Licorice All Sorts Poeta de Cabra,2013-04-11 Funny Poetry Book by Poeta De Cabra real name Stan Billing. A man from a small South Australian town. Just a regular guy with a wicked sense of humor, hard working fun loving poet.

The EveryGirl's Guide to Life Maria Menounos,2011-04-19 Raised by working-class immigrant parents and later exposed to Hollywood's most elite experts in every field, Access Hollywood's, Today's, and Nightly News's reporter Maria Menounos reveals her EveryGirl secrets on everything: her systems to organize life, manage time, and ascend the ladder of success; her lazy woman's workout; her weight-loss tips (how she lost forty pounds and kept it off); and her guide to styling yourself like the stars—a self-proclaimed EveryGirl, Maria often does her own hair and makeup for celebrity events. In *The EveryGirl's Guide to Life*, Maria shares personal experiences and photos from her life and professional journey as well as the various mantras, mottos, and philosophies she's adopted from the world's most impressive women. She gives advice on health, career, relationships, renovations, recreation, and more. From your carpet to the red carpet, Maria teaches the EveryGirl on a budget how to do it all, while living a healthier and happier life.

A Card for Valentine's Emily Engberts,2019-02-05 A brand new teacher at the local primary school, a woman taking care of her mum's book store, two hearts who believe that love and relationships aren't for them. Kara moves to her favourite island following the job offer of a lifetime, become a teacher at the only primary school the island has. It's like a dream come true, live on the island, go on long walks with her dog Tys and teach, all in one neat package. But when she spots the beautiful woman at the local book store, things might get a bit more complicated. Taking care of her mum's store for a few months is exactly what Lin needs. A couple of months away from her old life and to become a face in the crowd at one of the island's stores. Speaking fluently in three languages may not be her best skill, but keeping track of inventory and doing stock is definitely right up her street. Her first week at the store has almost come to an uneventful ending, until a stunning woman walks into the store and smiles her way. Valentine's Day is right around the corner and when Kara comes in for crafting supplies to make cards with her class, Lin makes a bold offer. How hard can it be to spend an afternoon making cards with a group of kids when she has no experience with teaching or making cards? There's no way Kara will find out, right? *A Card for Valentine's* is the second book in the small town (or more like small island) romance series *Seasons on the Island*, following the stories of women who fall in love with other women, and it takes place on the Dutch mudflat islands.

Every Day Should be Valentine's Day Jennifer Basye Sander,2020-02-04 Amp up the love, romance, and beauty in your life! Rest assured this is not a book about how to buy your way to a more romantic life. Money stress is anti-romance. Instead, we are here to help you create a more romantic life and make the most of what you already

have. The ideas and suggestions collected here are not always about dewy-eyed romance, but also about compromise, and having positive experiences that bond you as a couple. A few examples include: Your Turn to Choose—do something your partner loves, even if you aren't as enthusiastic about it. Maybe you can attend a musical one night, and visit a brewery the next. Mix it up! Pick-a-Date—using small scraps of paper, each of you should write out twenty ideas on how to spend a day, an evening, or even an hour. Ideas could include “pack a picnic and go to the park,” or “go to that restaurant we've been wanting to try,” or even “have a movie marathon at home.” Fill a jar with the pieces of paper, shake it up, and pull out an idea when it's time for a date! Get a Smaller Bed—lounging on a huge, king-size bed might seem like an ultimate couples' goal, but in any kind of small space you need to work things out and come to an agreement faster than if there was room to spread out and get away from each other. Though Valentine's Day has been around for centuries, it's become so commercialized it can be easy to feel wiped out after the onslaught of advertisements. So hey, take back your power—celebrate every day instead! This book will offer fresh ideas and inspire you to see the romance in everyday life.

When a blind date goes badly wrong, she discovers that the world of fae and a city full of shifters actually exist. And that Rafe O'Shea isn't the kind of man to let a disastrous first date deter him from asking for a second. Rafe knows Meadow is meant to be his mate from the moment he sees her, but her friendship with the mysterious fae leader Smith brings a new level of complication into Rafe's life. When Meadow is kidnapped by a rogue pack, Rafe will pay any price and fight any monster to rescue her.
