

Fangs&sorty

Katie Maxwell

Fangs Sarah Andersen,2020-09 A love story between a vampire and a werewolf by the creator of the enormously popular Sarah's Scribbles comics. Vamp is three hundred years old but in all that time, she has never met her match. This all changes one night in a bar when she meets a charming werewolf. FANGS chronicles the humor, sweetness, and awkwardness of meeting someone perfectly suited to you but also vastly different.

My Favorite Fangs Alan Goldsher,2012-08-07 Vampire singer Maria von Trapp, after being kicked out of the Abbey where she has resided for centuries, becomes a member of a rowdy family that she transforms and protects from Hitler's nefarious Undeath Squads.

I Love My Fangs! Kelly Leigh Miller,2020-07-21 Is a vampire still a vampire if his fang is all wobbly? Find out in this funny and endearing spin on the classic first lost tooth story. Young Dracula loves his fangs. They are pointy. They are sharp! They are a cherished family trait. So one day, when a fang wiggles...and jiggles...and falls loose, Dracula doesn't know what to do. He tries pushing it back in. Then taping it. Then sticking it. Because a vampire can't have only one fang!...Right?

Fangs! Alan MacDonald,2012 Bertie is convinced that the grumpy school janitor is a vampire, but locking Mr. Grouch in a shed is probably not a good idea--and that is only the first trouble that Bertie finds in this trio of stories.

Fangs But No Fangs Kathy Love,2008-07-01 There's Nothing Uglier Than A Vampire Singing Feelings If I hadn't seen it for myself, I'd swear it couldn't be true: my brother, Christian, living in a trailer park and working at a karaoke bar. We're talking about the snob who'd probably sniff the plasma packets and send 'em back in a huff if the blood type wasn't the right vintage. But after centuries of living in the undead fastlane, he's made up his mind that this is exactly where he needs to spend the rest of eternity, atoning for his many, many, sins. But sometimes things just don't work out like you think they will. Sometimes your hell can turn into your heaven. And thanks to Christian's chatty neighbor and boss, Jolee, things seem to be getting a whole lot nicer in Shady Fork Mobile Estates. Not that either of them has the first idea how to have a normal relationship--we are talking about a woman's who's only dated dead-beats, and a guy who's only dated the dead. Well, nobody's perfect.

Fangsgiving Ethan Long,2018-09-04 Geisel Award-winning author and illustrator Ethan Long turns his attention to the day of thanks with a story that's to die for. It's the fourth Thursday of November, and the members of Fright Club are cooking up something spooky . . . a Thanksgiving feast! But when Vlad's family arrives unexpectedly, they put their own spin on each of the dishes. Now, the rolls are as hard as headstones and the turkey has been cooked to death. Vlad loves his family, but they've made a mess of their meal! Can this monster-filled family come together to save their feast and celebrate what the holiday is truly about?

Soft Child ,1993 Soft Child, a poor gentle snake, is worried about getting stepped on as he moves on his belly across the desert. The other animals, especially Jackrabbit, are relentless in their pursuit of this defenseless creature, until Sky God comes up with a lasting solution to the problem--and Soft Child becomes known as Rattlesnake.

Fangs For The Memories Kathy Love,2007-09-01 Oh, Brother! I'm watching my brother swagger through our New York City apartment. . .smiling. Rhys, the detached, surly man who turned brooding into an art form. But he's not brooding now. No, he's practically threatening to pistol whip me for shaking hands with the beautiful, half-dressed creature named Jane who just tried to sneak out of his bedroom. Weird. Brother Grim has a sex drive? That's not all that has me freaked out. Something terrible happened last night, something that made Rhys break his own rule and save the life of a mortal. Trouble is he doesn't remember anything from the past two hundred years. Like that he's a vampire, not a Regency viscount with an English accent. All I know is this mortal woman has managed to touch my brother's frozen heart, and I, Sebastian Young, will do whatever it takes to help him keep her. . .

Got Fangs? Katie Maxwell,2005 The first book of a new paranormal series by the bestselling author of The Taming of the Dru follows a girl, stuck in the middle of Hungary with her mother, who meets Benedikt--a vampire with a cool motorcycle. Original.

Fangs Otto Penzler,2010-08-31 The second immortal volume in this dark and fantastic series, Fangs is a scintillating and sinister collection of vampire stories and part of the now legendary Vampire Archives. Including Clive Barker, Anne Rice, Arthur Conan Doyle, and Many Many More. . . Featuring: · bloody fangs · dark and foreboding crypts · mysterious nighttime apparitions · languid ladies

Fangs for the Mammaries Esther Friesner,2010-10-01 Having inflicted the smug homes of suburbia with witches and werewolves. Esther Friesner now unleashes the undead to tap a vein of blood and humor, and drain the suburbs dry of both. Vampires and the suburbs are a match made in heaven, or maybe Levittown. Remember Dracula? He didn't run into any real problems until he took his act on the road and traveled to the Big City.

But in the suburbs, everyone is polite and respectful of their neighbors' right to privacy. And if your neighbors happen to have kids selling gift-wrap, magazine subscriptions, cookies, or other school fundraising ploys, and little Emily or Jason happen to come peddling their wares after sundown . . . Who says you have to stay in the city if you want good take-out meals delivered right to your door? There's no one quite like a vampire for saying, "All of you kids get off of my lawn!" and putting some teeth into it. The stories in these pages^{3/4}by Sarah A. Hoyt, K.D. Wentworth, Dave Freer and more, including Esther Friesner herself^{3/4}will convince the reader that vampires and suburbs go together like wine and cheese, gin and tonic, desperation and housewives, marriage and pre-nups. Enter freely and of your own will... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Of Claws and Fangs Faith Hunter,2022-05-03 New York Times bestselling author Faith Hunter presents a stunning collection of stories from the world of shape-shifting vampire hunter Jane Yellowrock and beyond. Collected together for the first time, this volume contains shorter works featuring heroines Jane Yellowrock and Nell Ingram, as well as a host of other characters from the Jane Yellowrock and Soulwood series. Faith Hunter is "an expert at creating worlds filled with intriguing supernatural elements and exciting scenarios"* and her skills are on full display in this collection. From a vampire-filled Halloween evening in New Orleans to the searing tale of how a certain were-leopard first got his spots, this collection has something for everyone, and each story is sure to put the super in supernatural. With eighteen stories in all, *Of Claws and Fangs* will enrich and entertain—it's a must-have for Faith Hunter's readers and all lovers of fantasy. *RT Book Reviews

The Vampire Who Lost Her Fangs Hans M Hirschi,2020-06-09 Losing your first tooth can be pretty scary, but imagine what it's like for a vampire! Written by bestselling author Hans M Hirschi and illustrated by Finn Swan, *The Vampire Who Lost Her Fangs* is a funny short story for kids (and their parents) facing that important milestone in growing up.

Nice Girls Don't Have Fangs Molly Harper,2009-03-31 The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

Fangs Richard Forsythe,1985

What The Fangs Laura Greenwood,Arizona Tape,2019-11-09 When she started her investigation, the last thing Lucy expected was to end up with an illegal slave in her kitchen, and a stirring hunger for blood. And that doesn't even take into account the childhood-friend-turned-rival PI, the stubborn fiancé, or the eccentric inventor she has to deal with. With the mystery deepening with each new discovery, Lucy uncovers a vampire underworld she never knew existed. All she has to do is decide whether she wants to be a part of it, or if she should help take it down. - *What The Fangs* is book 2 of the Vampire Detective series and continues Lucy's story.IN THE SERIES: #1 Fangs For Nothing#2 What The Fangs#3 TBC

Fangs of the Lone Wolf Dodge Billingsley,2013-10-19 Stories of combat from a man who embedded with Chechen guerrilla forces: "His insights . . . are second to none." —Thomas de Waal, author of *Black Garden* Books on guerrilla war are seldom written from the tactical perspective, and even less seldom from the guerrilla's perspective. *Fangs of the Lone Wolf: Chechen Tactics in the Russian-Chechen Wars 1994-2009* is an exception. These are the stories of low-level guerrilla combat as told by the survivors. They cover fighting from the cities of Grozny and Argun to the villages of Bamut and Serzhen-yurt, and finally the hills, river valleys, and mountains that make up so much of Chechnya. The author embedded with Chechen guerrilla forces and knows the conflict, country, and culture. Yet, as a Western outsider, he is able to maintain perspective and objectivity. He traveled extensively to interview Chechen former combatants now displaced, some in hiding or on the run from Russian retribution and justice. Crisp narration, organization by type of combat, accurate color maps, and insightful analysis and commentary help to convey the complexity of "simple guerrilla tactics" and the demands on individual perseverance and endurance that guerrilla warfare exacts. The book is organized into vignettes that provide insight on the nature of both Chechen and Russian tactics utilized during the two wars. They show the chronic problem of guerrilla logistics, the necessity of digging in fighting positions, the value of the correct

use of terrain and the price paid in individual discipline and unit cohesion when guerrillas are not bound by a military code and law. Guerrilla warfare is probably as old as man, but has been overshadowed by maneuver war by modern armies and recent developments in the technology of war. As Iraq, Afghanistan, the Philippines, and Chechnya demonstrate, guerrilla war is not only still viable, but increasingly common. Fangs of the Lone Wolf provides a unique insight into what is becoming modern and future war. Includes maps and photographs

Lilly's Angel Charlayne Elizabeth Denney,2013-08 Lilly Marchantel entertains her client-a vampire-for a night of paid passion and dies. Or does she? Her madam, the famous Lulu White of Mahogany Hall, throws a lavish funeral for the girl and buries her in St. Louis 1 cemetery. During the chaos in the wake of Hurricane Katrina, Enforcer angel Sullivan is sent to the cemetery to verify reports of two rogue vampires. What could happen if Sullivan loses his powers? How much trouble can an angel get into in New Orleans? Lilly's Angel tells the story of Lilly's discovery of a whole new world with her friends Baron the Cat and the skull she talks to as the pissed off and horny Sullivan struggles against the changes he is experiencing.

The Family Fang Kevin Wilson,2011-09-02 Soon to be a major film starring Nicole Kidman and Jason Bateman 'Funny, smart, ingenious, moving, altogether great' Nick Hornby World famous Caleb and Camille Fang have dedicated their lives to great performance art. But for their children, Annie and Buster, their 'art' is an embarrassment. As soon as the children grow up they flee home, desperate to escape the chaos of their parents' world. But when the lives they've built come crashing down, brother and sister have no choice but to go back. And whether the kids agree to participate or not, Caleb and Camille are planning one last performance that will finally determine what's more important: their family or their art.

Fangs and Angel Wings Karen E. Taylor,William Sanders,Mike Resnick,2003-11-01 A vampire named Bitsy. A grieving father's rage. An intergalactic cosmetic saleswoman. Loving wives, thwarted mistresses. Demons, ghosts, gods and angels. Red silk scarves and the lash of leather. What do these diverse elements have in common? They have all been spawned in the imagination of Karen E. Taylor, a Bram Stoker nominated author. IN FANGS AND ANGEL WINGS, the writer of the popular VAMPIRE LEGACY series will take you on a tour of distant planets, drafty castles, haunted houses, and the most frightening place of all: the dark recesses of the human heart. Karen Taylor writes about the basics, love and death and sex, and about the ways they intersect, and she somehow does it simultaneously more directly, more subtly, and more elegantly than just about anyone else. -- Lawrence Watt-Evans, author of THE DRAGON SOCIETY I urge you to check these stories out; they're really quite remarkable. -- Mike Resnick, author of THE RETURN OF SANTIAGO Karen writes like an angel -- an angel in black lingerie with a straight razor tucked into her garter belt. -- William Sanders, author of ARE WE HAVING FUN YET?

When somebody should go to the book stores, search launch by shop, shelf by shelf, it is in fact problematic. This is why we offer the books compilations in this website. It will totally ease you to look guide Fangs&sorty as you such as.

Fangs&sorty Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fangs&sorty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fangs&sorty has opened up a world of possibilities. Downloading Fangs&sorty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fangs&sorty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fangs&sorty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fangs&sorty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Fangs&sorty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fangs&sorty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fangs&sorty Books

1. Where can I buy Fangs&sorty books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Fangs&sorty book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
