Enchantments Kathryn Harrison, 2013-02-26 A NEW YORK TIMES NOTABLE BOOK
“Part love story, part history, this novel is a tour de force [told] in language that soars and sears.”—More St. Petersburg, 1917. After Rasputin’s body is pulled from the icy waters of the Neva River, his eighteen-year-old daughter, Masha, is sent to live at the imperial palace with Tsar Nikolay and his family. Desperately hoping that Masha has inherited Rasputin’s healing powers, Tsarina Alexandra asks her to tend to her son, the headstrong prince Alyosha, who suffers from hemophilia. Soon after Masha arrives at the palace, the tsar is forced to abdicate, and the Bolsheviks place the royal family under house arrest. As Russia descends into civil war, Masha and Alyosha find solace in each other’s company. To escape the confinement of the palace, and to distract the prince from the pain she cannot heal, Masha tells him stories—some embellished and others entirely imagined—about Nikolay and Alexandra’s courtship, Rasputin’s exploits, and their wild and wonderful country, now on the brink of an irrevocable transformation. In the worlds of their imagination, the weak become strong, legend becomes fact, and a future that will never come to pass feels close at hand. Praise for *Enchantments* “A sumptuous, atmospheric account of the last days of the Romanovs from the perspective of Rasputin’s daughter, [told] with the sensuous, transporting prose that is Kathryn Harrison’s

trademark.”—Jennifer Egan “[A] splendid and surprising book . . . Harrison has given us something enduring.”—The New York Times Book Review “[Harrison delivers] this oft-told moment with shocking freshness. . . . Masha re-invents our ideas of Rasputin, and the world of Nicholas and Alexandra is imbued with a glow whose fierceness is governed by the imminence of its loss.”—Los Angeles Times “A mesmerizing novel.”—O: The Oprah Magazine “Bewitching . . . Harrison sets historic facts like jewels in this intricately fashioned work of exalted empathy and imagination, a literary Fabergé egg. . . . [A] dazzling return to historical fiction.”—Booklist (starred review) Look for special features inside. Join the Random House Reader’s Circle for author chats and more.

Book of Enchantments Patricia C. Wrede, 1996 Ten magical short stories by a beloved fantasy author

Wonder Tales Marina Warner, 2012-02-29 Marina Warner has gathered together a magical collection of fairy tales by the great women storytellers of the 17th and 18th centuries. These are passionate, extraordinary, and occasionally proto-feminist retellings of classic fairy stories by women who ingeniously used the fairy tale genre to comment on their own times and experiences. The stories are all in superb new translations by celebrated writers, including A. S. Byatt, Gilbert Adair and John Ashbery. With a brilliant introduction by Marina Warner, recognised as one of our greatest experts on myth and fairy tale.

Stories of Enchantment Jane Pentzer Myers, 1901

The Collected Enchantments Theodora Goss, 2023-02-14 A monumental career retrospective This vibrant collection brings together World Fantasy Award winner Goss's exquisite interpretations of and variations on familiar folk and fairy tales. The [poems and stories] span the length of Goss's career ... All approach well-known stories from unexpected angles and with deep empathy for the characters ... The abundance of pieces sometimes has the effect of a musical fugue: common motifs, places, and characters echo through the works, with each reappearance adding something fresh. —Publishers Weekly A wicked stepsister frets over all the ways in which she failed to receive her mother's love. A lost woman travels through an enchanted forest looking for someone who can remind her of her name. A girl must wear down seven pairs of shoes to gain help from a witch. A fox makes a life with a human, but neither can deny their true natures. A young woman returns to her childhood home and the fantastic stories she left there. A man lets himself be taken prisoner by the Snow Queen to prove that the woman who loves him would walk barefoot through the ice to save him. Medusa cuts her hair for love. The Collected Enchantments gathers retellings of folk and fairy tales in prose and verse from World Fantasy and Locus award-winning author Theodora Goss, creator of The Extraordinary Adventures of the Athena Club series. Drawing from her Mythopoeic Award-nominated collections *In the Forest of Forgetting* and *Songs for Ophelia* and her Mythopoeic Award-winning tome *Snow White Learns Witchcraft*, and adding new and uncollected stories and poems, *The Collected Enchantments* provides a resounding demonstration of how, as Hugo and Nebula award winner Jo Walton writes, Goss provides a vivid, authentic and important voice that, in the words of Science Fiction and Fantasy Writers Association Grand Master Jane Yolen, transposes, transforms, and transcends times, eras, and old tales with ease. PRAISE FOR THEODORA GOSS In the tradition of great modern fantasists like Angela Carter and Marina Warner, Theodora Goss's sublime tales are modern classics-beautiful, sly, sensual and deeply moving . . . I envy any reader encountering Goss's work for the first time. —Elizabeth Hand, winner of the Mythopoeic, Nebula, Shirley Jackson and World Fantasy awards The elegance of Goss's work has never ceased to amaze me. It feels effortless, but endlessly evocative and suggestive, flowing with the rhythms of both the natural world and the intimate socio-familial cosmos. Goss's language fits together like gems in a complex crown, a diadem of images and motifs, resting gently

on the head, but with a deceptive weight. —Catherynne M. Valente, winner of the Mythopoeic, Locus, Hugo, Otherwise and Theodore Sturgeon awards Theodora Goss refreshes and re-clothes old tales in multifarious ways. Through prose and poetry, Goss shines her unique light into the fairytale forest-and many bright eyes gleam back. —Margo Lanagan, Aurealis, Ditmar and World Fantasy award winner With cover art by Catrin Welz-Stein and interior black and white illustrations by Paula Arwen Owen.

Eclipse of Enchantments Daisy Starling,2023-08-06 In the realm of Eldoria, where magic and mystery dance upon the threads of destiny, a tale unfolds that weaves the very fabric of enchantment itself. The land, once basked in the eternal glow of enchantments and wonder, now stands at the brink of an ominous eclipse. For centuries, the moonlit groves whispered secrets to those who dared to listen, and the ancient amulets glowed with the pulse of forgotten spells. Eldoria was a realm where faeries danced beneath starlit skies, and the winds carried the laughter of mystical creatures. Yet, with the passage of time, a darkness has been creeping across the land, threatening to shroud its magic forever. At the heart of this burgeoning darkness lies a prophecy, a prophecy spoken by the Oracle of the Crescent Citadel. A prophecy that foretells the convergence of a mortal soul and the very essence of enchantment, a union that holds the key to either salvation or destruction. As the moon wanes and the stars dim, the once-vibrant tapestry of Eldoria frays at the edges, and the threads of fate begin to tangle. Amidst this backdrop, a young soul named Lyana, with a heart as curious as the mysteries she seeks, stumbles upon an ancient spellbook that holds the potential to shift the balance of power. Drawn into a world of magic she had only dreamed of, Lyana embarks on a journey to uncover the truth behind the fading enchantments and the eclipse that threatens to consume them all. But she is not alone on this journey. Alongside her walks Darian, a brooding guardian of the groves, burdened with his own secrets. Together, they must navigate the treacherous path laid out by the prophecy, facing riddles that defy logic, confronting shadows that hunger for their doubts, and forging alliances with both the seen and the unseen. As they traverse through moonlit glades and forsaken castles, their destinies intertwine with those of the mystical creatures of Eldoria, and the delicate balance between light and darkness hangs in the balance. Will Lyana and Darian unravel the threads of fate in time to save their realm from the encroaching eclipse, or will the enchantments that once defined Eldoria be lost forever? Join us as we journey into a world where enchantments eclipse, destinies entwine, and the very essence of magic is put to the ultimate test. Welcome to the Eclipse of Enchantments. May your imagination be ignited and your spirit be enchanted as we step together into this realm of wonder and danger.

Enchantment Orson Scott Card,2005-05-31 In *Enchantment*, Orson Scott Card works his magic as never before, transforming the timeless story of Sleeping Beauty into an original fantasy brimming with romance and adventure. The moment Ivan stumbled upon a clearing in the dense Carpathian forest, his life was forever changed. Atop a pedestal encircled by fallen leaves, the beautiful princess Katerina lay still as death. But beneath the foliage a malevolent presence stirred and sent the ten-year-old Ivan scrambling for the safety of Cousin Marek's farm. Now, years later, Ivan is an American graduate student, engaged to be married. Yet he cannot forget that long-ago day in the forest—or convince himself it was merely a frightened boy's fantasy. Compelled to return to his native land, Ivan finds the clearing just as he left it. This time he does not run. This time he awakens the beauty with a kiss . . . and steps into a world that vanished a thousand years ago. A rich tapestry of clashing worlds and cultures, *Enchantment* is a powerfully original novel of a love and destiny that transcend centuries . . . and the dark force that stalks them across the ages.

Empire of Enchantment John Zubrzycki,2018-10 India's association with magicians goes back thousands of years. Conjurors and illusionists dazzled the courts of Hindu

maharajas and Mughal emperors. As British dominion spread over the subcontinent, such wonder-workers became synonymous with India. Western magicians appropriated Indian attire, tricks and stage names; switching their turbans for top hats, Indian jugglers fought back and earned their grudging respect. This book tells the extraordinary story of how Indian magic descended from the realm of the gods to become part of daily ritual and popular entertainment across the globe. Recounting tales of levitating Brahmins, resurrections, prophesying monkeys and the most famous trick never performed, *Empire of Enchantment* vividly charts Indian magic's epic journey from street to the stage. This heavily illustrated book tells the extraordinary, untold story of how Indian magic descended from the realm of the gods to become part of daily ritual and popular entertainment across the globe. Drawing on ancient religious texts, early travelers' accounts, colonial records, modern visual sources, and magicians' own testimony, *Empire of Enchantment* is a vibrant narrative of India's magical traditions, from Vedic times to the present day.

Enchantment Kevin Crossley-Holland, Emma Chichester Clark, 2003-11 A treasure house of wonderful tales from England, Scotland, Ireland and Wales that brings together the talents of a brilliant storyteller and a much-loved illustrator. There are stories to make you jump out of your seat, stories about some rather silly people, and many stories of fairy magic and mystery. Kevin Crossley-Holland has been back to their original sources but tells them in his own way, bringing out their zest, humor and spine-shivering beauty. Emma Chichester Clark's illustrations enhance the text to make *Enchantment* a fairy tale book with something for everyone. Includes: the Frog Prince; Billy; Samuel's Ghost; the Changeling; King of the Cats; Charger; the Mule; the Dauntless Girl; Fairy Ointment; Hughbo; Three Heads of the Well; and many more.

The Forest of Enchantments Chitra Banerjee Divakaruni, 2019-01-07 'One of the most strikingly lyrical voices writing about the lives of Indian women' -- Amitav Ghosh 'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita ... this inversion is a gift - it presents us with a way to know an already well-known story better and to love an already beloved story more' -- Arshia Sattar 'This inspired evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity. It brings to life the personalities and predicaments of the Ramayana' -- Namita Gokhale 'Among the many, many Ramayanas there are now even - thankfully - some Sitayanas, but I know of none with the special magic that Chitra Divakaruni ... brings to the telling' -- Philip Lutgendorf 'Chitra Banerjee Divakaruni's Sita ... is an epitome of courage and self-respect, showing a path for all women. While weaving a familiar story, Chitra provides deep and surprising insights' -- Volga 'An incomparable storyteller' -- Denver Post 'Divakaruni's stories are irresistible' -- The New York Times Book Review 'Divakaruni's storytelling talents put her right up there with the best' -- Miami Herald 'In recasting the Ramayan as a love story Divakaruni accords Sita parity with Ram, revealing her innate strength. By giving primacy to her thoughts and feelings this also becomes the private tale of Shri and Shrimati Ramchandra Raghuvanshi, two wonderful people who loved each other but who broke up. To readers well-acquainted with that tragedy of modern times, the failed marriage, it will appeal. The ending, however, surpasses all expectations.' -- The Sunday Standard 'The success of both *The Palace Of Illusions* and *The Forest Of Enchantments* hinges acutely on the skill with which Divakaruni deploys the narratorial voice.' -- Mint 'The Forest of Enchantments is one of the simplest and most beautiful retellings of Sage Valmiki's epic.' -- Jetwings 'Chitra Banerjee Divakaruni does justice to the women of Ramayana ... The Forest of Enchantments is not just a retelling of a much-told epic, rather it is a book that tells it like it is - balanced and non-judgmental.' -- Huffpost 'A work ... of pluralities and possibilities ... This is the Sitayan we will give to our daughters, that they may imbibe Sita's strength, and even more proudly to our sons, who

will learn how a woman is to be treated' -- The Wire 'Banerjee is markedly feminist ... Her spin on the most pivotal moment of Sita's life, the agnipariksha episode, is a moment of feminist brilliance. Her Sita answers all the questions we would have had when listening to the Ramayana while leaving us with plenty of food for thought.' -- The New Indian Express 'Divakaruni's retelling reminds her readers that the Ramayana, besides being a morality tale, is a love story at its heart' -- Huffpost 'Divakaruni and her women characters are a formidable pair' -- The Wire The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!'

Stories of Enchantment (Illustrated Edition) Jane Pentzer Myers, 2016-03-14 A collection of twelve children's fantasy tales, several of which contain Native American elements, illustrated throughout and first published in 1901. This was the author's only book.

Modern Enchantments Simon During, 2004-03-01 Magic, Simon During suggests, has helped shape modern culture. Devoted to this deceptively simple proposition, During's superlative work, written over the course of a decade, gets at the aesthetic questions at the very heart of the study of culture. How can the most ordinary arts--and by magic, During means not the supernatural, but the special effects and conjurings of magic shows--affect people? *Modern Enchantments* takes us deeply into the history and workings of modern secular magic, from the legerdemain of Isaac Fawkes in 1720, to the return of real magic in nineteenth-century spiritualism, to the role of magic in the emergence of the cinema. Through the course of this history, During shows how magic performances have drawn together heterogeneous audiences, contributed to the molding of cultural hierarchies, and extended cultural technologies and media at key moments, sometimes introducing spectators into rationality and helping to disseminate skepticism and publicize scientific innovation. In a more revealing argument still, *Modern Enchantments* shows that magic entertainments have increased the sway of fictions in our culture and helped define modern society's image of itself.

Enchantment Thaisa Frank, 2012-06-08 The short fiction of Thaisa Frank has captivated readers for two decades, and now many of those pieces are collected in one volume, along with several new stories. In the title story, a lonely mother and housewife orders an enchanted man from a website called The Wondrous Traveler, who arrives with instructions for use and a list of frequently asked questions about enchantment. In Thread, two circus performers who pass through the eye of a needle become undone by a complicated love triangle. In Henna, a young writing teacher must contend with an exotic student who will not write, her hands covered in dye and her fingers sprouting innumerable gardens. And in The Loneliness of the Midwestern Vampire, the undead descend upon the heartland of the country and become accustomed to its friendlier way of life, attending barn raisings and feasting on cattle in an attempt to normalize their darker passions. These are vibrant, compelling stories that examine the distance between imagination and reality, and how characters bridge that gap in their attempt to reach one another.

The Uses of Enchantment Bruno Bettelheim, 2010-05-11 Winner of the National Book

Award and National Book Critics Circle Award A charming book about enchantment, a profound book about fairy tales.—John Updike, *The New York Times Book Review* Bruno Bettelheim was one of the great child psychologists of the twentieth century and perhaps none of his books has been more influential than this revelatory study of fairy tales and their universal importance in understanding childhood development. Analyzing a wide range of traditional stories, from the tales of Sindbad to “The Three Little Pigs,” “Hansel and Gretel,” and “The Sleeping Beauty,” Bettelheim shows how the fantastical, sometimes cruel, but always deeply significant narrative strands of the classic fairy tales can aid in our greatest human task, that of finding meaning for one’s life.

Stories of Enchantment Jane Pentzer Myers, 2016-01-16 *Stories of Enchantment* (or the Ghost Flower) was originally published in 1901. It was dedicated to a Kate Winifred. Just between the Land o' Dreams and broad daylight is a beautiful world: where good wishes come true: where the poor and the lonely are rich in castles and friends: and where sorrowful folk are happy. There you may hear the birds singing and children laughing, all day long. The trees are full of blossoms and fruit. The sky is always blue, the grass green and soft. Under the trees dwell the fairies, and against the blue sky is sometimes seen the sheen of angels' wings. On the borders of this land the real and the unreal are so strangely blended that children are puzzled to know where the boundary lies. Just across its borders blooms the little white ghost-flower. It is for you, little girl. J. P. M. (Reprint)

Russian Tales , 2021-09-07 Rediscover the magic of Russian folktales in a breathtaking illustrated edition. This collection of traditional stories will sweep you away to the birch forests and ornate palaces of Russia. You'll meet a mysterious girl born from the snow, a terrifying Baba Yaga, and a series of dauntless heroines and heroes willing to fight dragons and cross fiery rivers. Perfect for: • Fans of fairy tales and folklore • Readers with Russian heritage or interested in Russian culture • Illustration and art lovers • Adults and teens • Collectors of illustrated classics • Fans of the illustrator Dinara Mirtalipova

Out of Nowhere Into Nothing Caryl Pagel, 2020-09-15 Essays on the apparitional, the incomprehensible, and the paranormal in conversation with art, travel, and storytelling The ghosts—literal and figurative—that drive our deepest impulses, disturb our most precious memories, and haunt the passages of our daily lives are present in this collection of sublime meditations on the unbelievable, the coincidental, and the apparitional. Often containing reflections on the art of storytelling, Caryl Pagel’s essays blend memoir, research, and reflection, and are driven by a desire to observe connections between the visual and the invisible. The narrator of Pagel’s essays explores each enigma or encounter (a football coach’s faked death, the faces of women walking, historical accounts of hallucinations, a city’s public celebration gone wrong) as an intellectual detective ascending a labyrinthine tower of clues in pursuit of a solution to an unreachable problem: always curious, and with a sense of profound wonder. *Out of Nowhere Into Nothing* is a sprawling, highly associative consideration of the ways in which the observed material world recalls us to larger narrative and aesthetic truths. Interspersed with documentary-

style photographs, Pagel’s first collection of prose is a radiant, obsessive investigation into the mysteries at the center of our seemingly mundane lives.

This book delves into Enchantments&sorty. Enchantments&sorty is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Enchantments&sorty, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Enchantments&sorty
 - Chapter 2: Essential Elements of Enchantments&sorty
 - Chapter 3: Enchantments&sorty in Everyday Life
 - Chapter 4: Enchantments&sorty in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Enchantments&sorty. The first chapter will explore what Enchantments&sorty is, why Enchantments&sorty is vital, and how to effectively learn about Enchantments&sorty.
3. In chapter 2, the author will delve into the foundational concepts of Enchantments&sorty. The second chapter will elucidate the essential principles that need to be understood to grasp Enchantments&sorty in its entirety.
4. In chapter 3, this book will examine the practical applications of Enchantments&sorty in daily life. This chapter will showcase real-world examples of how Enchantments&sorty can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Enchantments&sorty in specific contexts. The fourth chapter will explore how Enchantments&sorty is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Enchantments&sorty. The final chapter will summarize the key points that have been discussed throughout the book. The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Enchantments&sorty.

Enchantments&sorty Introduction

Enchantments&sorty Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Enchantments&sorty Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Enchantments&sorty : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Enchantments&sorty : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Enchantments&sorty Offers a diverse range of free eBooks across various genres. Enchantments&sorty Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Enchantments&sorty Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Enchantments&sorty, especially related to Enchantments&sorty, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Enchantments&sorty, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Enchantments&sorty books or magazines might include. Look for these in online stores or libraries. Remember that while Enchantments&sorty, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local

library offers eBook lending services. Many libraries have digital catalogs where you can borrow Enchantments&sorty eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Enchantments&sorty full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Enchantments&sorty eBooks, including some popular titles.

FAQs About Enchantments&sorty Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Enchantments&sorty is one of the best book in our library for free trial. We provide

copy of Enchantments&sorty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Enchantments&sorty. Where to download Enchantments&sorty online for free? Are you looking for Enchantments&sorty PDF? This is definitely going to save you time and cash in something you should think about.
