White Gypsies Eva Woods Peiró, 2012 Reveals how Spanish film musicals, long dismissed as unworthy of critical scrutiny, illuminate Spain's relationship to modernity

**The Story of Leander and Hero, by Joan Roís de Corella** Joan Roís de Corella, 2016-06-14 Joan Roís de Corella is one of the most renowned authors of fifteenth-century Catalan literature. His Story of Leander and Hero uses a well-known Vergilian and Ovidian motif of unremitting love that turns into tragedy. Corella retells the story adding to it a great dose of suspense and pathos and recasts it in the fashion of sentimental prose, a genre famous at the time and a clear precedent of the great narrative genre to flourish during the Renaissance in the Iberian Peninsula and Europe: the novel.

Popular Music in Spanish Cinema Lidia López Gómez, 2023-08-25 Popular Music in Spanish Cinema analyses the aesthetics and stylistic development of soundtracks from national productions, considering how political instability and cultural diversity in Spain determined the ways of making art and managing culture. As a pioneering study in this field, the chronologically structured approach of this book provides readers with a complete overview of Spanish music and connects it to the complex historical events that conditioned Spanish culture throughout the 20th century to the present day, from the Second Republic, the Spanish Civil war, and the dictatorship through to democracy. The book enables an understanding of the relationships between the recording and film production industries, the construction of collective imagination, the formulation of new stereotypes, semiotic meanings within film music and the musical exchanges between national and international cinema. This volume is an essential read for students and academics in the field of musicology, ethnomusicology and history as well as those interested in the study of diverse musical styles such as copla, zarzuela, flamenco, jazz, foxtrot, pop and rock and how they have been used in Spanish films throughout history.

Spanish Popular Cinema Antonio Lázaro Reboll, Andrew Willis, 2004-09-04 This is the first collection in English to focus exclusively on the various forms of popular film produced in Spain and to acknowledge the variety, range and depth of Spanish cinema. Contributors from across Hispanic, media and cultural studies explore a range of genres, from the musicals of the 1930s and 1940s to contemporary horror movies, historical epics of the 1940s and 1950s and contemporary representations of the Spanish Civil War. The book includes reappraisals of key popular directors such as Luis García Berlanga and Antonio Mercero as well as critical analyses of celebrated stars like Marisol. It provides innovative consideration of the promotion and reception of horror in the 1960s, recollections of cinema-going in Madrid, and reflections on successful recent works such as *Abre los Ojos* and *Solas*.

**A Long Walk, a Gradual Ascent** Nancy J. Thomas, 2019-12-05 A Long Walk, a Gradual Ascent tells the one-hundred-year story of the development of the Friends Church (INELA) among the Aymara peoples of the Bolivian Andes. It stretches from the beginnings of the INELA on the shores of Lake Titicaca around 1915 until the present time

(2017), along with the story of the Oregon Friends Mission that accompanied the church for seventy-two years. Today the INELA spreads over fifteen districts with some two hundred congregations. The church is still predominately Aymara. The book considers the influence of history and culture on each phase of the church's development, exploring the complexity of planting a peace church such as the Quakers in a setting of so much conflict. The book also explores the missiological significance of the changing relationship between church and mission, and wrestles with denominational emphases and how they impacted the expression of an indigenous Aymara church.

The Book of Archives and Other Stories from the Mora Valley, New Mexico A. Gabriel Mel ndez, 2017-04-20 In the shadow of the Sangre de Cristo Mountains, New Mexico's Mora Valley harbors the ghosts of history: troubadours and soldiers, Plains Indians and settlers, families fleeing and finding home. There, more than a century ago, villagers collect scraps of paper documenting the valley's history and their identity—military records, travelers' diaries, newspaper articles, poetry, and more—and bind them into a leather portfolio known as "The Book of Archives." When a bomb blast during the Mexican-American War scatters the book's contents to the wind, the memory of the accounts lives on instead in the minds of Mora residents. Poets and storytellers pass down the valley's traditions into the twentieth century, from one generation to the next. In this pathbreaking dual-language volume, author A. Gabriel Mel ndez joins their ranks, continuing the retelling of Mora Valley's tales for our time. A native of Mora with el don de la palabra, the divine gift of words, Mel ndez mines historical sources and his own imagination to reconstruct the valley's story, first in English and then in Spanish. He strings together humorous, tragic, and quotidian vignettes about historical events and unlikely occurrences, creating a vivid portrait of Mora, both in cultural memory and present reality. Local gossip and family legend intertwine with Spanish-language ballads and the poetry of New Mexico's most famous dueling troubadours, Old Man Vilmas and the poet Garc a. Drawing on New Mexican storytelling tradition, Mel ndez weaves a colorful dual-language representation of a place whose irresistible characters and unforgettable events, and the inescapable truths they embody, still resonate today.

Survival Songs Stephanie Sieburth,2014-08-14 How can a song help the hungry and persecuted to survive? Stephanie Sieburth's *Survival Songs* explores how a genre of Spanish popular music, the copla, as sung by legendary performer Conchita Piquer, helped Republican sympathizers to survive the Franco regime's dehumanizing treatment following the Spanish Civil War (1936–39). Piquer's coplas were sad, bitter stories of fallen women, but they offered a way for the defeated to cope with chronic terror, grief, and trauma in the years known as the "time of silence." Drawing on the observations of clinical psychotherapy, Sieburth explores the way in which listening to Piquer's coplas enabled persecuted, ostracized citizens to subconsciously use music, role-play, ritual, and narrative to mourn safely and without fear of repercussion from the repressive state. An interdisciplinary study that includes close readings of six of Piquer's most famous coplas, *Survival Songs* will be of interest to specialists in modern Spanish studies and to clinical psychologists, musicologists, and those with an interest in issues of trauma, memory, and human rights.
