Winter Dreams and the Invincible Summer (Edisi Bahasa Inggris) Maggie Tiojakin, 2015-09-16 On the day George W. Bush took his oath as the 43rd President of the United States, I began my life as an illegal alien. It was a conscious decision and it felt a lot like I was crossing a line, invisible to others, though unmistakable in the eyes of the law. But this is America, I thought: life follows a different kind of logic here.” Nicky F. Rompa is a twenty-something Indonesian immigrant who comes to America with a bag of unresolved issues. To get away from his abusive father back home, Nicky goes on to stay with his relatives in Boston. Pretty soon, it seems as though he is living the dream: he meets a beautiful Russian girl, goes on road trips, gets a job, and finally experiences the America he had only seen on TV before. Yet, like any dream, it ends. And he is left with the choices of either going home or sticking around while hoping — against all odds — that the dream will return. Originally written in and translated from Bahasa Indonesia by Maggie Tiojakin, one of Indonesia’s emerging literary stars, *Winter Dreams* is a modern cautionary tale of a broken man in a broken country. Set against the backdrop of a full-on battle waged against illegal immigrants in the U.S. following the horrific events of 9/11 — told in restrained, understated and compelling prose — this is a story that offers a fresh, poignant look into the invisible lives of sojourners.

The Question of Red: A Novel (Edisi Bahasa Inggris)

Laksmi Pamuntjak, 2014-01-09 *The Question of Red* tells the story of two lovers, Amba and Bhisma, driven apart by one of the bloodiest Communist purges in the 20th century—the massacres that took place in Indonesia between 1965 and 1968 in which some 1 million people were killed. From rural Java and Yogyakarta to the prison camps of Buru Island, where some 12,000 alleged Communists were incarcerated without trial during the Suharto administration, the lives of the central characters interpret the Mahabharata—that timeless allegory of war within a family—with a

modern twist. Published in Indonesian last year as *Amba: Sebuah Novel*, Laksmi Pamuntjak's novel has enjoyed three reprinting within four months. Laksmi Pamuntjak has published two collections of poetry, *Ellipsis* (2005), recommended by Suhayl Saadi in the Herald UK Books of the Year pages, and *The Anagram* (2007), as well as *Perang, Langit dan Dua Perempuan* (2006), a treatise on violence and the Iliad, the short story collection *The Diary of R.S.: Musings on Art* (2006), and four editions of the award-winning Jakarta Good Food Guide. Co-founder of Aksara Bookstore, Pamuntjak has participated in numerous international literary events. Her poems, short stories and essays have also been published in several international journals, including the preface to *Not a Muse: International Anthology of Women's Poetry* (2008). In 2012 she was selected as the Indonesian representative at the Poetry Parnassus/ Cultural Olympiad in London, held in conjunction with the London Olympics.

*The Last Crowd *Edisi Bahasa Inggris Dari Kerumunan Terakhir* Okky Madasari, 2017-07-31 A story of human confusion in the midst of a fast-changing digital era, when humans don't have much chance to stop, look back, and contemplate. Moving from one crowd to another, from connecting to alienating, we flock to the future and leave the past behind. Technology has transformed human civilisation. Social network is the new world, where tremendous amount of time is spent running away from the harsh reality of life lled with defeat and absurdity. The novel portrays a young Generation Y, who lives in two worlds with blurring boundaries. Unable to distinguish what's real and what's virtual, Jayanegara falls into the trap of hope and illusion of cyberspace. As the rst Indonesian novel that explores the pressing issue of human existence in an era where modern technology consumes our existence, *The Last Crowd* cleverly unravels our deepest fears and desires: loneliness, isolation, and an innate obsession to be whoever we want to be on screens.

Ground Zero (Edisi Bahasa Inggris `Titik Nol`) Agustinus

Wibowo, 2015-11-10 After ten years wandering the world, Agustinus Wibowo has finally come home. He is now forced to face a reality that he has always feared. His mother is on the brink of

death, as cancer ravages her body. Not unlike Scherazade who reads through one thousand and one tales over as many nights, the traveller recounts his journey to his ailing mother, who has barely ever left their little village in Java, Indonesia. He talks about the illusory homeland of China, the holy Tibet, the spiritual Nepal, the dramatic India, the struggling Pakistan, and the surviving Afghanistan. And along with these stories, his mother nally nds a voice to recount her own life journey. Fragments of their lives come together, two distinctive roads spanning time and distance only to converge, to become a heart-wrenching tale of love and survival. "Relating his travels to his dying mother, Wibowo beautifully captures the bittersweet experience of solo travel. The excitement of discovery, the shadow of a changeling identity and the low-grade thrum of the road not taken combine to produce this lyrical journey through time and place." -Elizabeth Pisani, author of Indonesia Etc.: Exploring the Improbable Nation

Hamka's Great Story James R. Rush, 2016-06-07 Hamka's Great Story presents Indonesia through the eyes of an impassioned, popular thinker who believed that Indonesians and Muslims everywhere should embrace the thrilling promises of modern life, and navigate its dangers, with Islam as their compass. Hamka (Haji Abdul Malik Karim Amrullah) was born when Indonesia was still a Dutch colony and came of age as the nation itself was emerging through tumultuous periods of Japanese occupation, revolution, and early independence. He became a prominent author and controversial public figure. In his lifetime of prodigious

writing, Hamka advanced Islam as a liberating, enlightened, and hopeful body of beliefs around which the new nation could form and prosper. He embraced science, human agency, social justice, and democracy, arguing that these modern concepts comported with Islam's true teachings. Hamka unfolded this big idea—his Great Story—decade by decade in a vast outpouring of writing that included novels and poems and chatty newspaper columns, biographies, memoirs, and histories, and lengthy studies of theology including a thirty-volume commentary on the Holy Qur'an. In introducing this influential figure and his ideas to a wider audience, this sweeping biography also illustrates a profound global process: how public debates about religion are shaping national societies in the postcolonial world.

Abdullah Bin Abdul Kadir Munshi (In 2 Volumes) Hadijah Bte Rahmat,2020-12-10 This book, Abdullah bin Abdul Kadir Munshi, is the most comprehensive, multi-disciplinary studies on Abdullah bin Abdul Kadir, widely known as Munshi Abdullah (1796-1854). He was a prominent literary figure and thinker in the Malay world in the 19th century and was also an early 'pioneer' of Singapore. The author, Professor Hadijah Rahmat, has spent more than 25 years studying Munshi Abdullah since her PhD studies in the School of Oriental and African Studies (SOAS), University of London, in 1992 to date. This book is covered in two volumes and is based on her research conducted using unexplored primary sources at several missionaries' archives at SOAS, London, Houghton Library, University Harvard, Library of Congress, Leiden University, KITVL,

Holland, and the Perpustakaan Nasional Indonesia, Jakarta. The book consists of numerous academic papers presented at the regional and international seminars, and also published in international journals and as chapters of books. Besides academic papers, the excerpt of play titled Munshi, sketches, poetry, and song, and interviews by the national media are also included. This book provides new insight into Abdullah's life, backgrounds, writings, his influences and legacies and the reactions and thought provoking views of the western and eastern scholars on Abdullah. The book is indeed the key reference for studies on Munshi Abdullah, Malay literature, and the history of Singapore, Malaysia, and colonialism in Southeast Asia.

Proceedings of the International Conference on Learning and Advanced Education (ICOLAE 2022) Mauliy Halwat Hikmat, Yasir Sidiq, Naufal Ishartono, Yunus Sulistyono, Patmisari, Susiati, 2023-08-29 This is an open access book. The COVID-19 pandemic in the last two years has influenced how educational system works. Online learning became the primal policy taken by all institutions in the world to lower the risk of the virus spread. Despite the drawbacks of the online learning, teachers and students were accustomed with the distant learning through web meetings, Learning Management Systems (LMS) and

other online learning platforms. In that time, topics under digital learning and education 5.0 were the main stakes in academic disseminations. This year some institutions start to conduct their teaching and learning process classically as before the pandemic, others are still continuing online and not few are in hybrid. This leaves a question: what learning reform should be made in post-pandemic era? This conference invites researchers, experts, teachers and students to discuss the coping solutions of the question. It is important for them to contribute to the understanding of re-imaging online education for better futures, innovative learning design, new skills for living and working in new times, global challenge of education, learning and teaching with blended learning, flipped learning, integrating life skills for students in the curriculum, developing educators for the future distance learning, humanities learning in the digital era, assessment and measurement in education, challenges and transformations in education, technology in teaching and learning, new learning and teaching models. Not limited to these, scholars may add another interesting topic related to learning reform in post-pandemic era to present.

The Phantom Prince Elizabeth Kendall, 2020-01-07 The inspiration for the five-part Amazon Original docuseries *Ted Bundy: Falling for a Killer* This updated, expanded edition of *The Phantom Prince*, Elizabeth Kendall's 1981 memoir detailing her six-year relationship with serial killer Ted Bundy, includes a new introduction and a new afterword by the author, never-before-seen photos, and a startling new chapter from the author's daughter, Molly, who has not previously shared her story. Bundy is one of the most notorious serial killers in American history and one of the most publicized to this day. However, very rarely do we hear from the women he left behind—the ones forgotten as mere footnotes in this tragedy. *The Phantom Prince* chronicles Elizabeth Kendall's intimate relationship with Ted Bundy and its eventual unraveling. As much as has been written about Bundy, it's remarkable to hear

the perspective of people who shared their daily lives with him for years. This gripping account presents a remarkable examination of a charismatic personality that masked unimaginable darkness.
