Inspirational Interiors Roger Banks-Pye, 2018-11-13 Discover the world of decorating in the classic English style as revealed by Roger Banks-Pye, one of Colefax & Fowler's most innovative and talented designers. Roger Banks-Pye was one of the most sought-after interior decorators of his time. Design director at the doyen of interior decoration Colefax and Fowler, his work appears traditional at first glance but is in fact spiced with innovation, originality and irreverence. This classic volume shows the decorator at work in a selection of the private homes he transformed with flair and panache, from a London studio apartment decorated on a shoestring to a Scottish hunting lodge where money was no object. This book is a record of the spaces he created and there are accessible, practical and creative ideas to be picked up on each and every page. *Inspirational Interiors* allows a privileged glimpse into his unique world of style.

An Embarrassment of Witches Sophie Goldstein, Jenn Jordan, 2020-03-04 Life after college isn't turning out exactly as Rory and Angela had planned. Rory, recently dumped at the gate of her flight to Australia, needs to find a new life path ASAP. What do you do with a B.A. in Communications and a minor in Southeast Asian Spellcraft? Maybe her cute new housemate Guy is the answer she's looking for (spoiler alert: he isn't). Meanwhile, Angela is buckling under the pressure of a high-stakes internship in a cutting-edge cryptopharmacology lab run by Rory's controlling mother, who doesn't know Rory is still in town... and Angela hates keeping secrets. **An Embarrassment of Witches** is the story of two childhood friends learning how to be adults—and hoping their friendship can survive the change.

The Favourite Mathew Lyons,2011-03-24 In *The Favourite*, Mathew Lyons strips away the myth - and the self-mythologising - to find Sir Walter Raleigh in the one role in which his contemporaries knew him best: the courtier who could win the attention - and the heart - of Elizabeth I, while also being the 'most hated man in England'. Using first-hand accounts, Lyons uncovers the maze of ambition, desire and amorality in which Raleigh lived before he rose to fame - a brutal Elizabethan world riven with crime and corruption and riddled with traitors and spies.

The Favourite Game Leonard Cohen, 1970 Life for Lawrence Breavman, only son of an old Jewish family in Montreal, is made up of dazzling colour - a series of motion pictures fed through a high-speed projector: the half-understood death of his father; the adult games of love and war, with their infinite capacity for fantasy and cruelty; his secret experiments with hypnotism; the night-long adventures with Krantz, his beloved comrade and confidant. Later, achieving literary fame as a college student, Breavman does penance through manual labour, but ultimately flees to New York. And although he has loved the bodies of many women, it is only when he meets Shell, whom he awakens to her own beauty, that he discovers the totality of love and its demands, and comes to terms with the sacrifices

he must make.
