So-Well Horace Jordan Sr.,2020-10-01 A one-man Kamikazee attack is what it took for Robert Donnell Sowell to make the NFL. The once unknown free agent rookie from Columbus, Ohio who was considered a long shot, made it the hard way. For the smallest Dolphin at the time, the chances of wearing a Miami Dolphin uniform were slim. Even though he stumbled many times in his life, he had kept his dream and had done all he could to make it a reality. When blessed with the chance to live his dream as a professional football player, Sowell took full advantage of his opportunity. Not only did he beat the odds of making it to the NFL, but he achieved it with the Miami Dolphins, the only team to go undefeated throughout the regular season, playoffs, and the Super bowl, all in a single season. Sowell became a Miami Dolphin special teams specialist

Undefeated Mike Freeman, 2012-08-21 “[Freeman is] an excellent storyteller.” —Sports Illustrated The 1972 Miami Dolphins, under the expert leadership of legendary coach Don Shula, remain to this day the only team in the National Football League ever to enjoy a perfect season with no defeats and no ties. Now, 40 years after sports history was made, acclaimed sports writer Mike Freeman celebrates the Dolphins’ singular achievement in

Undefeated. A riveting story filled with heartbreaking injuries, miraculous finishes, and tested relationships—featuring a roster of gridiron greats, including Bob Griese, Earl Morrall, Larry Csonka, Paul Warfield, Mercury Morris, Nick Buoniconti and others—Undefeated follows a underdog team on its remarkable run: 14 regular season victories, 2 postseason wins, and a Super Bowl championship. It is a book no football fan will want to miss.

The Miami Dolphins Football Team J. J. DiLorenzo, 1997 The Miami Dolphins franchise is the only NFL team to have had an undefeated season. Building on the tradition of Don Shula, the winningest coach in NFL history, and led by passing record-holder Dan Marino, the Miami Dolphins are a standout team.

Undefeated Mike Freeman, 2012-08-21 Each year, every football team sets out to play a perfect season. Only one has ever succeeded talk about beating the odds. The Miami Dolphins of the late 1960s were a laughingstock, an expansion team, and a franchise where careers went to die. Then came Coach Don Shula. In just a few short years—through hard work, long practices, and his no-nonsense attitude toward the game—Shula transformed the team into a championship franchise. The Dolphins were by and large unseasoned players or rejects from other teams. Even so,

they made it to Super Bowl VI. They suffered a humiliating loss to the Dallas Cowboys, becoming the first team in Super Bowl history not to score a single touchdown. But Shula closed the 1971 season by telling his players to remember this loss and make sure nothing like it ever happened again. And they listened. The Miami team came back for the 1972 season determined to be winners this time, not losers. Through his tough-as-nails coaching, grueling preseason training, and inspiring message of redemption, Shula took the Dolphins, one game at a time, to their legendary Super Bowl victory. Led by such greats as Larry Csonka, Bob Griese, Nick Buoniconti, Larry Little, Mercury Morris, and Jake Scott—as well as players discarded from other franchises who were transformed into key contributors once they were indoctrinated into Shula's system—the team was undefeated 17-0 in the regular season and went on to win Super Bowl VII, in one of the greatest stories of toughness, perseverance, and skill the National Football League has ever seen. Along the way, the Dolphins became the team of the 1970s, with Miami as a fascinating backdrop. The city emerged as an anti-Fidel Castro hub and morphed into the city made notorious on the television show Miami Vice. The cocaine began to flow as the Dolphins rose to prominence, and the team

struggled with its own drug issues. Yet the Dolphins established themselves as one of the city's most trusted entities. While the city faced racially charged riots, Shula purposely built an integrated locker room in an NFL—and a city—that were still extremely hostile to blacks. Based on years of research and interviews, *Undefeated*, by award-winning journalist and author Mike Freeman, examines what is perhaps the single greatest accomplishment in team sports history: the unforgettable NFL season in which the Dolphins didn't lose a single game. There has never been a football team like those Miami Dolphins, and there may never be again.

The Miami Dolphins Sloan MacRae, 2011-01 Presents a history of the NFL team the Miami Dolphins, including notable players and coaches.

Miami Dolphins Aaron Frisch, 2014 An elementary look at the Miami Dolphins professional football team, including its formation in 1966, most memorable players, Super Bowl championships, and stars of today. Some of professional sports most famous heroes wear football spikes and helmets. This series puts readers ages six and up into the action, acquainting them with the story and larger-than-life stars of every National Football League team ever to win the games biggest prize the Super Bowl trophy. Shark Among Dolphins Steve Hubbard, 1997 Listen, guys, this is not a college. It's a job. We get to training camp, your ass has cramps, I'll cut you in a minute. --Jimmy Johnson Love him or hate him, Jimmy Johnson's headline-making new gig with the Miami Dolphins made him football's comeback kid of the year. In this no-holds-barred book--the first all-access look at a coach in action since John Feinstein's #1 bestseller *A Season on the Brink*--you'll get an up-close, powerfully personal, and brutally honest chronicle of Johnson's first year on the job . . . on and off the field. After legendary Dolphins coach Don Shula was pushed into retirement, former Dallas Cowboys coach Jimmy Johnson came back into the spotlight, and with him, his famously uncompromising attitude and standards of perfection and professionalism. For *Shark Among Dolphins*, Johnson allowed award-winning reporter Steve Hubbard to sit in on team practices, player meetings, postgame speeches, and much more: to see it, hear it, and most important of all . . . tell it, exactly the way it is. *Shark Among Dolphins* reveals insider insights into Jimmy's feud and frustration with Jerry, Barry, and the

'Boys. It details his speeches that sparked upsets over New England and Buffalo, and his draft and personal decisions, from axing selfish stars to anointing rookies like Zack Thomas. It shows why corporations pay \$40,000 to hear how this master psychologist molds and motivates people to win championships.
