Glenn Danford Bradley

The Express Robert C. Gallagher, 2008-09-02 "He could do it all, beat every opponent . . . except one." -plaque honoring Ernie Davis, in the lobby of Elmira Free Academy Ernie Davis was an All-American on the gridiron, and a man of integrity off the field. A multi-sport high school star in Elmira, New York, Davis went on to Syracuse University, where as a sophomore he led his team to an undefeated season and a national championship in 1959, and earned his nickname, the Elmira Express. Two seasons later, Davis had broken the legendary Jim Brown's rushing records, and became the first black athlete to be awarded the Heisman Trophy. The number one pick in the 1962 NFL draft, Davis signed a contract with the Cleveland Browns and appeared to be headed for professional stardom. But Davis never ended up playing in the NFL: He was diagnosed with leukemia during the summer before his rookie season and succumbed to the disease less than a year later. In battling his illness, Davis showed great dignity and courage, inspired the nation, and moved President John F. Kennedy to eulogize him as "an outstanding man of great character." An enduring story of a true scholar-athlete, The Express is a touching, impeccably researched, deeply personal portrait of Ernie Davis, and a vivid look at sport in America at the dawn of the Civil Rights era.

Kate Shelley and the Midnight Express Margaret K. Wetterer, 2016-01-01 Kate stared at the rickety wooden bridge. There were boards loose on its narrow walkway. There was no railing to hold on to. She was afraid to cross this bridge even in daylight. But she had to cross it now. She had to get to the train station in time to stop the midnight express. When a heavy storm destroyed the bridge over Honey Creek, near Kate Shelley's home in Moingona, Iowa, fifteen-year-old Kate bravely rushed out into the storm, saving the lives of two men and preventing hundreds of other lives from being lost. This is the true story of a young girl's resourcefulness and courage in the face of great danger.

The Polar Express Chris Van Allsburg, 2014-10-02 Late on Christmas Eve, after the town has gone to sleep, a boy boards a mysterious train that waits for him: the Polar Express bound for the North Pole. When he arrives there, Santa offers him any gift he desires. The boy modestly asks for one bell from the reindeer's harness. It turns out to be a very special gift, for only believers in Santa can hear it ring. Magical glowing double spread pictures . . . an original and memorable book. - Guardian Evocative, realist pastels and atmospheric text. - Sunday Times A thrilling tale. - Independent

The Story of the Pony Express Glenn D. Bradley, 2019-09-25 Reproduction of the original: The Story of the Pony Express by Glenn D. Bradley

Orient Express History of a Legend G. Picon, 2019-08-16 The Orient Express, in the collective imagination, embodies the golden age of travel. The fabrics, the silverware, the woodwork; their evocative fragrance... all contribute to this particular atmosphere, created by the best craftsmen of the time. The experience on board is absolutely unique... - Sir Kenneth Branagh, from the foreword The first train to connect Paris to Constantinople - the gateway to the Orient and epitome of all its associated desires and fantasies - the Orient Express was an immediate success. Quickly nicknamed 'the king of trains, the train of kings', it had already become a legend in its own time. This unique train and its celebrated passengers (both real and fictional) have become one of the great cultural icons of our times and have helped to create a limitless source of stories and fantasies to feed our imaginations. It's a story told here through fabulous new photographs of the restoration workshops where the historic train carriages are being brought back to life, through archive photos of famous and exotic destinations, and portraits of the most famous passengers who were lucky enough to climb aboard. SELLING POINTS: * This beautifully illustrated book captures the history, the legends and the unique style of the most famous train on earth: The Orient Express * With never-before-seen archival material * With a preface by Sir Kenneth Branagh 216 colour and 119 b/w images

The Story of the Pony Express Glenn D. Bradley, 2017-10-27 Excerpt from The Story of the Pony Express: An Account of the Most Remarkable, Mail Service, Ever in Existence, and Its Place in History This little volume has but one purpose to give an authentic, useful, and read able account of the Pony Express. This wonderful enterprise played an important part in history, and demonstrated what American spirit can accomplish It showed that the heroes of sixty-one were not all* south of Mason and Dixon's line fight ing each other. And, strange to say, little of a formal nature has been written con cerning it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Story of the Pony Express (Annotated) Glenn Danford Bradley, 2020-08-31 An account of the most remarkable mail service ever in existence, and its place in history. The Pony Express was the first rapid transit and the first fast mail line across the North American continent from...

The Express Messenger Cy Warman, 1897

The Story of the Pony Express Glenn Danford Bradley, 2019-11-03 An account of the most remarkable mail service ever in existence, and its place in history. The Pony Express was the first rapid transit and the first fast mail line across the North American continent from the Missouri River to the Pacific Coast. It was a system by means of which messages were carried swiftly on horseback across the plains and deserts, and over the mountains of the far West. It brought the Atlantic coast and the rapidly developing state of California ten days nearer to each other. The Pony Express had only a brief existence, from April 1860 to October 1861, when it was supplanted by the trans-continental telegraph. Yet it was of the greatest importance in binding the East and West together at a time when overland travel was slow and cumbersome, and when a great national crisis made the rapid communication of news between these sections an imperative necessity. The Pony Express marked the highest development in overland travel prior to the coming of the Pacific railroad, which it preceded by nine years. In fact, it proved the feasibility of a transcontinental road and demonstrated that such a line could be built and operated continuously the year around - a feat that had always been regarded as impossible. The operation of the Pony Express was a supreme achievement of physical endurance on the part of man and his ever faithful companion, the horse. The history of this organization should be a lasting monument to the physical sacrifice of man and beast in an effort to accomplish something worthwhile. Its history should be an enduring tribute to American courage and American organizing genius.

Yet it was of the greatest importance in binding the East and West together at a time when overland travel was slow and cumbersome, and when a great national crisis made the rapid communication of news between these sections an imperative necessity.

Sunset Express Robert Crais, 2014-02-18 When a wealthy entrepreneur is accused of murder in Los Angeles, wisecracking private eye Elvis Cole is hired to prove that the evidence was corrupted and becomes suspicious about the defense attorney's motivations. Prominent restaurateur Teddy Martin is facing charges in his wife's brutal murder. But he's not going down without spending a bundle of cash on his defense. So his hotshot attorney hires P.I. Elvis Cole to find proof that Detective Angela Rossi tampered with the evidence. Detective Rossi needs a way back to the fast track after falling hard during an internal investigation five years ago. But Cole needs to know if she's desperate enough to falsify the case against Martin in order to secure her own position. As Cole and his partner Joe Pike work their way through a tangle of witnesses and an even greater tangle of media, they begin to suspect that it's not the police who are behind the setup. The sixth book in the Elvis Cole series, *Sunset Express* is marked by Robert Crais's dark humor and edge-of-your-seat suspense.

Story of the Pony Express Bradley Glenn D., 1901

The Story of the Pony Express Glenn Danford Bradley, 2018-04-07 An account of the most remarkable mail service ever in existence, and its place in history. The Pony Express was the first rapid transit and the first fast mail line across the North American continent from the Missouri River to the Pacific Coast. It was a system by means of which messages were carried swiftly on horseback across the plains and deserts, and over the mountains of the far West. The Pony Express marked the highest development in overland travel prior to the coming of the Pacific railroad, which it preceded by nine years. In fact, it proved the feasibility of a transcontinental road and demonstrated that such a line could be built and operated continuously the year around - a feat that had always been regarded as impossible. The operation of the Pony Express was a supreme achievement of physical endurance on the part of man and his ever

faithful companion, the horse. The history of this organization should be a lasting monument to the physical sacrifice of man and beast in an effort to accomplish something worthwhile. Its history should be an enduring tribute to American courage and American organizing genius. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Operation Pineapple Express Scott Mann, 2022-08-30 INSTANT NEW YORK TIMES BESTSELLER An edge-of-your-seat thriller about a group of retired Green Berets who come together to save a former comrade—and 500 other Afghans—being targeted by the Taliban in the chaos of America's withdrawal from Afghanistan. In April 2021, an urgent call was placed from a Special Forces operator serving overseas. The message was clear: Get Nezam out of Afghanistan now. Nezam was part of the Afghan National Army's first group of American-trained commandos; he passed through Fort Bragg's legendary Q course and served alongside the US Special Forces for over a decade. But Afghanistan's government and army were on the edge of collapse, and Nezam was receiving threatening texts from the Taliban. The message reached Nezam's former commanding officer, retired Lt. Col. Scott Mann, who couldn't face the idea of losing another soldier in the long War on Terror. Immediately, he sends out an SOS to a group of Afghan vets (Navy SEALs, Green Berets, CIA officers, USAID advisors). They all answer the call for one last mission. Operating out of basements and garages, Task Force Pineapple organizes an escape route for Nezam and gets him into hiding in Taliban-controlled Kabul. After many tense days, he braves the enemy checkpoints and the crowds of thousands blocking the airport gates. He finally makes it through the wire and into the American-held airport thanks to the frantic efforts of the Pineapple express, a relentless Congressional aide, and a US embassy official. Nezam is safe, but calls are coming in from all directions requesting help for other Afghan soldiers, interpreters, and at-risk women and children. Task Force Pineapple widens its scope—and ends up rescuing 500 more Afghans from Kabul in the three chaotic days before the ISIS-K suicide bombing. Operation Pineapple Express is a thrilling, suspenseful tale of service and loyalty amidst the chaos of the US withdrawal from Afghanistan.

This book delves into Express&sorty. Express&sorty is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Express&sorty, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Express&sorty
- Chapter 2: Essential Elements of Express&sorty
- Chapter 3: Express&sorty in Everyday Life
- Chapter 4: Express&sorty in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Express&sorty. This chapter will explore what Express&sorty is, why Express&sorty is vital, and

how to effectively learn about Express&sorty.

3. In chapter 2, the author will delve into the foundational concepts of Express&sorty. The second chapter will elucidate the essential principles that need to be understood to grasp Express&sorty in its entirety.
4. In chapter 3, the author will examine the practical applications of Express&sorty in daily life. This chapter will showcase real-world examples of how Express&sorty can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Express&sorty in specific contexts. The fourth chapter will explore how Express&sorty is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Express&sorty. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Express&sorty.
