Hunter of Stories Eduardo Galeano, 2017-11-14 The internationally acclaimed last work by the legendary Latin American writer Master storyteller Eduardo Galeano was unique among his contemporaries (Gabriel Garcia Marquez and Mario Vargas Llosa among them) for his commitment to retelling our many histories, including the stories of those who were disenfranchised. A philosopher poet, his nonfiction is infused with such passion and imagination that it matches the intensity and the appeal of Latin America's very best fiction. Comprised of all new material, published here for the first time in a wonderful English translation by longtime collaborator Mark Fried, *Hunter of Stories* is a deeply considered collection of Galeano's final musings and stories on history, memory, humor, and tragedy. Written in his signature style -- vignettes that fluidly combine dialogue, fables, and anecdotes -- every page displays the original thinking and compassion that has earned Galeano decades and continents of renown.

Voices of Time Eduardo Galeano, 2007-04-17 In this kaleidoscope of reflections, renowned South American author Eduardo Galeano ranges widely, from childhood to love, music, plants, fear, indignity, and indignation. In the signal style of his bestselling *Memory of Fire* trilogy--brief fragments that build steadily into an organic whole--Galeano offers a rich, wry history that is both calmly philosophical and fiercely political.

Children of the Days Eduardo Galeano, 2013-04-30 Unfurling like a medieval book of days, each page of Eduardo Galeano's *Children of the Days* has an illuminating story that takes inspiration from that date of the calendar year, resurrecting the heroes and heroines who have fallen off the historical map, but whose lives remind us of our darkest hours and sweetest victories. Challenging readers to consider the human condition and our own choices, Galeano elevates the little-known

heroes of our world and decries the destruction of the intellectual, linguistic, and emotional treasures that we have all but forgotten. Readers will discover many inspiring narratives in this collection of vignettes: the Brazilians who held a smooch-in to protest against a dictatorship for banning kisses that undermined public morals; the astonishing day Mexico invaded the United States; and the sacrilegious women who had the effrontery to marry each other in a church in the Galician city of A Coruna in 1901. Galeano also highlights individuals such as Pedro Fernandes Sardinha, the first bishop of Brazil, who was eaten by Caete Indians off the coast of Alagoas, as well as Abdul Kassem Ismael, the grand vizier of Persia, who kept books safe from war by creating a walking library of 117,000 tomes aboard four hundred camels, forming a mile-long caravan. Beautifully translated by Galeano's longtime collaborator, Mark Fried, *Children of the Days* is a majestic humanist treasure that shows us how to live and how to remember. It awakens the best in us.

Mirrors Eduardo Galeano, 2009-05-26 Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism. *Mirrors*, Galeano's most ambitious project since *Memory of Fire*, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: Official history has it that Vasco Núñez Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind?? Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, *Mirrors* is a magic mosaic of our humanity.

Murder at the Sleepy Lagoon Eduardo Obregón Pagán, 2004-07-21 The notorious 1942 Sleepy Lagoon murder trial in Los Angeles concluded with the conviction of seventeen young Mexican American men for the alleged gang slaying of fellow youth Jose Diaz. Just five months later, the so-called Zoot Suit Riot erupted, as white soldiers in the city attacked minority youths and burned their distinctive zoot suits. Eduardo Obregon Pagan here provides the first comprehensive social history of both the trial and the riot and argues that they resulted from a volatile mix of racial and social tensions that had long been simmering. In reconstructing the lives of the murder victim and those accused of the crime, Pagan contends that neither the convictions (which were based on little hard evidence) nor the ensuing riot arose simply from anti-Mexican sentiment. He demonstrates instead that a variety of pre-existing stresses, including demographic pressures, anxiety about nascent youth culture, and the war effort all contributed to the social tension and the eruption of violence. Moreover, he recovers a multidimensional picture of Los Angeles during World War II that incorporates the complex intersections of music, fashion, violence, race relations, and neighborhood activism. Drawing upon overlooked evidence, Pagan concludes by reconstructing the murder scene and proposes a compelling theory about what really happened the night of the murder.

The Polish Boxer Eduardo Halfon, 2012 The English-language debut of a major Latin American writer.

The Short Sweet Dream of Eduardo Gutierrez Jimmy Breslin, 2010-02-17 The Short Sweet Dream of Eduardo Gutiérrez is a towering achievement by one of America's most respected journalists. A work of conscience that travels from San Matías Cuatchatyotla, a small, dusty town in central Mexico, to the cold and wet streets of Williamsburg, Brooklyn, this searing exposé chronicles the life and tragic death of an undocumented worker, along with broader issues of municipal corruption and

America's deadly and controversial border policy.

Heart of an Orphan's Journey Nj Perez, 2020-01-19 In the aftermath of Castro's destructive influence, Eduardo's path would become one of extreme hardship, and for two decades he would be exiled to war and imprisonment. Never giving up due to the power of Padre's words of wisdom years earlier, Eduardo must somehow come to believe in the dream of a better life.

Brother Eduardo's Mortal Fate Rudy Leeman, 2019-11-09 Near the stable was a door in the basement side of the mansion. Eduardo saw a doorknob and metal plate with the standard slot for a key. He crouched and peered through the keyhole. It was dark inside. He placed his mouth close to the keyhole. Tasha, are you there? An eye looked at him from the inside. An imploring voice came to him through the keyhole: Tasha. Words in Russian, then in Italian: Clean room. Wash clothes. No food if you noise. A torrent of words in Russian followed. Eduardo moved his mouth to the hole and said, Be silent, Tasha. I will save you. Wars break out in Italy over who owns which territories. Child-smuggling runs rampant. Enter King Vittorio Emanuele II of Sardinia. With his army, he gathers most states of the boot into one national group. Soon enough, Eduardo and Rai find themselves drawn into a spy plot by King Emanuele. What the inspectors uncover as auditors for the Holy See, and child trafficking in Rome, reveals secrets that seal the fate of the Vatican. It leads as well to Eduardo's mortal fate.

The Fourth Dimension Eduardo Capistrano, 2020-01-06 The theme for this short story collection by Eduardo Capistrano is Time. Stories inspired by history, set in the past; dystopic visions, dark or well-humored, launched into the future; and narratives about the passage of time, in the contact between generations, in the invocation of memories and in the importance of the briefest of moments. The tales are ordered chronologically and address the diverse relations of man with

Time. The first four are about the past. *Mirrors of the Soul* is a dialogue that exposes the condition of the Renaissance man of science and his relation with the average man, not so different as it happens today. In *Opium Kiss* a Brazilian on the Victorian Age tells how he let himself be seduced by total moral decadence. *First Lieutenant* follows a military man under an abusive command at the early days of the Brazilian Republic. *Carolina with Glasses* shows the strange visions documented in the diary of a girl with fertile imagination. The next four tales happen in the present. A boy tries to understand the capacity for stopping time que learned from his father in *Between Seconds*. A strange signal seems to be the answer to the monotony of the recluse life of a mathematician in *Greetings From the Future*. The title of *Loose Screw* brings the cause to a world coming to its end. *Women and Children First* shows the strength that social conventions have when the cause for a bus accident is revealed. Six tales occur in the future. *The Electric Apple* follows a lonely programmer of artificial intelligences in emotional conflicts with his creations. *Assured Future* brings a humorous dystopia of a future in which corporations rejoice without limits. *On the Assembly Line* discuss the evolution of technology compared to human morals. *Remote Control* shows the brutal oppression of s society controlled through televisions. *Planet Asphalt* is a world dominated by intelligent automobiles. *The Water of Chroma* is a refl

The Secret In Their Eyes Eduardo Sacheri, 2011-10-01 Part haunting crime thriller, part love story - and now a major motion picture, starring Julia Roberts and Nicole Kidman. Benjamin Chaparro is a man haunted by his past - a retired detective, he remains obsessed with the decades-old case of the rape and murder of a young woman. As he revisits the details of the investigation, he is reacquainted with his similarly long, unrequited love for Irene Hornos, then just an intern, now a respected judge. Absorbing and masterfully crafted, *The Secret in Their Eyes* is a meditation on the effects of the passage of time and unfulfilled desire. *The Secret in Their Eyes* was made into the Academy Award winning film of the same name in 2009. Julia Roberts, Nicole Kidman, and Chiwetel Ejiofor now star in the English remake of this gripping story, to be released late 2015. 'Beguiling ... strange, compelling journey through Argentina's criminal-justice system ... El Duelo (The Duel) Eduardo Saldaña Cantú, 2023-10-13 There comes a time when you must put things in writing before they are forgotten and lost forever. That even applies today in spite of the highly advanced society we live in. In this rural community on the river banks of the Rio Grande in the early 1900s when illiteracy predominated, the history and identity of its residents were preserved by story-telling. These “cuentos” often left much to the imagination but still were very entertaining, vivid and memorable (not to be confused with tall-tales). One of the very first stories that I remember hearing was that of a bigger-than-life character who happened to be my grandfather, Don Juan. We were all fascinated by how this man was able to win the admiration and respect of his neighbours at least enough to have stories told about him. Although they were all survivors, they were also all interdependent, and looked for an orientation that could make them believe in themselves. In spite of the many and varied challenges they confronted, many like Don Juan provided a perspective of right and wrong, of commitment to family, of surviving untold suffering, but also of purpose to continue. This story provides a sampling of how this rural community in “El Capote” ranch sought its own destiny from the bare essentials that the river lands could provide. Don Juan may not have been a legend, but he was a pillar of strength, faith and loyalty to a way of life many had no choice but to embrace.

Uselessness Eduardo Lalo, 2017-10-11 Eduardo Lalo is a writer, essayist, and artist from San Juan, Puerto Rico. His many books include the award-winning novel Simone, which we published in

translation. Suzanne Jill Levine is a leading translator of Latin American literature who runs the translation doctoral program at UCSB. A tale of social, spiritual, and intellectual yearning, *Uselessness* follows the life of its narrator, a young Puerto Rican writer studying in Paris, the city of his dreams. There he finds an appreciation of the arts that he has always longed for, yet he remains alienated from it because of his uncertain identity. Meanwhile, he grapples with two long, tumultuous love affairs. He conveys these events in a dark yet witty tone, as if aware of the futility of his youthful follies. After some time he chooses to end perhaps his greatest love affair, that with the city of Paris itself, and return to San Juan. Upon his return, he finds himself just as estranged and alienated at home as he felt abroad. In his writing and academic careers he gains little notoriety, but he tries to help a student whose struggles in many ways reflect his own early days. As he observes this young man's mistakes, the narrator confronts a path he very nearly traveled down himself and, in doing so, accepts his small place in the narrative of countless generations.

The Resurrection of the Body Armando Maggi, 2009-05-15 Italian novelist, poet, and filmmaker Pier Paolo Pasolini was brutally killed in Rome in 1975, a macabre end to a career that often explored humanity's capacity for violence and cruelty. Along with the mystery of his murderer's identity, Pasolini left behind a controversial but acclaimed oeuvre as well as a final quartet of beguiling projects that signaled a radical change in his aesthetics and view of reality. *The Resurrection of the Body* is an original and compelling interpretation of these final works: the screenplay *Saint Paul*, the scenario for *Porn-Theo-Colossal*, the immense and unfinished novel *Petrolio*, and his notorious final film, *Salò or the 120 Days of Sodom*, a disturbing adaptation of the writings of the Marquis de Sade. Together these works, Armando Maggi contends, reveal Pasolini's obsession with sodomy and its role within his apocalyptic view of Western society. One of the first

studies to explore the ramifications of Pasolini's homosexuality, *The Resurrection of the Body* also breaks new ground by putting his work into fruitful conversation with an array of other thinkers such as Freud, Strindberg, Swift, Henri Michaux, and Norman O. Brown.

Global Processes of Flight and Migration Eva Bahl, Johannes Becker, 2020 The case studies in this volume illustrate the global dimension of flight and migration movements with a special focus on South-South migration. Thirteen chapters shed light on transcontinental or regional migration processes, as well as on long-term processes of arrival and questions of belonging. Flight and migration are social phenomena. They are embedded in individual, familial and collective histories on the level of nation states, regions, cities or we-groups. They are also closely tied up with changing border regimes and migration policies. The explanatory power of case studies stems from analyzing these complex interrelations. Case studies allow us to look at both "common" and "rare" migration phenomena, and to make systematic comparisons. On the basis of in-depth fieldwork, the authors in this volume challenge dichotomous distinctions between flight and migration, look at changing perspectives during processes of migration, consider those who stay, and counter political and media discourses which assume that Europe, or the Global North in general, is the pivot of international migration.
