

Fingerfamily&sorty

Laurie Berkner

I Love You More Than . . . Taye Diggs, 2018-09-18 My child. I am not always with you as much as I'd like. But you are always in my mind and my heart. Some families look different than others. A father who doesn't live full-time with his son tells him all the ways he misses and loves him. *I Love You More Than ...* by Taye Diggs, illustrated by Shane W. Evans, is perfect for families who are separated, whatever the circumstances. Its message of love underscores the bond between parent and child in ways that little ones will understand.

Don't Put Your Finger in the Jelly, Nelly! Nick Sharratt, 2006 Rhyming text warns children of the dire consequences that result from using fingers on inappropriate foods.

The Finger Family ,

Five-Finger Discount Helene Stapinski, 2002-03-12 Now a PBS documentary, this astonishing memoir of growing up in rough-and-tumble Jersey City "will steal your heart" (People) With deadpan humor and obvious affection, *Five-Finger Discount* recounts the story of an unforgettable New Jersey family of swindlers, bookies, embezzlers, and mobster-wannabes. In the memoir Mary Karr calls "a page-turner," Helene Stapinski ingeniously weaves the

checkered history of her hometown of Jersey City—a place known for its political corruption and industrial blight—with the tales that have swirled around her relatives for decades. Navigating a childhood of toxic waste and tough love, Stapinski tells an extraordinary tale at once heartbreaking and hysterically funny. Praise for *Five-Finger Discount* “By turns hilarious and alarming, [Helene Stapinski’s] book reads on the surface like something by Damon Runyon and Elmore Leonard, with a dark undertow of real-life pain and disillusion.”—Michiko Kakutani, *The New York Times* “It’s a brilliant book, a darling book. It is the blessedly modest chronicle of a magical consciousness that seems to have been born pulling diamonds out of the muck, hearing angels’ voices in the fiercest thunder. . . . I adored every word of this wondrous book. Get it. Read it.”—Michael Pakenham, *The Baltimore Sun* “In the tradition of . . . Rita Mae Brown and Amy Tan, Ms. Stapinski is an exciting writer, unabashedly candid, and at the same time unashamedly self-contained. *Five-Finger Discount* is a must-read.”—Victoria Gotti, *The New York Observer* “What [Frank] McCourt did for Limerick, Ireland, Helene Stapinski does for Jersey City.”—*The Star-Ledger* “Hugely entertaining.”—*The Sunday Times* (London)

Hand, Hand, Fingers, Thumb Al Perkins,2016-09-06 Illus. in full color. A madcap band of dancing, prancing monkeys explain hands, fingers, and thumbs to beginning readers.

What Would You Do in a Book about You? Jean Reidy,2021-04-06 For fans of *Oh, The Places You'll Go!* and *The Wonderful Things You Will Be*, *What Would You Do in a Book About You?* will empower kids to reach for their dreams. From Zolotow Honor award-winning author Jean Reidy (Truman) and illustrated by Joey Chou, this lyrical picture book has pitch-perfect rhythm and rhyme and makes for a great read-aloud. No dream is too big or too small in this heartwarming, heart-building book about you! So, stop. Dream. Think it through. And remember, there is so much you can do. Here is an exuberant book that asks what wonderful, endless possibilities your story and your future might hold, making YOU the author of your own powerful tale. Perfect for a graduation, a new baby, a birthday, or any milestone in a child's or adult's life, this book celebrates everything you are capable of doing and becoming. For after all, the best stories are the ones that you will write . . .

My Family, Your Family Lisa Bullard,2015-04-01 Makayla meets her friends' families. She notices some families have many

children, but others don't. Some friends live with grandparents or have two dads or have divorced parents. How is her own family like the others? How is it different?

Clumsy Crab Ruth Galloway,2018-09-01 Nipper doesn't like his huge, clumsy claws. They are no use at all and they just get in the way. Nipper would much rather have tickly arms like Octopus, or tentacles like Sea Jelly, or flippety flippers and fins like Turtle and the fish. But one day, when he is playing with his friends, Nipper finds that his claws are very useful after all!

Me and My Family Tree Joan Sweeney,2018-09-18 Where am I on my family tree? A beloved bestseller that shows children how to understand their place among their relatives, now refreshed with new art from Emma Trithart. Who is part of your family? How are they related to you? In this edition of *Me and My Family Tree*, with new art by Emma Trithart, a young girl uses simple language, her own childlike drawings, and diagrams to explain how the members of her family are related to each other and to her. Clear, colorful, detailed artwork and a fill-in family tree in the back help make the parts of the family--from siblings to grandparents to cousins--understandable to very young readers.

The Magic Finger Roald Dahl,2024-01-30 Last week,

something very funny happened to the Gregg family. This beautiful edition of *The Magic Finger*, part of The Roald Dahl Classic Collection, features official archive material from the Roald Dahl Museum and is perfect for Dahl fans old and new. So, enter a world where invention and mischief can be found on every page and where magic might be at the very tips of your fingers . . . The Roald Dahl Classic Collection reinstates the versions of Dahl's books that were published before the 2022 Puffin editions, aimed at newly independent young readers.

A Funny Thing Happened on the Way to School... Davide Cali, Benjamin Chaud, 2015-03-03 First, some giant ants steal breakfast. Then there are the evil ninjas, massive ape, mysterious mole people, giant blob, and countless other daunting (and astonishing) detours along the way to school. Are these excuses really why this student is late? Or is there another explanation that is even more outrageous than the rest? From Davide Cali and Benjamin Chaud, the critically acclaimed author/illustrator team behind *I Didn't Do My Homework Because . . .* comes a fast-paced, actionpacked, laugh-out-loud story about finding the way to school despite the odds—and the unbelievable oddness! Plus, this is the fixed format version, which will look almost identical to the

print version. Additionally for devices that support audio, this ebook includes a read-along setting.

The More We Get Together Celeste Cortright, 2020-03-01 Set to the familiar tune of “The More We Get Together,” this new addition to Barefoot Books’ bestselling singalong collection features a diverse group of children who work together to make their urban neighborhood cleaner, friendlier, and safer for everyone. Sing along as the community bicycles and recycles together, volunteers at an assisted living home, participates in a letter-writing campaign and finally gathers around a potluck meal. End matter includes an age-appropriate introduction to recycling, activism, community gardens, teamwork and more, as well as actionable ways for children to get involved in their own neighborhoods.

Ten Little Fingers and Ten Little Toes Mem Fox, 2008 As everyone knows, nothing is sweeter than tiny baby fingers and chubby baby toes. . . . And here, from two of the most gifted picture-book creators of our time, is a celebration of baby fingers, baby toes, and the joy they--and the babies they belong to--bring to everyone, everywhere, all over the world This is a gorgeously simple picture book for very young children, and once you finish the rhythmic, rhyming text, all you'll want to do is go back to the

beginning . . . and read it again The luminous watercolor illustrations of these roly-poly little ones from a variety of backgrounds are adorable, quirky, and true to life, right down to the wrinkles, dimples, and pudges in their completely squishable arms, legs, and tummies.

The Story of My Feelings Laurie Berkner,2007 Kids will read and sing along as feelings come to life in The Story of My Feelings. Growing up is a tough job, and it is important to embrace laughing, sighing, crying, and yelling. Fun and engaging illustrations by Caroline Jayne Church accompany the lyrics and add a vibrancy to the CD. You know you'll feel better after you read and sing The Story of My Feelings!

Three-minute Tales Margaret Read MacDonald,2004 Offers over eighty short stories from around the globe, including Asia, Mexico, and eastern Europe.

What If Everybody Did That? Ellen Javernick,2010 Text first published in 1990 by Children's Press, Inc.

Eyes, Nose, Fingers, and Toes Judy Hindley,2004-03-08 Children will discover the wonders of their bodies and the joy of learning to move in this edition of the popular picture book. From a wiggle of their shoulders to a stomp of their feet, a group of lovable

toddlers joyfully explores the many ways to use their bodies. Lips can be made small for kissing, while arms can go up and down or reach out to hug those we love. Judy Hindley's jaunty text and Brita Granstrom's playful illustrations are perfect for children as they begin to discover the wonders of their bodies and the joy of learning to move.

Sam and His Dad Serge Bloch, 2011 Sam describes all of the things he likes doing with his dad.

The Magic Finger Roald Dahl, 1999 Angered by a neighboring family's sport hunting, an 8-year-old girl turns her magic finger on them.

Who Wet My Pants? Bob Shea, 2019-09-17 In this hilarious tale of blame, compassion, and forgiveness, a very embarrassed bear is reminded that accidents can happen--but with the support of good friends, life goes on. Reuben the bear's got donuts for everyone in his scout troop, but his friends are all staring at something else: there's a wet spot on Reuben's pants, and it's in a specific area. WHO WET MY PANTS? he shouts, and a blame game starts. His buddies try to reassure him there was no crime. Just an accident. It could happen to anyone! But as all the clues begin to point in Reuben's own direction as the culprit, Reuben

must come to terms with the truth. Who Wet My Pants? isn't a potty-training book. It's a witty and wise story about embarrassment and anger, empathy and acceptance, and ultimately...forgiveness.

Discover tales of courage and bravery in is empowering ebook, Unleash Courage in Fingerfamily&sorty . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.

of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fingerfamily&sorty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books,	including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and	technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In
