

Elephant&sorty

Kim Tomsic

Elephant's Story Tracey Campbell Pearson,2013-10-22

Elephant finds a book and then sneezes, mixing up all the letters.

The Story of Babar Jean de Brunhoff,1999 Translated from the French, with many absurd and funny pictures, these tales of the popular elephant furnish hours of enjoyment to the young person.-- Elementary English. Full-color illustrations.

Have You Seen Elephant? David Barrow,2016 Elephant wants to play hide and seek. See if you can help the others find him--he's very good at hiding This tale of absurdity is perfect for sharing with children who will love finding Elephant (and being faster at it than the boy in the book). Watch out for the dog and the tortoise, too . . .

An Elephant's Story Jamie Renee Heraver,2018-08-10 An Elephant's Story is a beautifully written and illustrated book that celebrates the human to animal connection. A girl meets an elephant while visiting a sanctuary, and he shares his life story with her. Told in rhyme along with vibrant illustrations, readers will be inspired to think compassionately with an open heart toward all living beings!

Natumi Takes the Lead Gerry Ellis,Amy Novesky,2016 After

losing her mother, shy Natumi is rescued by a team from the David Sheldrick Wildlife Trust, an orphanage for baby elephants. At the shelter, Natumi hides behind keepers' legs to watch the other elephants at the shelter. But soon, she meets several other orphans, and the eight of them play together in the surrounding bush. As the babies become closer and more like a real family, they need a leader, someone they can trust. Can Natumi grow into this role? Join the herd to find out what happens when they travel back into the wild. This sweet story, with its heartwarming photographs, explores the challenges and joys of family, love, and growing up, and is a perfect bedtime tale.

How to Find an Elephant Kate Banks, 2017-11-14 A boy provides instructions as he searches high and low for an elephant, which the reader can find in the illustrations.

Modoc Ralph Helfer, 2009-10-13 Once I started this incomparable story, I couldn't put it down, and I cannot get it out of my mind—nor will I ever. The message of what can be accomplished by training through affection and joy will thrill all animal lovers. —Betty White A captivating true story of loyalty, friendship, and high adventure that spans several decades and three continents, *Modoc* is one of the most remarkable true stories

ever told, perfect for fans of *The Zookeeper's Wife* or *Water for Elephants*. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives, and would be tested time and again: through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. As the *African Sun-Times* put it, *Modoc* is heartwarming. . . probably the greatest love story ever told.

Mela and the Elephant Dow Phumiruk, 2018-03-15 2019

Colorado Book Award Finalist Recognized in The 50 Best Multicultural Picture Books of 2018 *Mela* sets out to explore the river outside her village but quickly ends up in trouble when her little boat is swept downstream and into the dense jungle. She encounters a crocodile, a leopard, and some monkeys, offering each a prize return for helping her find her way home but the animals snatch up their rewards without helping *Mela* back to her village. Just when she's about to give up, an elephant shows *Mela* that kindness is its own reward. This new fable is told with authentic Thai customs and includes an author's note with more Thai traditions and language.

The Elephant Story Tonya Howe, 2018-05-28 This is a true story told through the eyes of a much beloved toy elephant who becomes separated from his boy, and found in a stud wall 30 years later and the surprising events that take place.

The Elephants Come Home Kim Tomsic, 2021-05-18 The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • **TOUCHING ANIMAL FRIENDSHIPS:** Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • **ELEPHANT APPEAL:** Elephants are one of the most fascinating and charming wild animals in all of nature. This heartwarming true story will intrigue and inspire children, and

turn even the most reluctant readers into elephant enthusiasts. •

CONSERVATION THEME: This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments. • **ENGAGING NONFICTION:** There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning. • **STRONG CURRICULUM CONNECTIONS:** The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K–2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators.

Perfect for: • Kindergarten and elementary school teachers • Parents and grandparents • Librarians • Lovers of animals, wildlife, and the natural world • Zoo and natural history museumgoers

The Elephant Vanishes Haruki Murakami, 2010-08-11 In the tales that make up *The Elephant Vanishes*, the imaginative genius that has made Haruki Murakami an international superstar is on full display. In these stories, a man sees his favorite elephant vanish

into thin air; a newlywed couple suffers attacks of hunger that drive them to hold up a McDonald's in the middle of the night; and a young woman discovers that she has become irresistible to a little green monster who burrows up through her backyard. By turns haunting and hilarious, in *The Elephant Vanishes* Murakami crosses the border between separate realities—and comes back bearing remarkable treasures. Includes the story *Barn Burning*, which is the basis for the major motion picture *Burning*.

Noa and the Little Elephant Michael Foreman, 2021-03-04 A heart-warming and aching relevant story about elephant conservation, from picture book legend, Michael Foreman.

The Elephant Dancer Jessica Gunderson, 2012-08 Lali's first mother was an elephant. When she was found and taken in by a hunter as a baby, her elephant mother joined the family, too. Years later, the beautiful animal catches the eye of the queen. Lali fears that she will lose her elephant.

Elephant's Story Harriet Blackford, 2008 A gentle story about an elephant growing up and learning about its world.

An Elephant Story Sheryl Christian, 2013-02-16 An Elephant Story is filled with colorful and vibrant illustrations of elephants. It is a children's book which tells the remarkable and true tale of two

elephants, Shirley and Jenny. A video was created for preschoolers with an animated character reading aloud Shirley and Jenny's story! DVDs will be available for purchase soon. Feel free to watch on YouTube (link below). \$1.00 of every book and DVD sold will be donated to the Elephant Sanctuary in Tennessee.

<http://youtu.be/Wv76L0LS0Gk>

The Elephant's Child Rudyard Kipling, 2005 Because of his satiable curiosity about what the crocodile has for dinner, the elephant's child and all elephants thereafter have long trunks.

The Cowboy and His Elephant Malcolm

Macpherson, 2007-04-01 In the late 1980s, a female baby elephant was born into a herd that lived on the plains of southern Africa. Her mother has carried her for two years, and normally she would have nursed her for five more. But the close-knit family of wild elephants was to face a predator for which it was no match--humans. In a cull, her family was slaughtered in a few moments. Only the newborn female's life was spared. Terrified and bewildered the young elephant was transported to America to be sold. There she met the person who was to change her life forever. Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions. He was raised with a pet bear and as a boy

decided to become a real cowboy. He saw his dream come true in Colorado on one of the larger horse-and-cattle ranches in America. Handsome as a movie star, he became the Marlboro Man and appeared on TV and on billboards around the world. But with the passing of years, and with his own family grown up, he felt the need for something that he could not name. When she came into his life by happenstance, the hurt, vulnerable little elephant tapped the fullness of Bob's empathy, and an incredible bond between the most unlikely of friends was forged. Bob adopted the baby orphan elephant--named Amy--and patiently set about helping her recover from the trauma of her ordeal. He had never seen a real African elephant up close, except in zoos. He was a horseman and breeder of champion quarter horses. But through close observation, gentle training, humor, and endless perseverance, Bob gradually coaxed Amy into overcoming her mistrust of humans, and indeed, her fear of the world. The little elephant became a hand on Bob's ranch, tending to simple chores, riding the fences, and shadowing Bob on his horse. She developed a winning personality, and a strong character, and became a beloved member of the Norris family and partner to the ranch hands. But Bob knew from the start that the ultimate goal was for Amy to

regain her confidence and her independence - even, if it were possible, to go back to the savannahs of Africa. This is the true story of how Amy and Bob came together. No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love.

An Elephant Story for Alex Martha McKown, 2009-03 In *AN ELEPHANT STORY FOR ALEX*, Ellie and Elmo, brother and sister Indian pachyderms, grow up in India. As baby elephants they play and enjoy the wonders of the jungle. They are happy. When they grow bigger they find satisfaction in helping in the chores of the elephant herd. They are happy in their family. They become workers in a lumber mill. All the people workers delight in them. They are happy. The people workers are content and favor them with treats. Find out what happens when Machines replace Ellie and Elmo in their work.

Elephant Story Lorraine Sinetos, 2002 The lives of elephants are described, including a special elephant named Ruby who learned to paint.

Elephant Company Vicki Croke, 2015-04-14 *NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK* The remarkable story of James Howard “Billy” Williams, whose

uncanny rapport with the world's largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill. In 1920, Billy Williams came to colonial Burma as a "forest man" for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted "elephant wallah." In *Elephant Company*, Vicki Constantine Croke chronicles Williams's growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* "This book is about far more than just the war,

or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . Elephant Company is nothing less than a sweeping tale, masterfully written.”—Sara Gruen, The New York Times Book Review

“Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke’s story is an often moving account of [Billy] Williams, who earned the sobriquet ‘Elephant Bill,’ and his unusual bond with the largest land mammals on earth.”—The Boston Globe

“Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again.”—New York Post

“Vicki Constantine Croke delivers an exciting tale of this elephant whisperer–cum–war hero, while beautifully reminding us of the enduring bonds between animals and humans.”—Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, **Elephant&sorty** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.

Download now and let the warmth of these stories envelop your heart.
