*Rebuilding Community Connections - Mediation and Restorative Justice in Europe* Ivo Aertsen, 2004-01-01 Rebuilding community connections outlines the main features of restorative justice, including different models and research findings, and proposes guidelines for setting up programmes. It also identifies problems and ways of dealing with them. This guide provides essential information for those planning to introduce restorative justice, in particular countries in central and eastern Europe. For countries that have already done so, it offers an opportunity to review practice in the light of experience and research elsewhere. -- Council of Europe.

*Approaches to Income Security Reform* Institute for Research on Public Policy, 1987 This paper is based on the views expressed at an informal workshop on income security reform organized by the Institute on 23 September 1986. It contains an overview, which provides a synthesis of the major issues discussed at the workshop, including a statement of areas where the workshop reached consensus as well as areas where disagreement

remains. It includes suggestions as to a possible strategy for reform, and presents the background papers prepared for the workshop.

**Phantasms of the Living - Volume II.** Edmund Gurney, Frederic Myers, Frank Podmore, 2020-12-01 This book contains the second of two volumes of "Phantasms of the Living", an 1886 work on the subject of spiritualism by leading members of the Society for Psychical Research Edmund Gurney (1847 - 1888), Frederic W. H. Myers (1843 - 1901), and Frank Podmore (1856 - 1910). Within it, the authors have documented more than 700 cases of ghost sightings which they believe are evidence of psychic ability. This volume contains an introduction by Myers as well as an outline of their analytical methods, while the rest is dedicated to telepathy, hallucinations, dreams, etc. "Phantasms of the Living" constitutes a pioneering study that provides a vivid insight into the Victorian fascination with the occult and the supernatural, not to be missed by those with an interest in the subject. Contents include: "Preliminary Remarks: Grounds of Caution", "The Experimental Basis: Thought-Transference", "The Transition From Experimental to Spontaneous Telepathy", "General Criticism of the Evidence for Spontaneous Telepathy", "Note on Witchcraft", etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

Une délicieuse surprise Jennifer LaBrecque, 2011-08-01 Skye aurait dû se douter qu'accepter un remplacement à Good Riddance, Alaska, n'était pas forcément une bonne idée. Primo, pour rejoindre cet endroit perdu, elle a dû monter dans un vieux coucou tout dégingué, piloté par un homme aussi sexy qu'arrogant, qui a pris un malin plaisir à se moquer d'elle pendant toute la durée du vol. Deuxio, la chambre réservée dans l'unique Bed & Breakfast de la ville s'est avérée indisponible, aussi va-t-elle devoir loger dans un chalet isolé dans la forêt, sûrement infestée d'ours et de loups. Tertio, ce chalet appartient à Dalton Saunders, le pilote à l'ironie mordante... Pourtant, Skye décide de faire contre mauvaise fortune bon cœur. Après tout, la compagnie de ce Dalton vaut toujours mieux que celle des bêtes sauvages. Et puis, une petite voix lui souffle qu'être obligée de passer quelques semaines aux côtés d'un homme au sex-appeal irrésistible pourrait aussi avoir certains bons côtés...
