Those large wooden things we see in all sorts of places, but never really give any thought. Sure, you see them when you are at a garden nursery, or perhaps shopping at a warehouse center. Perhaps you have seen them on the backs of trucks or in the industrial world, but have you ever seen them look attractive? Whether you are looking for a large project that will completely transform a pallet right before your eyes, or minor projects that are going to show you fun and cool ways to use pallets around the home, this book is for you. I am going to show you the magic behind the pallet, and give you exactly what you need to know to use pallets around your home and garden like you never thought you could. Book 2: DIY Mini Shed: Illustrated Tutorial On Building Small But Roomy Shed In Only \$40! It is possible to make your own shed for as little as \$40. It will involve you completing all the work and sourcing the materials. Part of this will be discovering how to locate materials either cheap or for free; this can make a significant difference to the cost of your build. The shed illustrated in this guide is a fairly standard two meters by one meter and is made from pallets. These dimensions are controlled by the size of the pallets you find. It is possible to make this shed much bigger or even a little smaller; simply follow the guidelines and either add or remove pallets as required. Book 3: Fence Building: 10 Nice Looking DIY Fence Building Projects That Won't Make You Broke There are so many reasons why you should have a good fence, it's hard to count them all. When you have the right fence, you are able to keep your loved ones safe and secure, and know where they are at all times. That's where this book comes in. In it, you are going to find everything you need to make a variety of fences for your outdoor living space. You don't have to spend a lot of money, and you can rest easy knowing that your pets and children are safe and secure in your yard. **Weaving Within Reach** Anne Weil, 2018-08-21 Modern weaving projects like you've never seen—within easy reach of anyone. Weaving is a satisfying hobby for making home or clothing accessories that look plucked from your favorite stores. Here are Pinterest-worthy projects for creating earrings, clutches, pillows, wall hangings, and more, all organized by skill level. From complete beginner to intermediate, Weaving Within Reach allows you to craft at your comfort level, even if you don't yet know the difference between the warp and the weft. Lacking a loom? Most of the materials can be woven on found objects—such as an embroidery hoop or cardboard box—or achieved with a simple over-under pattern using no loom at all. As you progress, there are plenty of exciting designs for a frame loom to keep you inspired. With a detailed introduction, stunning lifestyle and step-by-step photographs, and a helpful resource section, Weaving Within Reach unravels the possibilities of the beautiful things you can make with your hands.
