Pitching in a Pinch Christy Mathewson,2013-03-27 An inside baseball memoir from the game's first superstar, with a foreword by Chad Harbach Christy Mathewson was one of the most dominant pitchers ever to play baseball. Posthumously inducted into the Baseball Hall of Fame as one of the "Five Immortals," he was an unstoppable force on the mound, winning at least twenty-two games for twelve straight seasons and pitching three complete-game shutouts in the 1905 World Series. *Pitching in a Pinch*, his witty and digestible book of baseball insights, stories, and wisdom, was first published over a hundred years ago and presents readers with Mathewson's plainspoken perspective on the diamond of yore—on the players, the chances they took, the jinxes they believed in, and, most of all, their love of the game. Baseball fans will love to read first-hand accounts of the infamous Merkle's Boner incident, Giants manager John McGraw, and the unstoppable Johnny Evers and to learn how much—and just how little—has really changed in a hundred years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Pitching In A Pinch : Or, Baseball From The Inside Christy Mathewson,2013-04-16 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Elvis Mckenna James,2022-09-30 I didn't believe in love at first sight. That is, until I met Elvis, and the girl who rescued us both. I was just there to retrieve my wallet. I'd never been to an animal shelter before, and my plan was to get in and get out. But before I knew it, I was leaving with a dog named Elvis and a crush on the girl who ran the place. We couldn't be more different, but I'm a sucker for those big brown eyes... I thought I'd show Lake a thing or two by introducing her to my luxurious, billion-dollar lifestyle. Turns out she and my new furry friend are the ones teaching me that I've been missing out on the things that are most important in life. Elvis is a heartwarming story about finding love in unexpected places. Grab this prequel to the Vegas Kings Billionaire Romance series today!
