Tennis Shorts Adam Sexton,2005 To judge by the number of great writers who have adopted tennis as their subject, this sport would seem to be the most storylike sport of all. This collection of short stories and excerpts from novels and screenplays brings together some of the best and most evocative writing on tennis. Also included are a few sparkling sketches by rising stars of the literary scene. Many of these stories dramatise issues of class, status and race and include work from Martin Amis, Margaret Atwood, Vladimir Nobokov and John Updike.

*Catch That Rockabilly Fever* Sheree Homer,2015-02-12 Rockabilly, a musical designation coined by Billboard magazine in the mid-1950s, is a rambunctious rhythmic style combining the liveliest elements of country, gospel, and rhythm and blues. Popularized by such performers as Elvis Presley, Buddy Holly and Ricky Nelson, rockabilly has been a major influence on the music of Bob Dylan, the Beatles and Bruce Springsteen (among many others). This book captures the essence of life on the road and in the recording studio through interviews with many of rockabilly's foremost artists. Among those sharing their experiences are Jerry Allison and Sonny Curtis of the Crickets, Sonny Burgess, Wanda Jackson, Glen Glenn, the Collins Kids, Charlie Gracie and Deke Dickerson. Also included are several rare publicity photos.
