The Story of English in 100 Words David Crystal,2011-10-13 Featuring Latinate and Celtic words, weasel words and nonce-words, ancient words ('loaf') to cutting edge ('twittersphere') and spanning the indispensable words that shape our tongue ('and', 'what') to the more fanciful ('fopdoodle'), Crystal takes us along the winding byways of language via the rude, the obscure and the downright surprising. In this unique new history of the world's most ubiquitous language, linguistics expert David Crystal draws on words that best illustrate the huge variety of sources, influences and events that have helped to shape our vernacular since the first definitively English word was written down in the fifth century ('roe', in case you are wondering).

But Excuse Me that is My Book Lauren Child,2006 When Lola's favorite book is not on the library's shelf, her older brother, Charlie, tries to find another book she will enjoy.

The Story of English Philip Gooden,2013-11-05 Born as a Germanic tongue with the arrival in Britain of the Anglo-Saxons in the early medieval period, heavily influenced by Norman French from the 11th century, and finally emerging as modern English from the late Middle Ages, the English language has grown to become the linguistic equivalent of a superpower, and is now sometimes described as the world's lingua franca. Worldwide, some 380 million people speak English as a first language and some 600 million as a second language. A staggering one billion people are believed to be learning it. English is the premier international language in communications, science, business, aviation, entertainment, and diplomacy and also on the Internet. It has been one of the official languages of the United Nations since its founding in 1945. It is considered by many good judges to be well on the way to becoming the world's first universal language Author Philip Gooden tells the story of the English language in all its richness and variety. From the intriguing origins and changing definitions of common words such as OK, berserk, curfew, cabal, and pow-wow, to the massive transformations wrought in the vocabulary and structure of the language by Anglo-Saxon and Norman conquest, through to the literary triumphs of Beowulf, The Canterbury Tales and the works of Shakespeare. The Story of English is a fascinating tale of linguistic, social and cultural transformation, and one that is accessibly and authoritatively told by an author in perfect command of his material.

I Want a Bedtime Story! (Little Princess) Tony Ross,2016-02-04 Every bedtime the King tells the Little Princess a story before she falls asleep. When he's away on royal business, everyone tries to make up a bedtime story for the Little Princess, but no one is as good as her dad. Finally the palace maid has an idea... Little Princess can discover stories to read to herself at bedtime, in the palace library!

Learn English Through Stories Donald Wells (Professor of English),2021 This English language book is perfect for ESL (English as a second language) learners to help you improve your English grammar and English vocabulary. Learners of any English level and ESL students can benefit from this fun and interesting English learning book. The stories range from beginner English level to Advanced (native) English level... By studying this English learning book you will be able to study English grammar in use and English vocabulary to help build better fluency in English.

Be Kind Pat Zietlow Miller,2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend.With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, Be Kind is an unforgettable story about how two simple words can change the world.

Stories for 3 Year Olds ,2013-09-02 Get ready for a busy day in the garden, a pirate adventure and a trip to the top of a mountain - there's so much to discover! Filled with stories from a host of well-loved authors and illustrators, including Julia Hubery (A Little Fairy Magic, That's What Friends Are For) and Caroline Pedler (Who's Afraid of the Big Bad Bunny?, Super-Duper Dudley!). Includes:Little Bear's Big JumperPirate Piggy WiggyThe Busy, Busy DayIt's My Turn!A Friend Like YouBy the Light of the Silvery Moon

The School for Fathers, an old English Story. By T. G. Talbot GWYNNE (pseud. [i.e. Josepha Heath Gulston.]),1865

The Oxford Book of English Short Stories Antonia Susan Byatt,1999 The Oxford Book of English Short Stories, edited by A. S. Byatt, who has published several collections of short stories, is the first anthology to take the English short story as its theme. The thirty-seven stories featured here are selected from the nineteenth and twentieth centuries, by authors ranging from Dickens, Trollope, and Hardy to J. G. Ballard, Angela Carter, and Ian McEwan, though many draw ingeniously from the richness of earlier English literary writing. There are all sorts of threads of connection and contrast running through these stories. Their subjects vary from the sublime to the ridiculous, from the momentous to the trivial, from the grim to the farcical. There is English empiricism, English pragmatism, English starkness, English humour,English satire, English dandyism, English horror, and English whimsy. There are examples of social realism, from rural poverty to blitzed London; ghost stories and tales of the supernatural; surreal fantasy and science fiction. There are stories of sensibility, precisely delineated, from Hardy'sreluctant bride to the shocked heroine of Elizabeth Taylor's The Blush, from H. E. Bates's brilliant fusion of class, sex, death, and landscape, to D. H. Lawrence's exploration of a consciousness slowly detaching itself from its world. There are exuberant stories by Saki and Waugh, Wodehouse andFirbank, with a particularly English range from high irony to pure orchestrated farce. The very range and scope of the collection celebrates the eccentric differences and excellences of English short stories Some of A. S. Byatt's choices clearly take their place in the grand tradition of story-telling, while others are more unusual.Many break all the rules of unity of tone andnarrative, appearing to be one kind of story before unexpectedly turning into another. They pack together comedy and tragedy, farce and delicacy, elegance and the grotesque, with language as various as the subject-matter. As A. S. Byatt explains: 'My only criterion was that those stories I selectedshould be startling and satisfying, and if possible make the hairs on the neck prickle with excitement, aesthetic or narrative.'

The Cambridge History of the English Short Story Dominic Head,2016-11-14 The Cambridge History of the English Short Story is the first comprehensive volume to capture the literary history of the English short story. Charting the origins and generic evolution of the English short story to the present day, and written by international experts in the field, this book covers numerous transnational and historical connections between writers, modes and forms of transmission. Suitable for English literature students and scholars of the English short story generally, it will become a standard work of reference in its field.

The Day Punctuation Came to Town Kimberlee Gard,2019-08-01 There's a new family in town: the Punctuations! When Exclamation Point, Question Mark, Period, and Comma join the letters at school, they form words like Wow! and Why? and Yes. But Comma isn't sure where he belongs. He just seems to get in the way. Is he really important? Kids, parents, and teachers will enjoy this latest installment in the Language Is Fun series. With colorful illustration and clever wordplay, The Day Punctuation Came to Town is a wonderful introduction to punctuation and the important role it plays in language.

Great English Short Stories Paul Negri,2005-08-01 Saki's Tobermory tells the tale of a talking cat who's conversation turns toward the scandalous remarks he's overheard. Additional selections include Hardy's The Fiddler of the Reels, Dickens' The Haunted Hotel, Trollope, The Parson's Daughter of Oxney Colne, Lawrence, The Prussian Officer, Kipling, The Phantom Rickshaw, Wells, Under the Knife, and others.

The Stories of English David Crystal,2005-09-06 A groundbreaking history of worldwide English in all its dialects, differences, and linguistic delights: “Informative . . . distinctive . . . a spirited celebration.” —The Guardian In this “well-informed and appealing” work (Publishers Weekly), David Crystal puts aside the usual focus on “standard” English, and instead provides a startlingly original view of where the richness, creativity, and diversity of the language truly lies—in the accents and dialects of nonstandard English users all over the world. Whatever their regional, social, or ethnic background, each group has a story worth telling, whether it is in Scotland or Somerset, South Africa or Singapore. He reminds us that for several hundred wonderful years, there was no such thing as “incorrect” English—and traces the evolution of the language from a few thousand Anglo-Saxons to the 1.5 billion people who speak it today. Moving from Beowulf to Chaucer to Shakespeare to Dickens and the present day, Crystal puts regional speech and writing at center stage, giving a sense of the social realities behind the development of English. This significant shift in perspective enables us to understand for the first time the importance of everyday, previously marginalized, voices in our language—and provides

an argument too for the way English should be taught in the future. “A work of impeccable scholarship [that] could easily serve as a standard textbook for students of linguistics, but Mr. Crystal, reaching out to a more general audience, recognizes that even the most avid reader might flinch at the sections on Old Norse grammatical influence. Cleverly, he has sprinkled the book with little digressions, set apart in boxes, that address historical mysteries, strange loanwords, interesting etymologies and the like.” —The New York Times “Learned and often provocative . . . demonstrates repeatedly that common conceptions about language are often historically inaccurate—split infinitives bothered no one until recently (likewise sentence-ending prepositions).” —Kirkus Reviews (starred review) “Simply the best introductory history of the English language family that we have. The plan of the book is ingenious, the writing lively, the exposition clear, and the scholarly standard uncompromisingly high.” —J.M. Coetzee, winner of the Nobel Prize in Literature

Stories from English History from the Earliest Times to the Present Day Albert Franklin Blaisdell,1901

The Inside Story on English Spelling Paquita Boston,2014-01-03 Ever wondered why ‘his’ doesn’t have a Z? Or what on Earth is O doing in ‘won’? Ever asked why GH is in through? Or what is the point of silent letters? At last a book which spills the beans on English spelling. English spelling has rules and lots of them. Paquita Boston explains why English spelling is so difficult, much harder than spelling in most other languages. Boston also reveals the various codes that govern English spelling and describes how these codes are keys to hidden treasure, the cultural inheritance of all English speaking people. Boston treats spelling as a game as serious as any sport, with as many rules and as many game changes. After reading this book you’ll actually enjoy spelling and no longer view English as a ‘funny language without many spelling rules’. Instead, you will want to share the inside story on English spelling with young and old.

The Oxford Book of English Ghost Stories Michael Cox,R. A. Gilbert,2008 The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.

Imagine That Jonathan D. Voss,2019-07-16 Beloved characters Hoot and Olive return in this beautiful picture book about imagination, rainy day adventures, and the spirit of friendship. Olive is a little girl with a big, bright imagination. Hoot is her stuffed-animal owl...and her best friend. The two love adventures of all sorts. But on the rainiest of days, there is only one thing to do: stay inside and imagine a whole new world. Just as they’re about to begin their adventure, Hoot makes a shocking discovery—his imagination is broken! Like the best of best friends, Olive comes up with some ideas to help him. But nothing is working: not the head unscrambler, the earmuffs, or the hypnosis. Just as the two are about to give up, Olive remembers the secret ingredient to imagination, and they give it one more try. Fans of Winnie-the-Pooh and Christopher Robin, George and Martha, and Frog and Toad are certain to fall in love with the next adventure in the Hoot & Olive series.

The Penguin Book of English Short Stories Christopher Dolley,2011 The Golden Age of the English short story lies from its first wide acceptance in the middle of the 19th century until the middle of the 20th. This book celebrates this period through some of the most widely known writers of the time.

The Oxford Book of English Detective Stories Patricia Craig,1992 Essential reading for all armchair detectives, this collection of 33 classic whodunits is the cream of crime writing.

Types of the Short Story: Selected Stories With Reading Lists Benjamin Alexander Heydrick,2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
