Never Lark nor Eagle Ray Castagnaro, 2002-11-06 *Never Lark nor Eagle: A Fighter Pilot's Story*, the novel by Ray Castagnaro, is accurate, entertaining Historical fiction about Yanks in the RAF during the Battle of Britain, and their eventual transition to the U.S. Army Air Forces. The story continues with dangerous test flying at Muroc Lake, California, then the exploits of the Fourth but First Fighter Group in Korea. The reader witnesses counterinsurgency in the jungles of the Philippines, espionage in 1950s Saigon, and hypersonic test flying at Edwards. It climaxes with the electrifying, but often overlooked air campaign over Vietnam. As told through the saga of one extraordinary American family, the story of the most exciting period in aviation history is told with historical accuracy, passion, and humor. You will need to have both Volumes I & II to read the whole story. **VOLUME II:** Continuation of the fictional career of fighter pilot Carl 'Bing' Morro and his family, from 1958 through 1978. Col Carl Morro, now a veteran of combat in WWII and Korea, as well as dangerous test pilot flying and espionage in Southeast Asia, returns to his roots to face an undeniable truth. The reader continues to witness the true, and often humorous stories behind today's aeronautical wonder weapons through the fictional eyes of a man who helped develop them and their tactics from the early supersonic era through the Vietnam conflict. Triumph, tragedy, love, war, revenge, deliverance. © 1980, 1990, 2002

The Fighter Arnold Zable, 2016-05-02 Henry Nissen was a champion boxer, the boy from Amess Street in working-class Carlton who fought his way up to beat some of the world's best in the 1970s. Now, he works on the Melbourne docks, loading and unloading, taking shifts as they come up. But his real work is on the streets. He's in and out of police stations and courts giving character statements and providing support, working to give the disaffected another chance. And all the while, in the background is the memory of another fighter, his mother—and her devastating decline into madness. *The Fighter* is a moving and poetic portrait of a compassionate man, but also a window onto the unnoticed recesses of Melbourne. Arnold Zable is a highly acclaimed novelist, storyteller, educator and human rights advocate. His books include *Jewels and Ashes*, *The Fig Tree*, *Café Scheherazade*, *Scraps of Heaven*, *Sea of Many Returns* and *Violin Lessons*. He lives in Melbourne. 'Written in Zable's lyrical style, *The Fighter* reads like a novel. The text provides many aesthetic pleasures; it also has heart and soul. This is an excellent addition to the literature on the survivors of war, focussing on the grief their families inherit.' *Books + Publishing* 'A master storyteller.' *Australian Book Review* 'His ability to see the beauty in the ordinary in a world obsessed with the extraordinary informs every aspect of Zable's writing.' *Australian* 'Arnold Zable is a writer who turns the unnoticed and the overlooked into something fine and lustrous.' *Courier-Mail* 'Arnold Zable is a long-distance athlete among novelists, and his command of his material is superb...Years of reflection and his own life experiences have contributed to the mastery with which Zable explores the themes of displacement, loss, nostalgia and homecoming in all of his books.' *Canberra Times* 'Arnold Zable performs his own masterclass in literary shadowboxing in *The Fighter*...[He] has a superb eye for detail and it serves the narrative exceptionally well...Zable channels the story of an ordinary man, a good man, who, to this day, is still winning on points.' *Saturday Paper* '[Zable] takes the art of the novel—the attention to tone, rhythm and perspective—and applies it to the true story of Nissen...This book is about more [than boxing]: endeavor, belonging and redemption...It's also about Melbourne, its light and shade, and the people who fall between the cracks and the ones who survive.' *Herald Sun* 'A poignant tale of fortitude, love and sorrow...Arnold Zable draws an evocative portrait of post-war Carlton, underpinning his story of the compassionate man and the forces that moulded him.' *Chronicle* 'A truly inspiring slice-of-life tale...[Zable] skilfully peels back the layers of Henry's troubled mum Sonia and the effect it has had on the family.'

Adelaide Advertiser 'Nissen is an unlikely hero, and Zable recreates his world with the utmost respect...The Fighter is an autumnal book, with leaves of many colours and limbs heavy with fruit. It offers a rich sense of the ways in which pain can mellow and create community.' Australian Book Review 'A study of loss, memory and displacement embodied in the lives of the previous generation, the refugees from Nazism and the war in Europe...In Zable's sensitive hands, each individual story of survival belongs to all.' Australian 'The Fighter does not merely echo the slang of Melbourne's once mean, working-class streets or the cries and clangs of its equally mean docks, but it also utterly inhabits its protagonist's voice and perspective. This book is an intriguing, compelling, moving and lyrical hybrid between memoir and fiction, just like the many lives of its subject, Henry Nissen. Boxer, dock worker, social worker, son, brother, husband and father, Jew and Australian, Nissen's life story is, literally, stranger than fiction — and more heart-breaking and inspiring than any novel could ever imagine. Zable unflinchingly tells Nissen's inspiring and affecting story. In vivid, evocative prose he celebrates not only Nissen's many unprecedented achievements in the boxing ring and his tireless, selfless work with Melbourne's most desperate, but also the achievements of his family, friends, and community. Skilfully juxtaposing the intersections between boxing, fighting and survival, good luck and bad, sanity and madness, this sensitively written book is ultimately a paean of hope and dignity, generosity and optimism, courage and love.' A Warrior's Heart Micky Ward, Joe Layden, 2012-05-29 With the success of the critically-acclaimed, Academy Award-winning film "The Fighter," the world stood up and cheered for the inspiring true story of Micky Ward—a heart-and-soul warrior who overcame the odds to make history in the ring. But that was only part of the tale... Now, in his own words, "Irish" Micky Ward tells his inspirational life story as only he can. From his first bout at the age of seven, Micky Ward was known first and foremost for giving as good as he got, and for leaving absolutely everything he had in the ring. When he fought, quitting was never an option. It was that indomitable spirit that would allow him to survive, battle against, and overcome the harsh realities that he faced every day of his life. For it was outside the ring that Ward's heart would be most needed, from witnessing his idolized older half-brother Dicky fall from grace, to dealing with his wildly dysfunctional—if frighteningly loyal—family, to the darkest of secrets that he has never revealed until now, and the numerous setbacks and defeats that would have stopped a lesser man. Micky Ward has remained a fighter, through and through—both as a professional boxer, and as a man who finally found his greatest strength in friendship, family, and faith in himself From the rough streets of Lowell, Massachusetts, to the blood and sweat of the international fight game, to the bright lights and adulation of Hollywood, this is the rousing, moving, tragic, and humorous story of the one and only Micky Ward.

The Angry Fighter's Story Bill Vincent, 2023-03-30 Bullied at a young age, David develops a hot temper and needs an outlet to challenge his aggression into. When he learns about his Uncle's past, David decides to follow in his footsteps and become a champion fighter, but it won't be an easy journey. Can David live out his dream?

Fighter Len Deighton, 2021-07-15 'The most honest attempt yet to tell how the Battle of Britain really was' Andrew Wilson, Observer History is swamped by patriotic myths about the aerial combat fought between the RAF and the Luftwaffe over the summer of 1940. In his gripping history of the Battle of Britain, Len Deighton drew on a decade of research and his own wartime experiences to puncture these myths and point towards a more objective, and even more inspiring, truth. 'Revolutionised thinking about the Battle of Britain in a way that has not been seriously challenged since' The Times

Unlikely Fighter Greg Stier,2021-11-09 Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

The Cage Fighter - The True Story of Ian 'The Machine' Freeman Ian Freeman,2009-08-27 'Hit me first and that's when I turn psycho. I cracked him so hard that he fell against the wall behind him; that was the only thing that kept him up. He was so dazed that he turned to run away and just ran straight into the wall...'Meet Ian Freeman...otherwise known as The Machine. A friend to keep close and an enemy to steer clear of, cross him and you will live to regret it. For Ian, violence is no glamorous profession, but a way of life. At 18 years of age, Ian's destiny changed forever, when he stepped in to help the victim of a brutal attack. Ian's bravery was rewarded by the gang of bullies turning their fists on him. He was beaten to within an inch of his life but escaped through sheer determination. From this point on, Ian became fighter rather than victim and The Machine was born. Soon he was running the doors of Sunderland's toughest nightclubs with an iron fist, but merely controlling his patch was not enough. Determined to be able to defend himself whatever the challenge, Ian quickly established himself as an unbeatable force in the fighting art of Vale Tudo - Portuguese for 'anything goes' - and rose to be Britain's finest heavyweight Mixed Martial Arts fighter.

Chovalo George Chovalo,Murray Greig,2013-10-29 The inspirational memoir of the Canadian boxer who fought some of the greatest heavyweights in history, including Muhammad Ali and Joe Frazier, but lost everything outside the ring. From a tough Toronto childhood as the only son of immigrant parents, through a twenty-three-year career that earned him induction into the World Boxing Hall of Fame, to the public tragedies that decimated his family long after the cheering stopped, George Chovalo tells his life story as only he can. Chovalo was the longest-reigning champion in Canadian boxing history. After teaching himself the basics, he turned pro as an eighteen-year-old in 1956 and over the next twenty-three years fought some of the sport's greatest names: Joe Frazier, George Foreman and, most famously, Muhammad Ali (twice). Since retiring from the ring in 1979, Chovalo has had to come to terms with a series of crushing body blows. His youngest son, a heroin addict, died of a self-inflicted gunshot wound. Two other sons died from heroin overdoses. His first wife, overcome with grief, took her own life. Yet Chovalo has stoically fought back. He formed his Fight Against Drugs foundation in 1996 and has spent the past seventeen years travelling across Canada and to parts of the United States, talking to tens of thousands of students and young adults about what happened to his family. An inspirational story of a Canadian icon, Chovalo is both a top-flight boxing memoir and a poignant, hard-hitting story of coping with unimaginable loss.

The Last Fighter Pilot Don Brown,2017-07-31 *A NATIONAL BESTSELLER!* The New York Post calls *The Last Fighter Pilot* a must-read book. From April to August of 1945, Captain Jerry Yellin and a small group of fellow fighter pilots flew dangerous bombing and strafe missions out of Iwo Jima over Japan. Even days after America dropped the atomic bombs on Hiroshima on August 6 and Nagasaki on August 9, the pilots continued to fly. Though Japan had suffered unimaginable devastation, the emperor still refused

to surrender. Bestselling author Don Brown (Treason) sits down with Yellin, now ninety-three years old, to tell the incredible true story of the final combat mission of World War II. Nine days after Hiroshima, on the morning of August 14th, Yellin and his wingman 1st Lieutenant Phillip Schlamberger took off from Iwo Jima to bomb Tokyo. By the time Yellin returned to Iwo Jima, the war was officially over—but his young friend Schlamberger would never get to hear the news. *The Last Fighter Pilot* is a harrowing first-person account of war from one of America's last living World War II veterans.

Forest Fighter Anita Ganeri, 2023-11-07 A picture book that tells the important story of Chico Mendes, who led the fight to protect the Amazon rainforest and demand fair treatment for the people whose livelihoods depended on it. Chico Mendes lived in the depths of the Amazon rainforest where trees grew tall and strong and wildlife roamed freely. From the age of 8, Chico worked with his father collecting sap from trees that could be sold to make rubber. Rubber tappers were very poor and the rainforest was increasingly being destroyed by burning and logging, threatening their livelihoods. Chico knew he had to take a stand. He became a spokesperson for the community, fighting hard to preserve the Amazon rainforest, and speaking up for the rights of other rubber tappers. He won several international awards for his campaigns, but the loggers still wouldn't stop. At the age of 44, Chico was murdered by one of the loggers. Grippingly written by award-winning author, Anita Ganeri, and vibrantly illustrated by Margaux Carpentier, *Forest Fighter* tells the inspiring story of Chico Mendes, who was not afraid to speak up for others and worked tirelessly to protect the rainforest. It depicts the incredible wildlife and peoples who co-exist there and shows why it is so important that all rainforests are protected.

The Fighter Paul Warren, 2015-09-01 Paul 'Warlord' Warren was an Australian Muay Thai kick-boxing champion who was used to the physically punishing world of martial arts at its highest level. But nothing could prepare him for the torment he would face in the Australian army. One month after he arrived in Afghanistan as a soldier in the ADF, an IED exploded, tearing off his right leg and instantly killing his mate, Private Ben Ranaudo. It was 18 July 2009 and Ben was the campaign's eleventh fatality. Private Warren's life was saved by the quick work of his battalion, who got him a helicopter within 16 minutes for surgery. Paul was flown to Germany and then back to Australia, where he received treatment for his injuries in Brisbane. Although he had only known his partner, Dearne, for four months before his deployment, she moved to Brisbane to assist his recovery. There were many dark times as Paul struggled with the shattering effects of PTSD, and guilt and grief over the death of his mate Benny. At his lowest ebb, Paul thought about taking his own life, as so many other soldiers in similar circumstances continue to do. Recovery was a slow and at times desperately painful process, but the discipline and toughness he'd learned from his martial arts background and the fierce love of Dearne helped him mend. *The Fighter* is a story of courage, determination and love that will move all who read it.

The Spirit of Attack Bruce Gordon, 2014 *SCRAMBLE!* In a couple of minutes my wingman and I would be airborne on another adventure. Sometimes we intercepted an airliner, sometimes a misplaced B-52 bomber, and sometimes Russian bombers probing our defenses; Russian warships; MIG fighters; or troops in contact in Vietnam, calling for napalm only yards from their positions. Twice it was UFOs - Unidentified Flying Objects! This book is a series of short stories, supported by more than 90 photographs. The first part has my own stories; later stories were contributed by my fellow pilots. The last story is from WW II of our P-38 fighters attacking the Romanian oil fields and getting badly mauled by defending Romanian fighters - and a Romanian pilot's view of the battle! Only the spirit of attack borne in a brave heart will bring success to any fighter aircraft, no matter how highly developed the aircraft may be. That quote from Adolf Galland, an Ace of the German Luftwaffe in WW II, was the motto of our 317th Fighter

Interceptor Squadron in Alaska. The fighter pilot is a hunter, and his quarry is the most dangerous in the world - men who want to kill him! The best defense is a good offense - ATTACK! The US Air Force had a program called Every Man a Tiger. A tiger does not kill impulsively or in anger, but plans his attack carefully and strikes with cool ferocity. We were tigers! Fighter pilots tell stories around the bar, but they seldom write them down. These stories were written by the fighter pilots themselves! Come with me and hear of the beauty of flight, the mortal danger of electrical power failure at night in a snowstorm, and the thrill of attack with 20mm cannons firing right under your feet!

Bindon: Fighter, Gangster, Lover - The True Story of John Bindon, a Modern Legend John C Bindon & Wensley Clarkson, 2007-02-28 John Bindon is a modern legend. A fine screen presence and a powerful figure in London's underworld, his film-star looks, charm and talent brought him worldwide exposure. His story reads like the plot of a movie which Big John himself might have landed a part in. Usually typecast in tough-guy roles, his on-screen persona was chillingly close to the real-life one. Big John's nickname came from his status as a legendary sexual performer, so it was no surprise that his encounters with stunning women, most famously Princess Margaret, led to numerous high profile relationships. But most of all, Big John was a warm-hearted, complex man, utterly devoted to those who have him respect and always prepared to be the last line of defence to those closest to him. He emerged from a poor, working class London childhood and fraternised with the Krays and the Richardsons, but eventually turned his back on crime to play major parts in films such as Mick Jagger's *Performance*, The Who's *Quadrophenia* and Michael Caine's *Get Carter*. This is the a truly moving book, as powerful as *The Guv'nor*, about a man who was many different things to many people, but never anything but himself.

Jungle Ace John R. Bruning, 2011 Flying P-38s, Jerry Johnson shot down 24 aircraft in 265 combat missions in the Pacific theater. At the age of only twenty-four, he commanded the highest-scoring fighter group in the Pacific. Tragically, though Johnson had survived three combat tours, which included a mid-air collision with a Japanese aircraft and being shot down by friendly fire, the new father disappeared without a trace while flying a courier mission one month after the war's end.

I Flew for the Fuhrer Heinz Knoke, 2012-03-19 "Reading like a novel, this primary source is a valuable look at the 'other side' of World War II aviation."—Gazette665 Heinz Knoke was one of the outstanding German fighter pilots of World War II and this vivid first-hand record of his experiences has become a classic among aviation memoirs, a bestselling counterbalance to the numerous accounts written by Allied pilots. Knoke joined the Luftwaffe on the outbreak of war, and eventually became commanding officer of a fighter wing. An outstandingly brave and skillful fighter, he logged over two thousand flights, and shot down fifty-two enemy aircraft. He had flown over four hundred operational missions before being crippled by wounds in an astonishing 'last stand' towards the end of the war. He was awarded the Knight's Cross for his achievements. In a text that reveals his intense patriotism and discipline, he describes being brought up in the strict Prussian tradition, the impact of the coming of the Nazi regime, and his own wartime career set against a fascinating study of everyday life in the Luftwaffe, and of the high morale of the force until its disintegration. In a postscript provided for this edition, Heinz Knoke writes of the struggle to survive after the war in Germany, and his building of a new life. Now that the Berlin Wall has been torn down, his memoirs are set in a new perspective, both a valuable contribution to aviation literature and a moving human story.

Bully Able Leader George Loving USAF (Retd.), 2011-08-18 Action-packed memoir by an American pilot and squadron commander in the Korean War.
