**Failing to Succeed** K. Vaitheeswaran,2017 In 1999, when hardly anyone in India transacted on the Internet, K. Vaitheeswaran co-founded India's first e-commerce company. Yet, years later, when e-commerce was exploding in India-despite enjoying first-mover advantage-Indiaplaza shut down. What went wrong? Lack of funding? Wrong strategies? Or was it 'something else'? For the first time ever, Vaitheeswaran reveals that it was indeed something else-a set of inexplicable events that destroyed what could have been a profitable business (an extreme rarity among technology start-ups). He bares his extraordinary trials and tribulations while dealing with business failure and the impossible pressures that can threaten entrepreneurs in India. Coming at the back of stories of young start-ups raising billions of dollars in funding and creating unicorns in just a few years, as well as the recent setbacks in the e-commerce industry, *Failing to Succeed* delves deep into the dark side of starting up and its myriad pitfalls. Filled with interesting anecdotes, tongue-in-cheek observations, amazing customer insights, hard-hitting predictions and behind-the-scenes industry happenings, this book is an extraordinary unravelling of the challenges facing technology start-ups in India. It is a must-read for aspiring entrepreneurs, investors, industry professionals or business school students, and anyone interested in India's start-up ecosystem. A powerful narration, *Failing to Succeed* is eventually about finding ways to move forward and succeed despite failures...

***Crow's Feat*** Ken Casper,2012-07-31 Jason remembers Colonel Bartholomew as a loudmouthed bigot and a drunk. Now the Colonel's been found dead with a knife in his back, and the Texas police think someone in Jason's family killed him. Jason Crow, double amputee and Vietnam War vet, has good reason to dislike the retired officer who bad-mouthed Jason's father and his African American business partner. But when Bartholomew calls late one night with a mysterious request that Jason come by his house, then turns up dead, Jason has to set his feelings aside. Clyde Burkner, his old police nemesis and now head of the homicide division, doesn't want Jason meddling in yet another murder investigation, but Jason won't stay on the sidelines when Burkner points a finger at Jason's own loved ones. As pieces of the truth begin to fall into place, Jason may well hold the key to unlocking the dangerous puzzle. *CROW'S FEAT* is the second book in Ken Casper's Jason Crow West Texas Mystery Series, giving readers another glimpse into the world of one of mystery fiction's most intriguing and unique crime solvers. Ken Casper is the author of more than twenty-five novels, short stories and articles. Born and raised in New York City, Ken is now a transplanted Texan. He and his wife, Mary, board and breed horses at their farm in San Angelo--which includes their own eight horses, two dogs and six cats. Mary is a therapeutic riding instructor for the handicapped. ***Crowe's Feat*** E.w. Nickerson,2012-03 Ed Crowe, an English-born travel agent living on Oakville, Ontario, Canada, maintains his involvement as a special consultant with the British Secret Intelligence Service MI6 taking advantage of his Canadian passport. His prior involvement and success in negotiating with the Kurdish terrorist organization in Turkey, the PKK, has identified him as the man for a new and more dangerous role. Traveling to Libya, he searches to bring back to Britain the killer of a British police officer from the uprising of the Libyan Embassy in London, in April 1984. While not resulting in complete success, the resulting actions take him to Sofia, Bulgaria, and Paris, France, during which he tries to maintain and grow the love with Carolyn Andrews, the daughter of Lord Stonebridge the head of MI6.

***Big Wishes for Little Feat*** Cheryl Olsten,2020-10-06 When a young horse and a little girl fascinated by the stars above are brought together by a bit of fate and one shooting star, nothing can keep them apart. Cheryl Olsten tells the fanciful and delightful tale of a young horse in Belgium and a little girl living in America who are brought together by a bit of fate and a shooting star. When Ella's parents send her to live with her great-aunt in the beautiful Kingdom of Belgium, she becomes lonely and lost. Not far away lives an equally lonely young horse, the smallest in the stable. Little Feat, as he will be known, longs for a forever friend. When Ella and Little Feat are brought together, their devotion to each other grows. Their awe and love of the night sky with sparkling stars and constellations takes them on a journey that will change their lives forever. *Big Wishes for Little Feat* is a wonderful tale that will ignite the imagination with its rich, colorful illustrations by award-winning Italian illustrator Paolo d'Altan. Central to the book's charm is the imagery of stars and constellations to which a little girl and her horse both look for inspiration, confidence, and faith in themselves, as they learn how to turn disappointments into achievements. A quirky aunt adds to the fun of this tale of happy endings and new beginnings. For young girls who love animals with a special fondness for the magic of horses. Cheryl Olsten was formerly the publisher of two New Jersey Magazines, *New Jersey Life* and *New Jersey Life Health and Beauty*. She resides in Pennsylvania with her husband, while their grown children are living their happy lives on different parts of the globe.

***No Mean Feat*** Ann Gillanders,1990-01-01

***No Mean Feat*** Mark Inglis,2013-03-22 How a man who lost both legs below the knee overcame the odds to achieve incredible academic, sporting and industrial success, including a Paralympic medal in cycling. Mark Inglis was only 23 when he became a double amputee. *No Mean Feat* describes how he and fellow climber Phil Doole were trapped in an ice cave near the summit of New Zealand's Mt Cook for 13 days with minimal equipment and little food. By the time they were air-lifted out both men had severe frostbite and had to spend months in hospital recovering. Since then, Mark has set himself a number of formidable goals and achieved incredible success, including medals for skiing and cycling. *No Mean Feat* is an inspiring story of remarkable courage and determination, told with humour and a powerful zest for life.

***All Ten: The Ultimate Bowling Feat*** Chris Overson,2017-11-01 For a bowler, taking all ten wickets in an innings is the ultimate statistical feat. It is also a very rare one: in nearly 60,000 first-class matches it has been achieved only 81 times. Surprisingly, although books have been written about Hedley Verity's world record ten for 10 in 1932 and Jim Laker's all-ten in the 1956 Old Trafford Test, nobody has ever written a book describing every all-ten. Until now. *All Ten* chronicles each all-ten, from Edmund Hinkly's at Lord's in 1848 to Zulfiqar Babar's at Multan over a century and a half later. All-tens have been taken at many different venues, from famous Test match grounds to outgrounds on which first-class cricket is no longer played. Some were taken by great bowlers such as Colin Blythe and Clarrie Grimmett, some by less well-known ones including Harry Pickett of Essex and Tom Graveney's brother Ken. Some bowlers were at the beginning of their careers, some were nearing the end. You will read about them all here and their very special feat, and maybe wonder why the bowlers at the other end didn't strike even once, why many of the greatest bowlers of all-time never took an all-ten, and why all-tens have become much rarer in the last half century.

***Tiered Geometry Assignment--A Great Feat*** Wendy Conklin,2014-02-01 This tiered assignment offers multilevel activities based on key mathematical skills. Written specifically for mathematics teachers, this tiered lesson helps facilitate the understanding and process of writing differentiated lessons for all students.

***The Hero Feat of Hannah Helstrom*** J. Philip Horne,2017-10-27 Hannah Helstrom is the worst superhero in the Guild of Sevens, but she's also the most stubborn. When her moment arrives, will it be enough? *The Hero Feat of Hannah Helstrom* is a short story set in the world of the Guild of Sevens. Though it takes place after the events of *Joss the Seven* and *Guardian Angel*, it can be read out of order as a stand-alone story.

***Ordinary Feet, Extra-Ordinary Feat*** Dr Veena Bharathi,2015-01-02 Neerja Bhanot gave -up her young precious life, so that the 380-odd passengers of the hijacked Pan-Am airlines could survive. Read about the first ever woman recipient of The Ashoka-Chakra award ,the highest bravery award given by The Indian Government. Neerja became 'The Heroine' of the Pan-Am hijack at Karachi, that shook the world in September 1986 , she infact became the Captain of the deserted Aircraft, the moment she realised that the passengers and the entire crew were at the mercy of trigger-happy hijackers. Read the soul-stirring real life story ' Neerja of heroic height '. 2. Read about the tribal-welfare doctor, Dr.H.Sudarshan, who though was a target of forest brigand Veerappan, refused to take the security-cover provided by The Karnataka Government

***Willin'*** Ben Fong-Torres,2013-11-12 The saga of the legendary Los Angeles band Little Feat is one of rock 'n' roll's great stories. Formed in 1969 by ex-members of Frank Zappa's Mothers of Invention, Little Feat created groove-heavy music that was an irresistible mix of rock, blues, R&B, country, jazz, soul, and funk. Fronted by the charismatic but doomed vocalist and brilliant slide guitarist Lowell George, the band recorded such classic studio albums as *Sailin' Shoes* and *Dixie Chicken*, as well as *Waiting for Columbus*, which many consider to be one of the best live albums of all time. Acclaimed journalist Ben Fong-Torres -- working with Little Feat's surviving members, their friends, and associates -- wrote *Willin'* based on hours of brand new interviews with the key players. The result? The first definitive biography of this beloved rock 'n' roll institution.

**Rock and Roll Doctor** Mark Brend,Little Feat,Lowell George,2002-10-01 (Book). The late Lowell George is best known as the lead singer, slide guitarist, songwriter and producer of Little Feat. George's humor and surreal lyrics became a Little Feat trademark, making songs like Fat Man in the Bathtub and Dixie Chicken unforgettable. Rock and Roll Doctor explores the genius that animated Little Feat from George's early bands to his work with Frank Zappa, landmark albums such as Feats Don't Fail Me Now and The Last Record Album , and his later production work with Linda Ronstadt and the Grateful Dead. George's colorful childhood is covered in depth as is his solo career after Little Feat that was cut short tragically. Each Little Feat album is treated to a separate chapter that examines the development of every song how it was conceived, recorded and produced. The analysis of Little Feat's complex rhythms will fascinate musicians and fans alike. Lowell George was the best singer, songwriter and guitar player I have ever heard, hands down, in my life. Bonnie Raitt

*Black Feat* Louella Rosie Jones,2015-10-28 Caressing the spirit of African-American women both domestically and globally, Black Feat, through the power of story, offers a cultural perspective on medical impressions in black women and identifies duplicity in health care delivery. Based on the author's true events during various stages of her open heart surgery processes, Black Feat uncovers a larger conversation about hospital/ health systems abuse of power and indifference in terms of acceptance. It presents the theory that healthcare provider attitudes are direct affects of institutional life on people at those organizations funded largely by big Government. It reveals epistemology of disease from a biopsychosocial and spiritual lens posturing race and ethnicity as sacred variables. Anchored in the scriptures, Black Feat is upfront and introspective. It unzips deep psychological and corresponding physical deterioration that occurs when depression, anxiety, post-trauma stress, loss, and developmental disorganization are left unattended. It examines most factors linked to heart disease and underscores the importance of evaluating every organ system in the body, including the brain. Black Feat focuses on black women—what they go through, how they get through, how they can be better about certain matters of the heart, and how they can empower one another and thus enrich generations of young people to come.

**Lowell George - Little Feat** S Payne,2022-02-16 Little Feat is an American rock group formed in Los Angeles, California, US by singer-songwriter, lead vocalist and guitarist Lowell George and keyboardist Bill Payne during 1969. It has stayed active, the group's music having remained an eclectic blend of swamp pop, rock 'n' roll, blues, boogie, country, folk, blues rock, soul, New Orleans R&B and swamp rock influences. Led Zeppelin's lead guitarist Jimmy Page said that Little Feat was his favourite American band in an interview in Rolling Stone magazine in 1975.
