Jackson, 2024-01-04 These poems are a collection of work formulated during one of the worst times in American history. A global pandemic which had effected many people. it especially hit incarcerated individuals such as myself. Being locked down while being locked down, forced individuals like me to find new ways to pass time, release stress, and express themselves. The pandemic allowed me to hone in on my word smith skills. I hope that this collection is enjoyed and felt by the masses as much of it comes straight from my heart.

The Conqueror from a Dying Kingdom: Volume 2  
Fudeorca, 2022-12-12 With his relaxing life as a ranch hand in a peaceful corner of the Shiyalta Kingdom far behind him, Yuri Ho has begun training at the Knight Academy so that he might someday succeed his father as ruler of Ho Province and commander of the family's forces. At school, however, Yuri quickly encounters a serious problem. Because he's skipped a good portion of his credits and the martial arts training is a breeze compared to the practice he received under his family's veteran soldiers, he has ample free time every afternoon. For an enterprising young student with memories of modern Japan, this ought to be the perfect opportunity to take the city by storm. Yuri courts some novel business ideas, but

will his disruptive commercial models really stand a chance in a city as corrupt as the royal capital? The kingdom's witch families are determined to maintain the status quo, and they're not known for fighting fair!

If the glamor life of Street Dreams is your destination, then this story will take your mind on a journey through the dark world of the streets where tragic nightmares will awaken you if you are ready for Spiritual Enlightenment. The Dream of Death is an urban story of love and friendship in a world where the only loyalty is to money and the American Dream. Climbing the ladder of success sometimes involves crime and the destruction of relationships, friendships, and family. In this story selfish desires devour love. Greed violates bonds of trust. Money and Power motivates murder. In a dark world of materialism and selfish desires, only spiritual knowledge can lead one into the light of True Peace and Happiness. This story will vivify the reality of those who seek love, peace, and happiness but experience tragedy as they chase their Dreams.

But their adult lives have driven them apart--and set off a series of events their friendship may not survive. All Jamal's political achievements can't erase his bargain with D.C.'s corrupt mayor. And when he finds himself the latest target on Mayor Johnson's hit list, he'll risk everything to end the mayor's deadly reign--even if it's the last move he ever makes. Institute head Derrick refuses to cave to D.C. drug king pin Dolla Dolla and sell out all he believes in. But his courageous stand might cost him the Institute--and the woman he loves . . . With a pregnant girlfriend, Ricky can't stay on the run forever. Now he's making a dangerous play to win. But with Derrick and Jamal in Dolla's sights, Ricky and his friends must resolve the conflicts keeping them apart if they want to come back together--even if that means none of the Branch Avenue Boys will be left standing . . .
