I Can Do It Myself! Stephen Krensky,2013-07-01 Children and parents alike will delight in this joyous declaration of toddler independence. This book celebrates the feats of growing out of babyhood and starting to embrace the world on your own terms. Whether it's being tall enough to reach a high shelf or brave enough to splash in the waves, Krensky and Gillingham address the small victories that come with growing just a little bit older. Energetic text and retro-fresh illustrations celebrate this important developmental stage with charm and relevance. Note: illustrations are in the style of vintage screen prints, with imperfect variations in color and texture. Praise for *I Can Do It Myself* Short and satisfying, these 'empowering celebrations' of burgeoning independence will encourage small children to see how far they've already come. –The Wall Street Journal Krensky celebrates the increasing independence of toddlers and their pride of accomplishment. –The Horn Book Awards The Canadian Children's Book Centre's Best Books for Kids & Teens - Spring 2013 Toronto Public Library system's "First & Best" Reading Program

Dawson's Fall Roxana Robinson,2019-05-14 A cinematic Reconstruction-era drama of violence and fraught moral reckoning In *Dawson's Fall*, a novel based on the lives of Roxana Robinson's great-grandparents, we see America at its most fragile, fraught, and malleable. Set in 1889, in Charleston, South Carolina, Robinson's tale weaves her family's journal entries and letters with a novelist's narrative grace, and spans the life of her tragic hero, Frank Dawson, as he attempts to navigate the country's new political, social, and moral landscape. Dawson, a man of fierce opinions, came to this country as a young Englishman to fight for the Confederacy in a war he understood as a conflict over states' rights. He later became the editor of the Charleston News and Courier, finding a platform of real influence in the editorial column and emerging as a voice of the New South. With his wife and two children, he tried to lead a life that adhered to his staunch principles: equal rights, rule of law, and nonviolence, unswayed by the caprices of popular opinion. But he couldn't control the political whims of his readers. As he wrangled diligently in his columns with questions of citizenship, equality, justice, and slavery, his newspaper rapidly lost readership, and he was plagued by financial worries. Nor could Dawson control the whims of the heart: his Swiss governess became embroiled in a tense affair with a drunkard doctor, which threatened to stain his family's reputation. In the end, Dawson—a man in many ways representative of the country at this time—was felled by the very violence he vehemently opposed.

Be Kind Pat Zietlow Miller,2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend.With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

100 Days of Sunlight Abbie Emmons,2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Write This Book Pseudonymous Bosch,2013-04-02 This imaginative companion to the New York Times bestselling Secret Series teases, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless author:I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not missing. A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!

I Like Myself! Karen Beaumont,2004 High on energy and imagination, this ode to self-esteem encourages kids to appreciate everything about themselves--inside and out. Messy hair? Beaver breath? So what Here's a little girl who knows what really matters. At once silly and serious, Karen Beaumont's joyous rhyming text and David Catrow's wild illustrations unite in a book that is sassy, soulful--and straight from the heart.

How I Met My Monster Amanda Noll,2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

Choose Your Story, Change Your Life Kindra Hall,2022-01-11 The things we tell ourselves affect how well or poorly our path in life goes. It's time to flip the script on the internal stories you tell yourself and live life on your terms. Most of the "self-stories" you tell yourself—the kind of person you say you are and the things you are capable of—are invisible to you because they have become such a part of your everyday mental routine that you don't even recognize they exist. Yet, these self-stories influence everything you do, everything you say, and everything you are. Choose Your Story, Change Your Life will help you take complete control of your self-stories and create the life you've always dreamed you'd have. Author Kindra Hall offers up a new window into your psychology, one that travels the distance from the frontiers of neuroscience to the deep inner workings of your thoughts and feelings. In Choose Your Story, Change Your Life, Kindra will help you: Uncover the truth of how you have created the life you have; Challenge everything you think you know about how your life has been built; Uncover the clear steps you can take to create the life you want; Take control of your self-story to become the author of who you are; and Live your life in a way you never have before. This eye-opening, but applicable journey will transform you from a passive listener of these limiting, unconscious thoughts to the definitive author of who you are and everything you want to be. Changing your life is as simple as choosing better stories to tell yourself. If you can change your story, you can change your life.

The Spider Lady and Other Short Stories and Poetry Mark Alberto Yoder Nunez,2019-05-21 Collection of Poetry and Short Stories with aphorisms and humor. Illustrations and photography by the author. Nonfiction stories include memoirs and dream writing. Fictional stories are how the author expresses his emotions by inventing stories in his mind. The writing reflects the American Southwestern life of the author. Inspirational for all ages. Mark writes for the people and not for an intellectual elite. This book has had very positive feedback in the Northern California community in which the author now lives.

The Girl who Never Made Mistakes Mark Pett,Gary Rubinstein,2011 Beatrice offers a lesson we could all benefit from: learn from your mistakes, let go, laugh, and enjoy the ride. --JENNIFER FOSBERRY, New York Times bestselling author of *My Name Is Not Isabella* Being perfect is overrated. Beatrice Bottomwell has NEVER (not once) made a mistake. She never forgets her math homework, she never wears mismatched socks, and she ALWAYS wins the yearly talent show at school. In fact, the entire town calls her The Girl Who Never Makes Mistakes One day, the inevitable happens: Beatrice makes a huge mistake in front of everyone But in the end, readers (and perfectionists) will realize that life is more fun when you enjoy everything—even the mistakes. Additional praise for *The Girl Who Never Made Mistakes*: This funny and heartfelt book conveys a powerful message about how putting too much pressure on yourself to be perfect can suck the joy out of everything. Beatrice's discovery that you can laugh off even a very public mistake shows the importance of resiliency and helps perfectionist kids keep things in perspective. Most importantly, Beatrice reminds the reader that it's more important to enjoy the things that you do than worry about doing them perfectly. --A Mighty Girl *The Girl Who Never Made Mistakes* is a must-read for any young (or old) perfectionist. Beatrice Bottomwell is perfectly imperfect --Stephanie Oppenheim, Oppenheim Toy Portfolio It's fun and instructive without feeling overly didactic and the illustrations are darling. --Parenting This book will help little perfectionists see that making mistakes is okay, and it can be a lot of fun too --Kids Book Blog

The Great Realization Tomos Roberts (Tomfoolery),2020-09-01 Selected by Today as a book to ease kids' anxiety about coronavirus." We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked *The Great Realization*. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts's heartfelt poem is as timely as it is timeless. Its message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts's heartfelt poem and beautiful illustrations by award-winning artist Nomoco, *The Great Realization* is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it *The Great Realization* and, yes, since then there have been many. But that's the story of how it started . . . and why hindsight's 2020.

The Career Stories Method Kerri Twigg,2021-01-26 From internationally recognized creator of Career Stories comes a guide to find or create your dream job-by starting with the stories you tell about yourself.

Embracing the Unexpected London St. Charles,2021-01-31 Anniversaries are a time of celebrating unity in marriage if both spouses are on the same page. Jami Wilcox is a hard-working, dedicated husband and father who adores his wife and children. After years of slaving on the job, Jami vowed to show his wife, Harper, how much he appreciated her commitment to their marriage. With a surprise trip to the Smokey Mountains prearranged, all Jami needed was the woman he pledged to love forever. Unbeknownst to Jami, Harper had other plans. Although he requested her time, he hadn't revealed his intentions. Harper's refusal to cancel her arrangements sends Jami to a blissful, romantic getaway, alone. Standing firm in her decision, Harper takes a vacation with her girlfriends. Sipping mojitos, lounging on the beach, and enjoying the tropical island of Jamaica was what Harper needed until she meets a man who wants to be more than her friend. Testing the strength of her vows, Harper must make a choice. Does she choose the man she knows like the back of her hand, or will she leap into uncertain waters with a man she wants to get to know? Will Jami and Harper celebrate their anniversary once reunited? Or will the events that unfolded while they were apart separate them forever?

Do It Yourself Dramaturgy Caroline Russell-King,2024-03-07 "The secret of life may be found in the questions you ask, and the same goes for the secrets of playwriting. In *Do It Yourself Dramaturgy*, Caroline Russell-King asks just the right questions or, rather, she exhorts playwrights to ask them before launching their

work into the world. Comprehensive and concise, this eminently usable guide offers lesson after lesson in dramaturgical inquiry—craft-based, artistic, practical, professional, and even profound. It comes packing answers, too, from a writer who clearly knows her stuff, including how to entertain as she teaches. Russell-King’s cheeky, smart examples are worth the price of admission. Her parentheticals—where she stows personal stories and biases—are priceless. “ –Todd London, Artistic Director, Writer, Dramatist Guild of America, NYC. “What a terrific resource for playwrights: sound advice and provocative questions peppered with relevant (and entertaining) anecdotes.” –Conni Massing, Playwright, screenwriter, story consultant, Edmonton. “Full of really valuable advice and questions to ask yourself. Read it then WRITE.” –George F. Walker, Playwright, Toronto. “Caroline Russell-King's Do It Yourself Dramaturgy guides you like a lighthouse beacon through the frequent fog of the creative process of writing, or more likely, rewriting a stage play. Phrased as a series of practical questions the playwright might ask of their work before revising and submitting it to a potential producer, this concise, practical and lively guide renders complex concepts accessible and useful to a playwright at any level of experience, or for that matter anyone engaged in the creation of that fundamental conveyor of human experience: story.” –Gerry Potter, Writer, Director, Dramaturg, Edmonton. “Russell-King knows what she’s talking about. And she knows how to tell it with frankness, humour and clarity.” –Bill Lane, Producer, Director, Stratford.

Doityourself&sorty Introduction

In today's digital age, the availability of Doityourself&sorty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Doityourself&sorty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Doityourself&sorty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Doityourself&sorty versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Doityourself&sorty books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for

studying or referencing. When it comes to accessing Doityourself&sorty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Doityourself&sorty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Doityourself&sorty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Doityourself&sorty books and manuals for download and embark on your journey of knowledge?
