**Bread Toast Crumbs** Alexandra Stafford, 2017-04-04 With praise from Dorie Greenspan, Jim Lahey, and David Lebovitz, the definitive bread-baking book for a new generation. But this book isn’t just about baking bread-- it’s about what to do with the slices and heels and nubs from those many loaves you’ll bake. Alexandra Stafford grew up eating her mother’s peasant bread at nearly every meal—the recipe for which was a closely-guarded family secret. When her blog, Alexandra’s Kitchen, began to grow in popularity, readers started asking how to make the bread they’d heard so much about; the bread they had seen peeking into photos. Finally, Alexandra’s mother relented, and the recipe went up on the internet. It has

since inspired many who had deemed bread-baking an impossibility to give it a try, and their results have exceeded expectations. The secret is in its simplicity: the no-knead dough comes together in fewer than five minutes, rises in an hour, and after a second short rise, bakes in buttered bowls. After you master the famous peasant bread, you'll work your way through its many variations, both in flavor (Cornmeal, Jalapeno, and Jack; Three Seed) and form (Cranberry Walnut Dinner Rolls; Cinnamon Sugar Monkey Bread). You'll enjoy bread's usual utilities with Food Cart Grilled Cheese and the Summer Tartine with Burrata and Avocado, but then you'll discover its true versatility when you use it to sop up Mussels with Shallot and White Wine or juicy Roast Chicken Legs. Finally, you'll find ways to savor every last bite, from Panzanella Salad Three Ways to Roasted Tomato Soup to No-Bake Chocolate-Coconut Cookies. Bread, Toast, Crumbs is a 2018 nominee for The IACP Julia Child First Book Award, and Alexandra's Kitchen was a finalist for the Saveur Blog Awards Most Inspired Weeknight Dinners 2016

*DIY Financial Advisor* Wesley R. Gray,Jack R. Vogel,David P. Foulke,2015-08-10 DIY Financial Advisor: A Simple Solution to Build and Protect Your Wealth DIY Financial Advisor is a synopsis of our research findings developed while serving as a consultant and asset manager for family offices. By way of background, a family office is a company, or group of people, who manage the wealth a family has gained over generations. The term 'family office' has an element of cachet, and even mystique, because it is usually associated with the mega-wealthy. However, practically speaking, virtually any family that

manages its investments—independent of the size of the investment pool—could be considered a family office. The difference is mainly semantic. DIY Financial Advisor outlines a step-by-step process through which investors can take control of their hard-earned wealth and manage their own family office. Our research indicates that what matters in investing are minimizing psychology traps and managing fees and taxes. These simple concepts apply to all families, not just the ultra-wealthy. But can—or should—we be managing our own wealth? Our natural inclination is to succumb to the challenge of portfolio management and let an 'expert' deal with the problem. For a variety of reasons we discuss in this book, we should resist the gut reaction to hire experts. We suggest that investors maintain direct control, or at least a thorough understanding, of how their hard-earned wealth is managed. Our book is meant to be an educational journey that slowly builds confidence in one's own ability to manage a portfolio. We end our book with a potential solution that could be applicable to a wide-variety of investors, from the ultra-high net worth to middle class individuals, all of whom are focused on similar goals of preserving and growing their capital over time. DIY Financial Advisor is a unique resource. This book is the only comprehensive guide to implementing simple quantitative models that can beat the experts. And it comes at the perfect time, as the investment industry is undergoing a significant shift due in part to the use of automated investment strategies that do not require a financial advisor's involvement. DIY Financial Advisor is an essential text that guides you in making your money work for you—not for someone else!

**The Nourished Kitchen** Jennifer McGruther, 2014-04-15 A cookbook from the author of the popular website *Nourished Kitchen*, featuring 175 recipes based on the traditional foods philosophy of eating, which emphasizes whole grains, dairy, red meat, organ meats, and fermented foods. The traditional foods movement is a fad-free approach to cooking and eating that emphasizes nutrient-dense, real food, and values quality, environment, and community over the convenience of processed, additive-laden products that are the norm on grocery store shelves. Based on the research of Weston A. Price, who studied the diets of indigenous peoples to understand the relationship between nutrition and health, a traditional foods diet avoids processed ingredients, but allows meat, animal fat, and grains. It embraces cultured dairy, such as kefir and yogurt, that contain beneficial bacteria; fermented foods, such as sauerkraut and kombucha, that are rich in probiotics; and organ meats that are packed with vitamins and minerals. It also celebrates locally grown foods. By choosing ingredients from nearby sources, you create a stronger connection to your food, and have a better understanding what you're eating and how it was produced. In *The Nourished Kitchen*, Jennifer McGruther guides you through her traditional foods kitchen and offers more than 160 recipes inspired by the seasons, land, and waters around her. In the morning, fuel up with Eggs Poached in Fiery

Tomato Sauce. On a hot summer day, Cucumber Salad with Dill and Kefir is a cooling side dish, and on a chilly fall evening, Barley in Broth with Bacon and Kale offers comfort and warmth. Old-Fashioned Meat Loaf with Gravy makes a hearty family meal, while Chicken in Riesling with Peas can be the centerpiece of an elegant supper. Satisfy your sweet tooth with Maple-Roasted Pears, and quench your thirst with naturally fermented Vanilla Mint Soda. With the benefit of Jennifer's experience, you can craft a loaf of Whole Wheat and Spelt Sourdough Bread and stock your kitchen with Spiced Sour Pickles with Garlic. The Nourished Kitchen not only teaches how to prepare wholesome, nourishing foods, but also encourages a mindful approach cooking and a celebration of old-world culinary traditions that have sustained healthy people for millennia. Whether you're already a practitioner of the traditional foods lifestyle or simply trying to incorporate more natural, highly nutritious foods into your routine, you will find plenty to savor in The Nourished Kitchen.
