

Estrella

Elise Estrella

Estrella's Quinceañera Malin Alegria,2007-05-22 In this touching debut novel, Estrella Alvarez is about to turn 15, and there's nothing her meddling mother and T'a Lucky want more than to throw her a gaudy quinceañera--a party that Estrella would rather avoid.

House of Estrella Marlin Scott Collins,2022-01-15 The curse was with the trauma. It was with growing up that the winds of it affected my life. The scene changed with identity and personality. It became many who were lost.

Star in the Forest Laura Resau,2012-03-13 Zitlally's family is undocumented, and her father has just been arrested for speeding and deported back to Mexico. As her family waits for him to return—they've paid a coyote to guide him back across the border—they receive news that he and the coyote's other charges have been kidnapped and are being held for ransom. Meanwhile, Zitlally and a new friend find a dog in the forest near their trailer park. They name it Star for the star-shaped patch over its eye. As time goes on, Zitlally starts to realize that Star is her father's "spirit animal," and that as long as Star is safe, her father will be also. But what will happen to Zitlally's dad when Star disappears? "A vibrant, large-hearted story."—Publishers Weekly, Starred (on Red Glass)

Estrella's Quinceañera Malín Alegría,2006 Estrella's mother and aunt are planning a gaudy, traditional quinceañera for her, even though it is the last thing she wants.

Thoughts of Reason, Thoughts to Dare, Thoughts That Stir and Thoughts of Care Estrella,2001-12-11 This is a selection of sayings, prose and poetry compiled from a collection written by Estrella, it covers life themes such as friendship and love, the pain of growth and the wonder of life. Its candour offers you the ability to transport yourself through thoughts into your questioning mind and gives you wings to explore and express yourself, your thoughts, emotions and desires. They are thoughts shared for you and for those who may be pondering these very questions.

Heavenly Bodies Frederick A. De Armas,1996 Heavenly bodies is the first book in English dedicated to an analysis of La estrella de Sevilla (The Star of Seville) since the 1930s when Sturgis A. Leavitt set out to prove that this Spanish Golden Age play was written by Andres de Claramonte. In this reevaluation of La estrella de Sevilla, the question of authorship is once again discussed, but it is not the main focus of this collection of essays. The eighteen essayists in this book set out to reexamine the play in order to understand the fascination that this puzzling and problematic work has exerted over critics, theatergoers, and readers over the last three and a half centuries. Throughout La estrella de Sevilla, its eponymous heroine serves as an object of other characters' perceptions, constructions, and manipulations. King Sancho, his advisor Don Arias, Sancho Ortiz, and even Estrella's brother Busto Tabera repeatedly define her from their own perspectives and on their own terms. In her material aspect, Estrella is Sancho's subject, a human inhabitant of Castile. Celestially speaking, the King first identifies Estrella with Saturn, then later in the play refers to her instead as a fixed star. Thus, in the eyes of those who attempt to define her, Estrella Tabera occupies multiple realms: she partakes of generation and corruption in the sublunary spheres, but at the same time she is assigned to both the seventh and eight ptolemaic spheres. The contributors to this volume both perceive and fashion multiple contexts for La estrella de Sevilla, echoing the multiplicity of realms in which she abides within the text. The essays range from studies of how the play was performed to analyses of specific figures and themes. The many approaches utilized, including theories by Derrida, Foucault, Iser, Kermode, Lacan, Ong, and Said, serve to point to the richness and complexity of this comedia from the Spanish Golden Age.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Charlie Estrella Theodore Huntington,2021-12-27 He's the greatest musician the world has ever seen, or heard. But what is the secret behind Charlie Estrella's magical musical gifts? In the second book in Theodore Huntington's 'The Storm Trilogy', we follow a tale of another supernatural hero - in the real world. This time, it is young Charlie Estrella who is granted his greatest wish by the Storm. But can he find his true destiny in time, or will he be thwarted by his evil foes?

Yellow-beblue Ana Estrella,2023-04-21 About the Book Yellow-beblue has too many feelings to sort. Yellow-beblue's feelings are interlaced and confusing. She feels icky and blue, but a friend shows up to help her figure them out. After many potions and tricks they finally find the cure to the icky feeling. Yellow-beblue is a complex, cute, and charming character who has very confusing feelings, but throughout the story, she learns to navigate through all the confusing and icky feelings and learns to self-soothe and regulate. The magical and colorful characters contained in this story will make children laugh and want to read the stories again and again. The author hopes children continue to learn positive socioemotional skills that will teach them to resolve conflict, soothe, and cope with complex feelings. The author also hopes children have fun and laugh their way through this book, but also learn skills that will last a lifetime. About the Author Ana Estrella is the mother of two children who were her inspiration to become a better mother and eventually a teacher. After twenty years as a preschool teacher, she wants to share her insights with frustrated parents who want to teach their children self-regulation. Estrella is actively involved in children's education and works in the childhood education field, sometimes mentoring parents, young teachers, and children. She enjoys life and nature; they are her therapy from the troubles of the world. She has learned that children learn better through play, so funny and engaging characters will be sure to keep their attention and will teach them tools that will help them to self-soothe and regulate their urges.

Starkishia Starkishia,Vickie Barlow,Meredith Coleman McGee,2014-05-18 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. Meredith Coleman McGee, Acquisition Editor Meredith Etc., a small press Jackson, Mississippi, USA www.meredithetc.com

Horizons of the Sacred Timothy M. Matovina, Timothy Matovina, Gary Riebe-Estrella, 2002 Horizons of the Sacred explores the distinctive worldview underlying the faith and lived religion of Catholics of Mexican descent living in the United States. Religious practices, including devotion to Our Lady of Guadalupe, celebration of the Day of the Dead, the healing tradition of curanderismo, and Good Friday devotions such as the Way of the Cross (Via Crucis), reflect the increasing influence of Mexican traditions in U.S. Catholicism, especially since Mexicans and Mexican Americans are a growing group in most Roman Catholic congregations. In their introduction, Timothy Matovina and Gary Riebe-Estrella analyze the ways Mexican rituals and beliefs pose significant challenges and opportunities for Catholicism in the United States. Original essays by theologians, historians, and ethnographers provide a rich interdisciplinary dialogue on how religious traditions function for Mexican American Catholics, revealing the symbolic world at the heart of their spirituality. The authors speak to the diverse meanings behind these ceremonies, explaining that Mexican American (and other Latino) Catholics use them to express not only religious devotion, but also ethnic identity and patriotism, solidarity, and, in some cases, their condition as exiles. The result is a multilayered vision of Mexican American religion, which touches as well on issues of racism and discrimination, poverty, and the role of women.

La estrella vacia Luis Spota, 1950

My Heartbeat Estrella Trevino, 2018-05-09 This book is written with intensity and passion. Estrella Trevino has conceived a collection of prose which reads as soulful as The Rose of Sharon in the Song of Solomon. Having experienced a profound love, its loss is palpable. With a broken heart, so intensely painful, it is reminiscent of a death; with words will move the reader to tears. It is by our wounds that we are often saved; having been lost to the depths of a love, dragging our aching hearts, filled with despair, into the light of a new day. A new life, new awareness and awakenings are found in its aftermath. The exquisite writings of Estrella, will take you on a journey to self-love. Beautifully executed, inspiring and touching. This is a treasure trove of classically poetic words. Brenda-Lee Ranta, author of A Soul Passenger

Book of Estrella Rachel Green Notebook, Estrella Book Journal, 2019-08-29 Estrella Journal. A beautiful, elegant, bold, & personalized notebook with the name Estrella. Little North Star Wendy Ramirez, 2014-10-29 It is a story filled with love and hope that takes you on a journey through the sky, never losing the meaning of finding someone or something that will bring all the joy to the world of two little stars. They visit places where many of us wish to explore and give us a glimpse of what beauty is in our skies. It is a story that will be cherished and shared with love to all who read it.

The Star of Seville Lope de Vega, 1955

Rebel Mine Elise Estrella, 2014-10-16 Unang kita pa lang ni Frederick James Trinidad kay Camilla Herrera, crush na niya ito. At nang una silang bigyan ng kani-kanilang dog tags bilang Sentinels, naisip na niyang ibigay iyon sa dalaga. Kaso nahihiya siya. Oo, kung anong tapang niya kapag kaharap ang mga rebelde, siya namang torpe niya kay Cammie. Isang beses, naisip niyang wala siyang mararating kung hindi susubukan. Sinimulan niya sa pag-aya ritong mag-lunch. Sulit naman ang pagharap sa 'takot' niya dahil gusto rin pala siya ng dalaga. Ngunit nagsisimula pa lamang sila ay kailangan na ni Derick na sirain ang pagtitiwala nito—upang kuhanin naman ang tiwala ng isang rebeldeng heneral na

Magnificence Estrella D. Alfon, 1960

The Estrella de Sevilla and Claramonte Sturgis Elleno Leavitt, 1931 Argues that Andrés de Claramonte, not Lope de Vega, is the author of 'La Estrella de Sevilla'.

Sentiments Estrella Sayson Monzon, 2008-02 The book Sentiments was written by the author in a span of several decades and through the years, found herself emoting feelings which she expressed in writing. Her life had ups and downs there were times when she wanted to give up, but also did not want to fail. She faced her disappointments and failures in life, and emerged out of depression with strength, confidence, self-discipline, and developed compassion towards the less unfortunate. Her poetry expresses her love for family, sentiments and feelings towards others, with hopes to reach out and touch other lives through writing. She desires to be an inspiration to others who have hidden creative talents. This book also contains artistic photography that the author took herself, and some family photos with childhood memories.

THROUGH ROSE-COLORED GLASSES Rose Tan, Marione Ashley, Maricar Dizon, Mariane Reign, Maan Beltran, Luna King, Jasmine Esperanza, Heart Yngrid, Gypsy Esguerra, Elise Estrella, Char Arkaina, C.D. De Guzman, Camilla, Cady Lorenzana, 2022-07-07 May mga pangyayaring dumarating sa buhay natin na `di natin inaasahan. Minsan, magandang balita ang dala nito. Minsan, parang parusa. Mabigat sa dibdib, nakakapanlumo, nakakalungkot, matinding pagsubok sa ating magpakatatag. Pero sa mga pagkakataon ding iyon ay nakikilala natin kung sino at ano tayo para sa ibang tao. Matatagpuan ba natin ang ating sarili na nag-iisa sa pakikibaka? O daragsa ang tulong, ang malasakit, ang pagmamahal, ang pag-asa? In this collection of short stories from your beloved PHR authors comes a message of inspiration, of love, of hope. Pinagsama-sama para sa iisang layunin: na nagkakaisa ang lahat para sa isang kaliga, kaibigan, kapatid. Para kay Angel Bautista. Read our stories and see the light beyond the darkness, the good despite the bad. A world that may be in despair but can still be beautiful as seen THROUGH ROSE-COLORED GLASSES. - Georgette Gonzales
