Earrings! Judith Viorst,2010-09-14 I want them. I need them. I love them. Beautiful earrings. Glorious earrings. What will a young girl do to get her ears pierced? Will she walk the dog for a year? YES! Will she clean her room every day for a year? YES! Will she be nice to her brother for a year? YES! Well, maybe for six months...

ArtCurious Jennifer Dasal,2020-09-15 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before, from the host of the beloved ArtCurious podcast We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, ArtCurious presents an engaging look at why art history is, and continues to be, a riveting and relevant world to explore.

Golden Earrings Belinda Alexandra,2015-08-18 For fans of Colleen McCullough, Kate Morton, and Lucinda Riley, a powerful saga of family, love, honor, and betrayal set in historical Barcelona and romantic Paris, from the author of Tuscan Rose. "You who judge me: come! Let me tell you a story..." Paloma Batton is the granddaughter of Spanish refugees who fled Barcelona after the Civil War. A disciplined student attending the school of the Paris Opera Ballet, Paloma lets little get in the way of her career until she receives a mysterious pair of golden earrings. She begins exploring her Spanish heritage and becomes fascinated by la Rusa, a woman who rose from poverty to become one of the great flamenco dancers of modern times before committing suicide. As Paloma begins to unravel the secrets of the past, she discovers more than one person who had good reason for wanting la Rusa dead—including Paloma's own grandmother. Written with the same depth and emotion as Belinda Alexandra's "rich, unforgettable saga" (Kimberly Freeman, author of Wildflower Hill) Tuscan Rose, Golden Earrings moves between two of the great cities of Europe: Barcelona in the lead-up to the Civil War and Paris in the 1970s. It is the story of two women and the extremes to which they are willing to go for love. And above all, it is a story of great passions—and great betrayals—where nothing is quite as it seems.

Sparkly Green Earrings Melanie Shankle,2013-02-08 "There is really no better indicator you're a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened." This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—Sparkly Green Earrings will make you feel like you're sitting across the table from your best friend. A must-read for anyone who's ever had a child or even thought about it.

Girl with a Pearl Earring Tracy Chevalier,2001-01-01 The New York Times bestselling novel by the author of A Single Thread and At the Edge of the Orchard Translated into thirty-nine languages and made into an Oscar-nominated film, starring Scarlett Johanson and Colin Firth Tracy Chevalier transports readers to a bygone time and place in this richly-imagined portrait of the young woman who inspired one of Vermeer's most celebrated paintings. History and fiction merge seamlessly in this luminous novel about artistic vision and sensual awakening. Girl with a Pearl Earring tells the story of sixteen-year-old Griet, whose life is transformed by her brief encounter with genius . . . even as she herself is immortalized in canvas and oil.

I Love Those Earrings Jane Merrill,Chris Filstrup,2013 Earrings can talk-of mourning a dead king, supporting a revolution, or resisting an emperor. They have carried the message that a proper Victorian believed in Darwin, and that a woman invited a lover to her bed. Raid the jewelry boxes of the glamorous, legendary, and everyday chic women alike. See what earrings they have worn, when, and why, in ways that bespeak their way of life and personality, and how jewelry carries family and cultural heritage with style. Looking at earrings as tiny sculptures, here are details about gems, settings, and fixtures. Lavishly embellished with over 300 images of jewelry ranging from the Byzantine era to the contemporary artisan, the styles of design, relationships to dress, portraiture and symbolism, and other aspects of adornment are elaborated upon. With research-based anecdotes and her own life in earrings, the author tells a story that will engage anyone interested in celebrities, monarchies, and the barely recorded lives of women of the past, and, of course, anyone who loves beautiful jewelry.

At the Edge of the Orchard Tracy Chevalier,2016-03-15 "With impeccable research and flawless prose, Chevalier perfectly conjures the grandeur of the pristine Wild West . . . and the everyday adventurers—male and female—who were bold enough or foolish enough to be drawn to the unknown. She crafts for us an excellent experience." —USA Today From internationally bestselling author Tracy Chevalier, author of A Single Thread, comes a riveting drama of a pioneer family on the American frontier 1838: James and Sadie Goodenough have settled where their wagon got stuck — in the muddy, stagnant swamps of northwest Ohio. They and their five children work relentlessly to tame their patch of land, buying saplings from a local tree man known as John Appleseed so they can cultivate the fifty apple trees required to stake their claim on the property. But the orchard they plant sows the seeds of a long battle. James loves the apples, reminders of an easier life back in Connecticut; while Sadie prefers the applejack they make, an alcoholic refuge from brutal frontier life. 1853: Their youngest child Robert is wandering through Gold Rush

California. Restless and haunted by the broken family he left behind, he has made his way alone across the country. In the redwood and giant sequoia groves he finds some solace, collecting seeds for a naturalist who sells plants from the new world to the gardeners of England. But you can run only so far, even in America, and when Robert's past makes an unexpected appearance he must decide whether to strike out again or stake his own claim to a home at last. Chevalier tells a fierce, beautifully crafted story in *At the Edge of the Orchard*, her most graceful and richly imagined work yet.

The Bronze Drums and the Earrings - Volume One of A Traveller's Story of Vietnam's Past Tan Pham, 2021-10-26 A Google search for a book on Vietnamese history will result in an overwhelming number about the war, which ended in 1975. This book offers an overview of Vietnamese history from prehistory to the present day and is written for people interested in history from a traveller's perspective. It specifically focuses on the period from 700 to 111 BCE. It briefly discusses the origin of the Vietnamese and the three characters who shaped its early history: the Hùng kings – the founders of Vietnam, An Dương Vương, Zhao Tuo and the battles involved during the transfer of power from one to the next. The final battle ended the country's autonomy and placed the country under Chinese dynastic rule for one thousand years to the 10th century. It also tells the stories of the mythical Four Immortals, the bronze drums in the north, and the earrings in the centre and south. It recounts the tragic love story of the Magic Crossbow, the 2200-year-old fort of Cổ Loa. It has 71 photographs, maps and diagrams.

Falling Angels Tracy Chevalier, 2002-09-24 A New York Times bestseller From the author of the international bestseller *Girl With A Pearl Earring* and *At the Edge of the Orchard*, Tracy Chevalier once again paints a distant age with a rich and provocative palette of characters. *Falling Angels* follows the fortunes of two families in the emerging years of the twentieth century in England, while the Queen's death reverberates through a changing nation. Told through a variety of shifting perspectives—wives and husbands, friends and lovers, masters and their servants, and a gravedigger's son—*Falling Angels* is graced with the luminous imagery that distinguished *Girl With a Pearl Earring*, *Falling Angels* is another dazzling tour de force from this master of voices (The New York Times Book Review).

Tracy Chevalier's *Girl with a Pearl Earring* Lisa Fletcher, 2001

The Sun is a Golden Earring Natalia Maree Belting, 1962 Relates folklore about the heavens from many countries.

Girl with a Pearl Earring High Museum of Art, 2013 This volume will mark the first time Johannes Vermeer's iconic painting will be seen in the Southeast. The painting headlines the exhibition, which highlights the artistic genius of Dutch Golden Age painters, including Vermeer, Rembrandt van Rijn, Frans Hals and Jan Steen, through the presentation of more than 35 exceptional works. Through landscapes and portraits, this book will explore the idea that Dutch artists more readily embraced paintings of everyday subjects than their southern European contemporaries, focusing on capturing commonplace scenes of daily life. Dutch artists not only recorded representations of the domestic interior, still lifes and boisterous crowds, but often imbued these scenes with moral undertones and humorous, sarcastic wit. (Exhibition: High Museum of Art, Atlanta, USA (22.6.-29.9.2013)).

The Blood In My Veins Dan Lynch, 2020-08-17 Dan Lynch was the videographer for the Dutch band Golden Earring's *Millbrook*, USA DVD. How that incredible responsibility was bestowed upon him is an interesting story. This book is not a story about Golden Earring, but that of an American fan who had an addiction to the music and ultimately had the experience of a lifetime. In his own words, Dan tells some important and personal parts of his life. He was a kindergarten candy thief, a pencil poker, adventurer, run away, brawler, lifesaver and more. He wasn't a bad kid, but he did do some foolish things on the journey that made up his life. From the early 1960's and beyond, Dan listened to the popular music of the times. He enjoyed a lot of the tunes he was hearing, and had a few bands that he enjoyed above the rest. When his ears tuned to the songs of Golden Earring, he got sucked into a world of enjoyment, frustration and rewards. This is the story of an American Golden Earring fan.

Girl with a Pearl Earring Tracy Chevalier, 1999 Novel about a maid in the household of painter Johannes Vermeer.

Metonymy in Language and Thought Klaus-Uwe Panther, Günter Radden, 1999-09-15 *Metonymy in Language and Thought* gives a state-of-the-art account of metonymic research. The contributions have different disciplinary and theoretical backgrounds in linguistics, psycholinguistics, psychology and literary studies. However, they share the

assumption that metonymy is a cognitive phenomenon, a “figure of thought,” underlying much of our ordinary conceptualization that may be even more fundamental than metaphor. The use of metonymy in language is a reflection of this conceptual status. The framework within which metonymy is understood in this volume is that of scenes, frames, scenarios, domains or idealized cognitive models. The chapters are revised papers given at the Metonymy Workshop held in Hamburg, 1996.
