**Escape** Ming Chen, Wah Chen, 2021-05-04 CLING. Don't let go. Hold tight. Never give up. FLY. Rev up. Lift off. Soar. PEDAL. Set off. Cycle. Pedal for your life. Throughout history, ordinary people have been forced to leave their families and homes because of war, famine, slavery, intolerance, economic and political upheaval, or climate change. These remarkable true stories of escape show how courageous people all around the world have overcome seemingly insurmountable obstacles in their flight to freedom. An arresting collection of deep, accessible stories of people on the move—Kirkus Reviews, STARRED A remarkable and beautifully illustrated book which helps children understand what it's like to be in someone else's shoes. The extraordinary achievement is that it is still such a delight to read—Emily Maitlis, BBC newsreader A compelling and inspiring book that contains an array of personal accounts of heroic value, many of which aren't included in elementary school textbooks. This will undoubtedly be an invaluable resource for educators and students alike—Manhattan Book Review, 5 STARS Highly recommended for ages 9 to 80!"—Reading Pebbles Both inspirational and moving. The outcome of each story is full of hope with a focus on positive achievements and outcomes without making light of the difficulties faced—North Somerset Teachers' Book Awards

**Escape From Hell** Alfréd Wetzler, Jozef Lánik, 2007-04 Alfred Wetzler was a true hero. His escape from Auschwitz, and the report he helped compile,

telling for the first time the truth about the camp as a place of mass murder, led directly to saving the lives of 120,000 Jews: the Jews of Budapest who were about to be deported to their deaths. No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them. This book tells Wetzler's story. - Sir Martin Gilbert Wetzler is a master at evoking the universe of Auschwitz, and especially, his and Vrba's harrowing flight to Slovakia. The day-by-day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching. ...] Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men, who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans. - From Introduction by Dr Robert Rozett] Together with another young Slovak Jew, both of them deported in 1942, the author succeeded in escaping from the notorious death camp in the spring of 1944. There were some very few successful escapes from Auschwitz during the war, but it was these two who smuggled out the damning evidence - a ground plan of the camp, constructional details of the gas chambers and crematoriums and, most convincingly, a label from a canister of Cyclone gas. The present book is cast in the form of a novel to allow factual information not personally collected by the two fugitives, but provided for them by a handful of reliable friends, to be included. Nothing, however, has been invented. It is a shocking account of

Nazi genocide and of the inhuman conditions in the camp, but equally shocking is the initial disbelief the fugitive's revelations met with after their return. Ewald Ousers has translated over 150 books and received many translation prizes and honours.

**The Escape Book 2** Ivan Tapia, 2019-10-01 Will you get to the Orwellians before the Wanstein Club get to you? The clock is ticking... Based on the global phenomenon of Escape Rooms, and following on from the international bestseller The Escape Book by Ivan Tapia, this book puts your ingenuity, wit and perseverance to the test with even more fiendish challenges, puzzles, and enigmas that you must solve to thwart the sinister Wanstein Club. Investigative journalist Candela Fuertes is at rock bottom: her fight against Castian Warnes, the head of the powerful and sinister Wanstein Club, has undermined her credibility as a journalist, and meanwhile she suspects Warnes is behind the car accident that put her boss in hospital. Corroded by the thirst for revenge, she decides to turn to the only people who can help her

in a cause that seems already lost: the Orwellians, a group of hackers hell bent on revealing the secrets of the rich and famous. In order to get to the Orwellians, you and Candela must follow their trail all over London. The chapters of the book are jumbled up, and to know where to continue reading, you must solve the puzzles, optical illusions, conundrums and anagrams that you find. Each time you solve a puzzle, the number you arrive at will indicate the page from which you can continue the story.

The collection of tales in The Greatest Escape Stories Ever Told is gripping as only true life-and-death struggles can be: Papillon fighting through the jungles of Guiana only to commit himself to the open ocean in a sixteen-foot boat rather than face a life in exile; Rocky Gause dodging bullets as he swims through shark-infested waters to escape the Japanese at Bataan, while those around him simply quit; Latude battling against the dreaded Bastille; Baron Trenck—with chains covering almost every inch of his body—digging and digging to free himself from wrongful imprisonment; Andre Devigny, so weak from starvation and poor treatment that he could barely lift himself, shimmying across a rope only yards above a German sentry during World War II on the eve of his execution. These are just a few of the twenty-five bold and ingenious tales of escape included in this collection. The Greatest Escape Stories Ever Told will hold readers captive for years to come!

**Escape from Slavery** Francis Bok, 2007-04-01 In this groundbreaking modern slave narrative, Francis Bok shares his remarkable story with grace, honesty, and a wisdom gained from surviving ten years in captivity. May, 1986: Selling his mother's eggs and peanuts near his village in southern Sudan, seven year old Francis Bok's life was shattered when Arab raiders on horseback, armed with rifles and long knives, burst into the quiet marketplace, murdering men and women and gathering the young children into a group. Strapped to horses and donkeys, Francis and others were taken north, into lives of slavery under wealthy Muslim farmers. For ten years, Francis lived alone in a shed near the goats and cattle that were his responsibility. Fed with scraps from the table, slowly learning bits of an unfamiliar language and religion, the boy had almost no human contact other than his captor's family. After two failed attempts to escape-each bringing severe beatings and death threats-Francis finally escaped at age seventeen, a dramatic breakaway on foot that was his final chance. Yet his slavery did not end there, for even as he made his way

toward the capital city of Khartoum, others sought to deprive him of his freedom. Determined to avoid that fate and discover what had happened to his family on that terrible day in 1986, the teenager persevered through prison and refugee camps for three more years, winning the attention of United Nations officials and being granted passage to America. Now a student and an anti-slavery activist, Francis Bok has made it his life mission to combat world slavery. His is the first voice to speak for an estimated twenty seven million people held against their will in nearly every nation, including our own. *Escape from Slavery* is at once a riveting adventure, a story of desperation and triumph, and a window revealing a world that few have survived to tell.
