The Fabric Store Melisa Mel,2017-12-18 The Fabric Store is a book with a very basic and simple business lesson in it. For any business venture to be successful, funds must come in to include profit and cover the costs of running the business. If one is putting much time, money, and heart into the business venture and it is simply not bringing in sufficient funds, one has to make some very tough decisions. Sometimes, those decisions can be painful ones. The lesson in The Fabric Store can be tied into any venture in life—even those that are not business-related. These ventures can include relationships, hobbies, and any other aspect in life. If one is putting much time, money, and heart into something or someone yet they are not getting anything out of it, it is time to make a change. When one gives and gives and gives but does not receive in return (whether financially or emotionally), emptiness or burnout or both are inevitable. Through the eyes of the owner of the fabric store, the reader can see an entrepreneur's dream come true of opening up a fabric store and then the progression of how that business venture goes. The storyline carries a wise lesson to remember in business and in life. This book was inspired by M. Nieves Sanz Bribian, written by author Melisa Mel, and illustrated by artist Kendall Austin Pardo.

Sweat Shop Paris Martena Duss,Sissi Holleis,2011-11-15 The Sweat Shop Book brings the namesake Paris Sweat Shop founded by Martena Duss and Sissi Holleis to North America with more than 50 DIY fashion and home projects, including instructions and more than 200 helpful, inspiring full-color photographs. The first cafe couture sewing shop in Paris, the Sweat Shop was named to highlight the questionable nature in which store-bought clothing is sometimes made. Instead of rewarding dubious labor practices, the Sweat Shop and The Sweat Shop Book inspire crafters to make something unique with their own sweat equity and creativity. Crafters meet at the cafe and share ideas while renting equipment by the hour. In addition, classes teach novices how to sew, knit, crochet, and much more. Translating the Sweat Shop experience into book form, The Sweat Shop Book features experts in the Parisian fashion industry as they offer master classes to share their secrets and techniques. With help from experts such as Madame Vava Dudu, who creates looks for Lady Gaga, and fashion stylist Sonia Rykiel, crafters of every skill level will learn how to mend a seam, make a dress from a pattern, and design and create something from scratch inside The Sweat Shop Book. Additionally, the book includes recipes for cafe fare, Duss and Holleis's Paris picks, and a French and English glossary.
