Sorted Jackson Bird,2020-08-04 An unflinching and endearing memoir from LGBTQ+ advocate Jackson Bird about how, through a childhood of gender mishaps and an awkward adolescence, he finally sorted things out and came out as a transgender man in his mid-twenties. When Jackson Bird was twenty-five, he came out as a transgender to his friends, family, and anyone in the world with an internet connection. Assigned female at birth and raised as a girl, he often wondered if he should have been born a boy. Jackson didn't share this thought with anyone because he didn't think he could share it with anyone. Growing up in Texas in the 1990s, he had no transgender role models. He barely remembers meeting anyone who was openly gay, let alone being taught that transgender people existed outside of punchlines. In this "soulful and heartfelt coming-of-age story" (Jamia Wilson,

director and publisher of the Feminist Press), Jackson chronicles the ups and downs of growing up gender confused. Illuminated by journal entries spanning childhood to adolescence to today, he candidly recalls the challenges and loneliness he endured as he came to terms with both his gender and his bisexual identity. With warmth and wit, Jackson also recounts how he navigated the many obstacles and quirks of his transition--like figuring out how to have a chest binder delivered to his NYU dorm room and having an emotional breakdown at a Harry Potter fan convention. From his first shot of testosterone to his eventual top surgery, Jackson lets you in on every part of his journey—taking the time to explain trans terminology and little-known facts about gender and identity along the way. “A compassionate, tender-hearted, and accessible book for anyone who might need a hand to hold as they walk through their own transition or the transition of a loved one” (Austin Chant, author of *Peter Darling*), *Sorted* demonstrates the power and beauty in being yourself, even when you’re not sure who “yourself” is.

Letters from an Early Bird Donal MacCarron, 2006-04-30 This is the story of an early pioneer aviator who took to the air just a few years after the Wright Brothers proved that man was capable of controlled powered flight. Corbett Wilson (CW) was the only son of a wealthy family and was educated at Eaton from 1896 to 1899. He was commissioned into the Dorset Regiment and served in the South African War, by the end of which he had transferred to the Royal Artillery and became a Lieutenant in 1908. CW enrolled at the Bleriot Flying School at Pau in southern France and upon gaining his wings

purchased a Bleriot XI aeroplane. Later he flew from Hendon Aerodrome and from there he made the first flight across the Irish Sea. When World War I loomed CW joined the military division of the newly formed Royal Flying Corps and in August 1914 he took off from Dover for France with No. 3 Squadron. It is this point that the vividly written letters sent to his mother give an enthralling insight into the developing war and the early military use of aircraft in battle. He lasted just ten months before being shot down by enemy flack on 15 May 1915.

I Have Been Assigned the Single Bird Susan Cerulean,2020-08-01 Susan Cerulean's memoir trains a naturalist's eye and a daughter's heart on the lingering death of a beloved parent from dementia. At the same time, the book explores an activist's lifelong search to be of service to the embattled natural world. During the years she cared for her father, Cerulean also volunteered as a steward of wild shorebirds along the Florida coast. Her territory was a tiny island just south of the Apalachicola bridge where she located and protected nesting shorebirds, including least terns and American oystercatchers. *I Have Been Assigned the Single Bird* weaves together intimate facets of adult caregiving and the consolation of nature, detailing Cerulean's experiences of tending to both. The natural world is the "sustaining body" into which we are born. In similar ways, we face not only a crisis in numbers of people diagnosed with dementia but also the crisis of the human-caused degradation of the planet itself, a type of cultural dementia. With *I Have Been Assigned the Single Bird*, Cerulean reminds us of the loving, necessary toil of tending to one place, one bird, one being at a time.

Bird-by-Bird Gardening Sally Roth,2006 Describes nineteen different bird families with advice on ways to attract each family with nesting sights, shrub cover, and a variety of specific plant suggestions.
