A Family Is a Family Is a Family Sara O'Leary, 2020-07-10 When a teacher asks her class to think about what makes their families special, the answers are all different, but the same in one important way ... When a teacher asks the children in her class to think about what makes their families special, the answers are all different in many ways – but the same in the one way that matters most of all. One child is worried that her family is just too different to explain, but listens as her classmates talk about what makes their families special. One is raised by a grandmother, and another has two dads. One has many stepsiblings, and another has a new baby in the family. As her classmates describe who they live with and who loves them – family of every shape, size and every kind of relation – the child realizes that as long as her family is full of caring people, it is special. A warm and whimsical look at many types of families, written by award-winning author Sara O'Leary, with quirky and sweet illustrations by Qin Leng. Educated Tara Westover, 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to

ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

Raising Ryland Hillary Whittington, 2016-02-23
This powerful, moving story—which has already touched more than seven million through a viral video created by the Whittington family—is a mother’s first-hand account of her emotional choice to embrace her transgender child. When Hillary and Jeff Whittington posted a YouTube video chronicling their five-year-old son Ryland’s transition from girl to boy, they didn’t expect it to be greeted with such fervor. Beautiful and moving, the video documenting Hillary’s and Jeff’s love for their child instantly went viral and has been seen by more than seven million viewers since its posting in May 2014. Now for the first time, they tell their story in full, offering an emotional and moving account of their journey alongside their exceptional child. After they discovered their daughter Ryland was deaf at age one and needed cochlear implants, the Whittingtons spent nearly four years successfully teaching Ryland to speak. But once Ryland gained the power of speech, it was time for them to listen as Ryland insisted, “I am a boy!” And listen they did. After learning that forty-one percent of people who identify as transgender attempt to take their own lives, Hillary and her husband Jeff made it their mission to support their child—no matter what. From the earliest stages of deciphering Ryland through clothing choices to examining the difficult conversations that have marked every stage of Ryland’s transition, Hillary Whittington shares her experiences as a mother through it all, demonstrating both the resistance and support that their family has encountered as they try to erase the stigma surrounding the word “transgender.” In telling her family’s story, she hopes she can assist the world in accepting that even children as young as five, can have profound and impactful

things to say and share. What emerges is a powerful story of unconditional love, accepting others for who they are, and doing what's right, regardless of whether those around you understand it.

Love Is My Favorite Thing Emma Chichester Clark, 2020-12-29 Starring an enthusiastic pooch whose joy, optimism and love know no bounds, this lively picture book is based on Emma Chichester Clark's own dog, and joyfully celebrates unconditional love. Plum has lots of favorite things—catching sticks, her bear, her bed—but really, LOVE is her absolute favorite thing. She loves her family and all the things they do together. Sometimes, however, Plum's exuberance causes trouble, and she just can't help being naughty. But fortunately, love is such a great thing that even when she makes mistakes, Plum's family still adores her.

Channel Kindness: Stories of Kindness and Community Born This Way Foundation Reporters, Lady Gaga, 2020-09-22 A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born

This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always

transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.
