I Grew Up to Be President Laurie Calkhoven,2011 Brief lives of each of the United States presidents.

Guys Read: Funny Business Jon Scieszka,2010-09-21 It’s here: Volume One of the official Guys Read Library. Jon Scieszka’s Guys Read initiative was founded on a simple premise: that young guys enjoy reading most when they have reading they can enjoy. And out of this comes a series that aims to give them just that. Ten books, arranged by theme, featuring the best of the best where writing for kids is concerned. Each book is a collection of original short stories, but these aren’t your typical anthologies—each book is edgy, inventive, visual, and one-of-a-kind, featuring a different theme for guys to get excited about. Funny Business is based around the theme of—what else?—humor, and if you’re familiar with Jon and Guys Read, you already know what you’re in store for: ten hilarious stories from some of the funniest writers around. Before you’re through, you’ll meet a teenage mummy; a kid desperate to take a dip in the world’s largest pool of chocolate milk; a homicidal turkey; parents who hand over their son’s room to a biker; the only kid in his middle school who hasn’t turned into a vampire, wizard, or superhero; and more. And the contributor list includes bestselling author, award winners, and fresh new talent alike: Mac Barnett, Eoin Colfer, Christopher Paul Curtis, Kate DiCamillo (writing with Jon Scieszka), Paul Feig, Jack Gantos, Jeff Kinney, David Lubar, Adam Rex, and David Yoo. Guys Read is all about turning young readers into lifelong ones—and with this book, and each subsequent installment in the series, we aim to leave no guy unturned.

Our Fifty States Mark H. Bockenhauer,Stephen F. Cunha,2004 A collection of illustrations, maps, and essays about each state and region of the United States, capturing the geographic, economic, and cultural diversity and essence of the country in a single volume.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.
