Make It Up Marie Rayma, 2016-12-27 Ever think of making your own beauty products -- handmade, high performance, healthy alternatives to just about every chemical laden product you currently put on your face and body? It's easier than you think! In *Make It Up* author Marie Rayma shares the recipes she has developed through years of trial, error, and testing to come up with the very best. This is real makeup and skincare: bright lipsticks, quality mineral powders, long-wearing eyeliners, and masks and cleansers that yield results. Rayma walks you through natural ingredients available online or at health food stores. These awesome oils, butters, clays, and minerals will replace the petroleum products, artificial colors, and lab-created mystery fragrances that have untold effects on our bodies. Products can be tailored for individual needs -- from swapping out ingredients not suitable for sensitive skin to whipping up the perfect colors suited for any complexion. With easy-to-follow instruction, *Make It Up* provides more than 40 essential cosmetics and skin care projects so you can make just what you want, when you need it.

Homemade All-natural Makeup and Beauty Products Josephine Simon,2017-09-13 Make your makeup and other cosmetics products with all-natural, organic ingredients in your own kitchen! It's easy and you will see your face and skin glow! ***BLACK AND WHITE EDITION*** With the vast numbers of cosmetic and beauty products on the market, many people wonder why anyone would want to make their own. Then again, people are also becoming more health conscious and thus understand the point of using products that you are very familiar with (because you made them!). There are many brands out there

that advertise natural ingredients and numerous benefits, but there is always a question about how much of that is marketing and how much of it is true. Finding the right product can also be difficult if you have certain sensitivities, allergies, and health concerns. Of course, when you make your beauty products, you can personalize them however you would like. There really are quite a few reasons to start making your own makeup, cosmetics, and beauty products. Time may be an issue for some, and the convenience of store-bought products is undeniable, but for the most part making your own is very much a pro rather than a con. You may even enjoy it so much that you make a business out of it, and if nothing else, the joy of using something you made yourself, or giving it to someone you care about, is extremely satisfying. No one will know your product as well as you, and you will know everything that went into making your ideal cream, makeup, or facial mask. Not to mention, that makeup made with things like cocoa powder and cinnamon smells marvelous! Also, you will be saving money by making your own products, and you can adjust the quantities and frequency to meet your needs. With all these advantages, no wonder DIY makeup and beauty products is a no brainer! This book is an excellent starting point in your journey to becoming your own alchemist of beauty. Inside you will discover: Equipment and ingredients needed to make your makeup and beauty products at home Tips, tricks, and basics of making your makeup and beauty products Step-by-step methods to make your own cosmetics including Face care: cleansers, scrubs, masks, toners, astringents Full Face Makeup including powdered foundation and liquid foundation Eye care and makeup including powdered eye shadow, cream eye shadow, mascara and eyeliner Lip care including lip balm, lip gloss, lipsticks and lip moisturizers Body care such as soap, bath soaks, body scrubs, moisturizer and hair care Body fresh products such as deodorant, body powder, body sprays, and perfumes Several quick and easy no-recipe needed beauty hacks Handy Resources for ingredient substitutions, colors, and DIY suppliers Scroll back up and order your copy today!
