The Adventures of Dollar Bill Mildred Holcomb,2008-11 The Adventures of Dollar Bill a Book I is filled with the adventures of one dollar bill whose life comes full circle after he flies out of an ice cream truck, gets sleepy in a stuffy pocket, helps a child buy shoes, and gets put into an organ grinder's monkey's cup. But the adventure doesn't end there! Join author Mildred Holcomb as she weaves a real-life story of imaginary proportions while educating and entertaining readers of all ages. Will you recognize Dollar Bill when he comes to your house? 'This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.'

**The Twenty Dollar Bill** Elmore Hammes,2007-11 Follow the path of a twenty dollar bill as it is stolen, given, spent or otherwise passed from person to person, traveling from place to place. No bombastic explosions, steamy sex scenes, political intrigue or cosmic encounters. Just slices of life from the people you walk by every day - glimpses into how ordinary people interact, how they think, how they feel and how they love. A contemporary novel exploring every day interactions and relationships.

The Hundred Dollar Bill Man Tim D Washington,2019-04-04 Have you ever had a dream that seemed so real, even though it couldn't possibly be true? Here is your chance to dive in to a place where dreams become reality and where logic doesn't exist. As a young boy I had a wish to meet a great man I looked up on to, a man that inspired me to become a better person and spend my life in the best way I can. Yet I also had a wish to show him my life, where I am, what I do and how are things here. Even though he probably knows it all, it's fun connecting to the people you admire, even when it's just fun, games and endless curiosity for life. What I truly want to share with all of you, was my realization that life is less about logic and more about play. Benjamin spoke with an eternal feeling of peace, like he was always here, like I just happened to see him, even though he knows everything there is to know about me. But we don't look for logic, we are too busy playing and enjoying life. And in the same time, we are in the process of becoming a better version of ourselves. If you remember to breathe, and sometimes hug a tree, every forest will become magical. You just have to dream, dream and dream. My dream is a symbol that all dreams eventually become true, so be very careful what you wish for, for it might come true! There are many things you can learn from this short story, and I don't want to give them all away, I just want you to look closely for the hidden doors that are scattered around between lines of text. Hidden doors that lead to the wisdom you seek.

2 Dollar Bills: America's Forgotten Currency John Bennardo,2018-07-10 You've definitely heard of them. Perhaps you've seen one before. Maybe you even have one tucked away for safe keeping. **My Life as a Dollar Bill** Sanjini Bhakta,2010-09-17 Follow the life of Bill, the one dollar bill on its adventures from the bank, to the streets of New York City, to a Coca-Cola Machine, to a fun taxi cab ride, on a roller coaster ride in Disney World; Florida and to a classroom in Austin; Texas. Every dollar counts and so does this one dollar bill!

**Dollar Bills!** Robert M. Hamilton,2015-07-15 Learning about dollar bills introduces readers to important concepts presented in both social studies and math curricula. As readers discover the meanings behind the various images on the dollar bill, they learn about American history. The text addresses monetary comparisons and provides opportunities for readers to strengthen basic math skills. A picture glossary defines unfamiliar terms in a way young readers can understand. Colorful photographs are presented in an exciting way alongside accessible text. This aids in the development of reading comprehension skills while holding the interest of young readers.

**Follow the Money** Steve Boggan,2012-01-01 DIV 'Fantastic debut' Time Out 5-Star Review 'Its randomness is its joy' The Independent 'A picaresque travelogue about chasing an idea through down-home modern America.' The Times What do you do if you want to get underneath the skin of a country, to understand its people and feel its heartbeat? You can follow the rest of the tourists, or you can take the advice of Watergate reporter Bob Woodward's source, 'Deep Throat', and 'follow the money.' Starting out in Lebanon, Kansas - the geographical centre of America - journalist Steve Boggan did just that by setting free a ten-dollar-bill and accompanying it on an epic journey for thirty days and thirty nights through six states across 3,000 miles armed only with a sense of humour and a small, and increasingly grubby, set of clothes. As he cuts crops with farmers in Kansas, pursues a repo-woman from Colorado, gets wasted with a blues band in Arkansas and hangs out at a quarterback's mansion in St Louis, Boggan enters the lives of ordinary people as they receive - and pass on - the bill. What emerges is a chaotic, affectionate and funny portrait of a modern-day America that tourists rarely see. /div

*The Two Dollar Bill* Rick Weeks,2020-04-30 Let me take you on a journey. This story starts in the year 1928 and brings you up to our current time. You will follow this Two Dollar Bill through some good times and through some hard times. You will meet many different people along the way. But you have to keep reminding yourself the story is about the Two Dollar Bill, not the people you meet. Money changes hands daily, so sometimes, the person in question, has it in their possession for a day, before it moves on. You will discover many interesting facts that have occurred through many decades. For example: 1977 was the last year France used the guillotine for execution. As I come to certain years, I try to let you know what was happening at that time in history. I know you will enjoy the journey.

**The Journey of a Dollar** Doris Rubenstein,2016-09-30 Take a journey with Elliot's dollar bill and learn how it makes a difference! Elliot's class is collecting money to help schoolchildren in Ecuador. Elliot is willing to give, but he doesn't understand how his one dollar will help or how it gets to Ecuador. Elliot learns more than he expected, watching his dollar travel to South America. He learns about banking, non-profit organizations, and geography. The most important thing he learns is that his charitable effort really does reach people in need, they appreciate his generosity, and they're a lot like him.

**Dollar Bill** Joy,2003 Dollar is one of those bad guys readers end up hating to love. From the killing grounds of Gary, Indiana, Dollar goes from a small pup just living and learning to a big dawg learning to live. Dollar decides against joining the typical Ballers out on the streets hustling drugs to make a come up. After carefully critiquing the game, Dollar chooses a more concrete type of hustle, straight out robbin' folks. Dollar catches as case at the ripe age of 18 on the first of many planned hustles that he thought would lead him to the good life. The case resulted in Dollar being sentenced to live out the rest of his natural life behind bars. When Dollar encounters Romeo, the hardest cat in prison, he realizes that prison life exists six feet under hell. Romeo takes Dollar's mind on a manipulating roller coaster ride, which almost pushes him to the brink of insanity. In the beginning Romeo instills the fear of death in Dollar, but in the end he gives him life. When the state sentenced Dollar they never expected the affect it would have on the new life he would eventually lead. They never imagined that he would some day walk the streets again and perfect his game. Back on the street, Dollar manages to drag everyone in his life who means anything to him into his deadly game. His bid in prison taught him one important thing that he would now apply to his hustle, how not to get caught! These shocking twists are only the beginning of the many that fill the pages of this profound urban novel. Bury your mind in this story as it reveals the true rules of a hustle as the true rules of love, deception and betrayal unravel. It's not a love story. It's not a just a street story. Dollar Bill is what it is ... the best told urban tale. Expect the unexpected!--P. [4] of cover.
