Attlee transports readers on a journey unlike any other.
