River Woman Martha Stinson,2022-03-23 *River Woman* By: Martha Stinson Southern West Virginia in the early 1940's is seen through the eyes of thirteen-year-old Rebecca Lynn Carver in *River Woman*. She tells the stories, and sometimes secrets, of the families who live on the mountain and in the small town of Glade Springs along the New River in Fayette County. Triumph for some, tragedy for others, everyone has a tale.

I'm Not from Here Will Willimon,2015-11-17 With *I'm Not from Here*, popular writer Will Willimon returns to fiction with a story of spiritual discovery set in a Southern town. Will takes us on a Don Quixote-like journey during which young Felix Goforth Luckie learns a great deal about the world, about other people, and about a God who shows up in the oddest places, in the strangest times, and among the unlikeliest people. On a quest to discover himself, Felix is discovered by the grace of God. In homage to Dostoevsky, Cervantes, and the Bible, Willimon creates a world that is thoroughly believable, realistic, and ordinary, yet at the same time fantastic, strange, and funny. In Galilee, Georgia, young Felix finds that things are not as they first appear, people are wonderfully mysterious, and God is unavoidable. At times odd, frequently very funny, both satirical and poignant, *I'm Not from Here* is a rollicking tale, a light-hearted parable with serious intent. Willimon's first novel, *Incorporation*, was widely acclaimed for its satire, honesty, and theological depth. While this his second novel differs considerably, *I'm Not from Here* is equally surprising and entertaining, showing Willimon's gifts as a masterful storyteller. Even as the parables of Jesus reveal things to us that could not be seen except through fiction, so this novel is not only engaging but also revealing.

The Greatest Works of Carson McCullers Carson McCullers,2023-12-23 McCullers was an American novelist, short-story writer, playwright, essayist, and poet. McCullers' work is often described as Southern Gothic and indicative of her southern roots. Critics also describe her writing and eccentric characters as universal in scope. Her stories have been adapted to stage and film. Contents: The Heart is a Lonely Hunter – A moving saga of the struggles of a lonely deaf man after his one and only mute-friend is consigned to a mental asylum. Clock Without Hands – A poignant re-examination of racial prejudices during the volatile 60s when a bunch of disparate people come together under court-ordered integration. Reflections in a Golden Eye – An intriguing tale of homosexuality, extra-marital affair, and unfulfilled desires inside the shrouded Army life. Private Ellgee Williams, a solitary man full of secrets and desires, has served for two years and is assigned to stable duty. After doing yard work at the home of Capt. Penderton, he sees the captain's wife nude and becomes obsessed with her. Capt. Penderton, as a closeted homosexual, realizes that he is physically attracted to Pvt. Williams, but remains unaware of the his attraction to his wife, Leonora. What will be the outcome of this love triangle? Who will win and who will lose?

Everybody Sneezes! Juliette Moon,2019-11-10 It's highly impossible to sneeze without closing your eyes! Can you imagine eating a chocolate and strawberry double-dip ice cream cone in extreme heat, and then you sneeze? Your nose plunged into the first scoop, when your head tilted! Now you have ice cream splattered on your nice clothes, after tripping over a dip in the sidewalk! Santé finds herself investigating why nature is not so kind after sneezing repeatedly. She learns a lot about the immune system. But most of all, it is the story of a selfless preteen who meets no strangers, and finds friendship through enduring acts of kindness. Designed for middle grades, the unparalleled humor and popular themes are meant to be enjoyed by all readers.

Armageddon in Retrospect Kurt Vonnegut,2008-04-01 The New York Times bestseller from the author of Slaughterhouse-Five—a “gripping” posthumous collection of Kurt Vonnegut’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today’s world. Includes an Introduction by Mark Vonnegut

Word Mykel Mitchell,2005-01 Presents why and how a member of the hip-hop generation turned from the life and became a Christian without losing his style, and how he answers such questions as Why does God need my money? and What's the big deal with sex anyway?

Degsy Hay, A Juvenile Redeemed Brian S Montgomery,2018-12-04 Sixteen-year-old Degsy is roughing it on the snowy streets of London with no one for company but Sadface, the three-legged dog he saved from the bins. He’s spent his whole life in and out of jail, rising to power as the gaffer, dealing, cracking skulls, but he always looks after his own and those who can’t look after themselves. He learnt that from Gladys – the little old lady whose life he saved when he was a kid – and from his violent, drug-addicted mum, who

showed him exactly what it feels like to be powerless and alone. He was cut from her belly, kicking and screaming, in a prison cell and spent his first four years there in hell. It was tough – he has the scars to prove it – but he has no idea how tough until he finds her diary: The Devil’s Book. Her cheerful boasts of violence, humiliation and torture leave him breathless. Then her evil scrawl gets darker still, and sexual, and just as he is about to discover the full horror of his childhood, he finds that the pages he needs to read are missing. But he must look forward now. He’s determined to keep his nose clean. He can’t go back to prison, not again. He wants to make a better life for himself. And he wants to help others, too: kids in gangs, like he was, the homeless, the elderly, like Gladys – he can’t bear the thought of them getting beaten up or feeling like prisoners in their own homes. He has a vision. He wants to turn an abandoned school and hospital into a housing project for young people – Unit 16-21. It will cost millions of pounds, and he can’t even afford a bag of crisps, but it’s a dream that keeps him warm at night (along with hooch, weed and the pills that the vet gave him for Sadface’s injuries). He wants to change the world ... but the world has other ideas. See, he takes on a final job to score a little cash – dumping a scooter for the TWC, a gang with a reputation for violence and connections to a mysterious crime lord with eyes, ears and guns on every corner: MR-K. It turns out the scooter was used to mow down a copper, and members of the TWC take photos of him dumping it. Now he’s just waiting to be arrested for a crime he didn’t commit. And then there’re the kids to worry about: more and more missing kid posters are pasted all over London, and when his mate, Dipper, goes missing, he knows that it’s a problem he can’t ignore. As Degsy searches for the truth about his past, the whereabouts of the missing children and a better way of life, losing the game of cat and mouse with street predators and the police, he is slowly drawn back into a world of trouble that he will be lucky to escape with his life intact. But Degsy’s is a story of transformation and redemption, of strength and hope, of holding onto an impossible dream and watching it become a reality ... no matter what the cost.
