World Literature in Spanish [3 volumes] Maureen Ihrie,Salvador Oropesa,2011-10-20 Containing roughly 850 entries about Spanish-language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish-language literature worldwide and across time is a tall order. However, World Literature in Spanish: An Encyclopedia contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings—such as texts by women writers, queer and Afro-Hispanic texts, children's literature, and works on relevant but less studied topics such as sports and nationalism—also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

Concepción Gimeno de Flaquer (1850-1919): Her Personal Letters, Short Stories, and Journalism Ana Isabel Simón Alegre,2023-09-12 Concepción Gimeno de Flaquer (Alcañiz, 1850-Buenos Aires, 1919) was a Spanish journalist, newspaper editor, and author, who dedicated her life to the world of letters. She was also an intrepid international traveler at a time when it was not easy to cross the Atlantic. As a transatlantic author, she wrote novels, short stories, essays, opinion pieces, social commentary, and theater reviews. This book explores how Concepción Gimeno de Flaquer's evolution as a writer was closely linked to the development of her political-literary project, in which a feminist activist agenda plays an important role. This critical edition contributes to existing research on Gimeno de Flaquer by examining a collection of texts that have not been studied in-depth. This monograph-length publication is the first one to feature a translation of significant portions of Gimeno de Flaquer's work. 'Concepción Gimeno de Flaquer (1850-1919): Her Personal Letters, Short Stories, and Journalism' includes ten letters that Concepción Gimeno wrote to the Spanish actor and theatre entrepreneur Manuel Catalina y Rodríguez (1820-1886), seven short stories, and a selection of her seventeen most representative newspaper articles.

Cinema of Solitude Charles Ramírez Berg,2010-07-05 La crisis, a period of political and economic turmoil in

Mexico that began in the late 1960s, spawned a new era in Mexican cinema. Known as el Nuevo Cine (the New Cinema), these films presented alienated characters caught in a painful transition period in which old family, gender, and social roles have ceased to function without being replaced by viable new ones. These are the films explored by Charles Ramírez Berg in *Cinema of Solitude*, the first book-length critical study of Mexican cinema in English. Berg discusses the major films and filmmakers of el Nuevo Cine in depth. He analyzes dozens of commercial movies, from popular comedies and adventures to award-winning films. Introductory chapters address the issue of *mexicanidad* (Mexican national identity) and outline Mexican history, the history of film as popular culture and as a leading national industry, and the ideological dynamics of Mexican cinema. In thematically arranged chapters, Berg investigates the images of women, men, and social structures portrayed in New Cinema films. He finds that women characters have begun to reject traditional stereotypes for more positive images, while male characters have grown ambiguous and undefined as machismo is abandoned. Other chapters trace the continuing marginalization of Indians in Mexican culture, the changes in male dominance within the family, and the disruptive social and economic effects caused by migration. For everyone interested in Mexican culture as reflected in its major cinematic productions, as well as students of film theory and national cinemas, this book will be important reading.

Celebrating Cuentos Jamie Campbell Naidoo, 2010-11-18 More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature. Latinos are the fastest growing and largest ethnic minority in the United States. The number of Latino children is at a historic high. As a result, librarians and teachers in the United States must know how to meet the informational, cultural, and traditional literacy needs of this student demographic group. An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures. Much more than simply a topical bibliography, this book details both historical and current practices in educating Latino children; explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children; and offers a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.

The Revolution According to Raymundo Mata Gina Apostol, 2021-01-12 Revealing glimpses of the Philippine Revolution and the Filipino writer Jose Rizal emerge despite the worst efforts of feuding academics in Apostol's hilariously erudite novel, which won the Philippine National Book Award. Gina Apostol's riotous second novel takes the form of a memoir by one Raymundo Mata, a half-blind bookworm and revolutionary, tracing his childhood, his education in Manila, his love affairs, and his discovery of writer and fellow revolutionary, Jose Rizal. Mata's 19th-century story is complicated by present-day foreword(s), afterword(s), and footnotes from three fiercely quarrelsome and comic voices: a nationalist editor, a neo-Freudian psychoanalyst critic, and a translator, Mimi C. Magsalin. In telling the contested and fragmentary story of Mata, Apostol finds new ways to depict the violence of the Spanish colonial era, and to reimagine the nation's great writer, Jose Rizal, who was executed by the Spanish for his revolutionary activities, and is considered by many to be the father of Philippine independence. The Revolution According to Raymundo Mata offers an intoxicating blend of fact and fiction, uncovering lost histories while building dazzling, anarchic modes of narrative.
