The Comfort Crisis Michael Easter,2021-05-11 “If you’ve been looking for something different to level up your health, fitness, and personal growth, this is it.”—Melissa Urban, Whole30 CEO and New York Times bestselling author of *The Book of Boundaries* “Michael Easter’s genius is that he puts data around the edges of what we intuitively believe. His work has inspired many to change their lives for the better.”—Dr. Peter Attia, #1 New York Times bestselling author of *Outlive* Discover the evolutionary mind and body benefits of living at the edges of your comfort zone and reconnecting with the wild—from the author of *Scarcity Brain*, coming in September! In many ways, we’re more comfortable than ever before. But could our sheltered, temperature-controlled, overfed, underchallenged lives actually be the leading cause of many of our most urgent physical and mental health issues? In this gripping investigation, award-winning journalist Michael Easter seeks out off-the-grid visionaries, disruptive genius researchers, and mind-body conditioning trailblazers who are unlocking the life-enhancing secrets of a counterintuitive solution: discomfort. Easter’s journey to understand our evolutionary need to be challenged takes him to meet the NBA’s top exercise scientist, who uses an ancient Japanese practice to build championship athletes; to the mystical country of Bhutan, where an Oxford economist and Buddhist leader are showing the world what death can teach us about happiness; to the outdoor lab of a young neuroscientist who’s found that nature tests our physical and mental endurance in ways that expand creativity while taming burnout and anxiety; to the remote Alaskan backcountry on a demanding thirty-three-day hunting expedition to experience the rewilding secrets of one of the last rugged places on Earth; and more. Along the way, Easter uncovers a blueprint for leveraging the power of discomfort that will dramatically improve our health and happiness, and perhaps even help us understand what it means to be human. *The Comfort Crisis* is a bold call to break out of your comfort zone and explore the wild within yourself.

The Last Tree on Easter Island Jared Diamond,2021-08-26 In twenty short books, Penguin brings you the classics of the environmental movement. This is Jared Diamond's haunting account of visiting the mysterious stone statues of Easter Island, showing how a remote civilization destroyed itself by exploiting its own natural resources - and why we must heed this warning. Over the past 75 years, a new canon has emerged. As life on Earth has become irrevocably altered by humans, visionary thinkers around the world have raised their voices to defend the planet, and affirm our place at the heart of its restoration. Their words have endured through the decades, becoming the classics of a movement. Together, these books show the richness of environmental thought, and point the way to a fairer, saner, greener world.

Rechenka's Eggs Patricia Polacco,1996-03-19 Old Babushka, known throughout all of Moskva for her beautifully painted eggs, is preparing her eggs for the Easter Festival when she takes in an injured goose. She names the goose Rechenka, and they live happily together until one day when Rechenka accidentally overturns a basket, breaking all of Babushka's lovingly crafted eggs. But the next morning Babushka has a surprise awaiting her in the basket. She cries: A miracle! It is one of many in this charmingly told tale of friendship and caring. With vibrant illustrations, Patricia Polacco has joyously re-created the flavor of Old Moscow and its festivals. The eggs, stunningly colored and intricately designed, are authentic reproductions of eggs painted in the Ukrainian style. *Rechenka's Eggs* is a timeless story of classic beauty.

Easter Is about Jesus Mikkove Johnson,2012-09 Have your children ever asked what bunnies have to do with Jesus's resurrection? Why do we celebrate Easter with jellybeans and Easter egg hunts? season with the fifteen devotions included in *Easter Is about Jesus: Family Devotions for the Easter Season*. Rather than worrying about who finds the most eggs or who got the most treats in their basket, Mukkove Johnson has written a kid-friendly devotional that clearly illustrates the need to focus on Jesus's and God's blessings during the Easter season. This devotional puts Jesus into Easter symbols, from chocolate bunnies and Easter baskets to baby chicks and Easter lilies. Each devotion includes study questions and fun activities to remind you and your children that Easter Is about Jesus. With this adaptable and flexible format to follow, you'll always have time for Family Devotions for the Easter Season.

Knights in Training Heather Haupt,2017-05-30 Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights' Code of Chivalry, as depicted in the French epic *Song of Roland*, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.
