

# Eccentric

John Timbs

**Eccentricity** Brett Sinclair,2017-03 I encountered countless accomplished yet eccentric people, and decided to write this book because I am passionate about the value of eccentric people and after discovering a paucity of books on this fascinating and timely subject. THE VALUE OF BEING ECCENTRIC is an intriguing quasi-oxymoron. I use 12 historical figures including eccentrics like Lord Byron, Benjamin Franklin, Pablo Picasso, Winston Churchill, Albert Einstein and John Lennon, to name but a few of the eccentric people examined to prove via the facts of their lives that each one possessed the 7 essential attributes of eccentricity. The eccentricities of the people examined are compelling at any level. This book is timely because although historical figures are utilized, many Americans credibly argue, for example, that the current Republican president, Donald Trump, falls within the parameters of an eccentric person. Because eccentricity is often disparaged or equated as synonymous with insanity, the author believes the contributions to the world made by these 12 people from diverse fields and the historical proof of their eccentricity provides a fascinating take on a subject very rarely examined. He takes value in recognizing these eccentrics and understanding their positive contributions to the world.

**Eccentrics** David Joseph Weeks,Jamie James,1995 From 1859 to 1880, Joshua Abraham Norton thought he was Emperor of the United States. Ann Atkin keeps 7,500 garden gnomes in her backyard. Brooklyn artist Peter McGough dresses and acts as if it were 1895. These are just a few of the eccentrics discussed by Dr. Weeks, the world's foremost expert on the subject.

*English Eccentrics and Eccentricities* John Timbs,1866

**The Eccentric. [A Collection of Pieces in Verse.]** George WEGUELIN,1829

**Science and Eccentricity** Victoria Carroll,2015-10-06 The concept of eccentricity was central to how people in the 19th century understood their world. This book explores how, from the turn of the century, discourses of eccentricity were established to make sense of individuals who did not seem to fit within an increasingly organized social and economic order.

**Eccentric Objects** Jo Applin,2012-10-30 In America during the 1960s, sculpture as an artistic practice underwent a series of radical transformations. Artists including Lee Bontecou, Claes Oldenburg, Lucas Samaras, H. C. Westermann, and Bruce Nauman offered alternative ways of imagining the three-dimensional object. The objects they created were variously described as erotic, soft, figurative, aggressive, bodily, or, in the words of the critic Lucy Lippard, eccentric. Looking beyond the familiar and canonic artworks of the 1960s, the book challenges not only how we think about these artists, but how we learn to look at the more familiar narratives of 1960s sculpture, such as Pop and Minimalism. Ambivalent and disruptive, the work of this decade articulated a radical renegotiation—rejection, even—of contemporary paradigms of sculptural practice. This invigorating study explores that shift and the ways in which the kinds of work made in this period defied established categories and questioned the criteria for thinking about sculpture.

*English Eccentrics and Eccentricities* John Timbs,1898

The Eccentric Mirror G. H. Wilson,1807

English Eccentrics John Timbs,2017-09-17 Excerpt from English Eccentrics: And Eccentricities Many books of character have been published which have recorded the acts, sayings, and fortunes of Eccentrics. The instances in the present Work are, for the most part, drawn from our own time, so as to present points of novelty which could not so reasonably be expected in portraits of older date. They are motley-minded and grotesque in many instances; and from their rare accidents may be gathered many a lesson of thrift, as well as many a scene of humour to laugh at while some realize the well-remembered couplet or the near alliance of wits to madness. A glance at the Table of Contents and the Index to this volume will, it is hoped, convey a fair idea of the number and variety of characters and incidents to be found in this gallery of english eccentrics. It should be added, that in the preparation of this Work, the Author has availed himself of the most trustworthy materials for the staple of his narratives, which, in certain cases, he has preferred giving 7157622: of his authorities to re-writing them, as it is termed a process which rarely adds to the veracity of story-telling, but, on the other hand, often gives a colour to the incidents which the original narrator never intended to convey. The object has been to render the book truthful as well as entertaining. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Sounding Like a No-No** Francesca T. Royster,2013 Black popular music and offbeat performance, from Eartha Kitt to Meshell Ndegeocello

**Eccentric Britain** Benedict Le Vay,2005 A delightful romp around the British Isles searching out the mad marquess, the eccentric earl, the barmy baron, and the daft duke and gathering a fair collection of crackpot inventors, weird adventurers and fascinatingly and not to mention insanely curious customs along the way. All of which make this rainy little island home to that remarkable breed of individual - the British eccentric.This expanded book still doesn't tell you where Stonehenge is, but it does tell you where ten spookier stone circles are where there will be no crowds, no admission charges and no parking problems... This is a book for the intelligent, humorous, curious tourist who doesn't go with the crowd. It is also a great armchair read that has been known to have readers weeping with mirth at the weird ways of the British.

**Eccentric Biography; or Memoirs of remarkable female characters, ancient and modern, etc. [With portraits.]** BIOGRAPHY.,1803

Eccentric Circles Rebecca Lickiss,2001 Where is Joe Merchant? That's what his sister Trevor Kane, the hemorrhoid ointment heiress, wants to know. For South Seas psychic Desdemona, Merchant is the missing link needed to connect her with other worlds. And the mystery of the presumed dead but often-sighted rock star's disappearance is turning renegade seaplane pilot Frank Bama's life upside down. Jimmy Buffet fans will be enchanted with this modern-day pirate tale.

**American Eccentric Cinema** Kim Wilkins,2019-02-21 Since the late 1990s a new language has emerged in film scholarship and criticism in response to the popularity of American directors such as Wes Anderson, Charlie Kaufman, and David O. Russell. Increasingly, adjectives like 'quirky', 'cute', and 'smart' are used to describe these American films, with a focus on their ironic (and sometimes deliberately comical) stories, character situations and tones. Kim Wilkins argues that, beyond the seemingly superficial descriptions, 'American eccentric cinema' presents a formal and thematic eccentricity that is distinct to the American context. She distinguishes these films from mainstream Hollywood cinema as they exhibit irregularities in characterization, tone, and setting, and deviate from established generic conventions. Each chapter builds a case for this position through detailed film analyses and comparisons to earlier American traditions, such as the New Hollywood cinema of the 1960s and 1970s. American Eccentric Cinema promises to challenge the notion of irony in American contemporary cinema, and questions the relationship of irony to a complex national and individual identity.

*The Eccentric Design* Marius Bewley,1970

**Eccentric Glamour** Simon Doonan,2008-04-08 Glamorous eccentrics are irresistible people. They are irreverent, occasionally impertinent, a tad mysterious, charming, often self-invented, good at applying eyeliner, and above all nonconformist. They are a fabulous confection of style, self-empowerment, and black patent sling backs. Everyone wants to be one, but how? Ubiquitous style guru Simon Doonan has the answer. By no means a typical how-to manual, Eccentric

Glamour is a mixture of cultural commentary and personal disclosure, generously seasoned with gushings of wildly dictatorial, provocative, and reckless style advice. Through cautionary tales and inspirational examples, Doonan shows how to develop your own brand of eccentric glamour -- by magnifying everything that is already unique and idiosyncratic about you. In these comic essays, interspersed with one-on-one interviews with some of the world's most glamorous eccentrics (including Iman, Lucy Liu, Tilda Swinton, Malcolm Gladwell, and many more), Simon Doonan offers the women of America an alternative to the cheapness and tackiness that currently pass for personal style. Eccentric Glamour is intended as an antidote to the epidemic of slutty dressing and porno-chic that has taken over since the arrival of Paris Hilton and Anna Nicole Smith (may she rest in peace). While the typical TV boobs 'n' Botox makeovers force every woman to look the same, the transformations this book strives to inspire are the very opposite. Dressing like a ho is not just bad taste but boring! In Simon Doonan's book, conformity is the only crime and dressing down the only faux pas. Eccentric Glamour is every woman's birthright. SO SAY NO TO HO!...and yes to ECCENTRIC GLAMOUR!

*Tales of Eccentric Life* William Alexander Hammond,Clara Lanza,1886

**English Eccentrics and Eccentricities** John Timbs,2019-08-13 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

*Tales Of Eccentric Life* William Alexander Hammond,Clara Lanza,2023-07-18 From the eccentricities of the wealthy to the odd habits of the working class, this collection of tales offers a fascinating glimpse into the quirks and foibles of human nature. Written by Clara Lanza and William Alexander Hammond, two of America's most beloved authors, Tales of Eccentric Life is a must-read for anyone who loves a good story. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
