*The Globalization of Musics in Transit* Simone

Krüger, Ruxandra Trandafoiu, 2013-12-04 This book traces the particularities of music migration and tourism in different global settings, and provides current, even new perspectives for ethnomusicological research on globalizing musics in transit. The dual focus on tourism and migration is central to debates on globalization, and their examination—separately or combined—offers a useful lens on many key questions about where globalization is taking us: questions about identity and heritage, commoditization, historical and cultural representation, hybridity, authenticity and ownership, neoliberalism, inequality, diasporization, the relocation of allegiances, and more. Moreover, for the first time, these two key phenomena—tourism and migration—are studied conjointly, as well as interdisciplinary, in order to derive both parallels and contrasts. While taking diverse perspectives in embracing the contemporary musical landscape, the collection offers a range of research methods and theoretical approaches from ethnomusicology, anthropology, cultural geography, sociology, popular music studies, and media and communication. In so doing, *Musics in Transit* provides a rich exemplification of the ways that all

forms of musical culture are becoming transnational under post-global conditions, sustained by both global markets and musics in transit, and to which both tourists and diasporic cosmopolitans make an important contribution.

STROPI DE ROUA Letitia Barsan, 2013-10-24 Aceste poezii sint scrise de-alungul anilor, timp de 15 ani. Majoritatea sint izvorite din esentele crestinismului, si au la baza dragostea Mintuitorului

nostru pentru muritor. Am compus mai multe feluri de poezii, cu un limbaj simplu pe intelesul tuturor, si care include istorisiri Biblice, iar altele relateaza bucuria fagaduintelor pe care Domnul ni le-a dat in cuvintul Sau. O alta categorie sint poezii inspirate de evenimente din viata mea, iar la urma o mica colectie este adresata familiei mele, si care de asemenea include o fabula si o legenda. Doresc ca aceste poezii sa fie un imbold pentru cei care inca nu au avut o relatie personala cu Dumnezeu, si au dorinta sa-L cunoasca indeaproape.

**UN Territorial Administration and Human Rights** Gjylbehare Bella Murati,2020-04-30 This book offers an original and insightful analysis of the human rights inadequacies that arise in the practice of UN territorial administration by analysing and assessing the practice of UNMIK. It provides arguments based on law and principles to support the thesis that a comprehensive legal framework governing the activities of the UN mission is a crucial prerequisite for its proper functioning. This is complemented by a discussion of several emerging issues surrounding the UN activity on the ground, namely, its legislative, judicial, and executive power.

The author offers an extensive and well-documented analysis of the UN's capacity as a surrogate state administration to respond to the needs of the governed population and, above all, protect its fundamental rights. Based on her findings, Murati concludes that only a comprehensive mandate can serve the long term interests of the international community's objective to efficiently promote, protect, and fulfil human rights in a war-torn society. UN Territorial Administration and Human Rights provides a detailed critical legal analysis of one of the major UN administrations of territory after the Cold War, namely, the UN administration of Kosovo from 1999 to 2008. The analysis in this book will be beneficial to international law and international relations scholars and students, as well as policymakers and persons working for international organisations. The analysis and the lessons learned through this study shed light on the challenges entailed in governing territories and rebuilding state institutions while upholding the rule of law and ensuring respect for human rights.

Pe acest fundal însângerat se desfășoară peripețiile pline de neprevăzut dar și insolit ale binecunoscuților eroi Kara Ben Nemsî împreună cu Hagi Halef Omar și excentricul lord David Lindsay.

Fata tatei și mama fetei Sanda Budiș, 2016-06-14 O carte de memorii, construită din decupaje cu momentele și întâmplările semnificative din viața arhitectei Sanda Budiș, dar și a familiei sale, de la tatăl Alexandru Budiș, general în armata română, la fiica Sandra Pralong, cu o remarcabilă carieră jurnalistică în Statele Unite și o implicare activă în România de după decembrie '89. Începută în prezent, cu aniversarea de 85 de ani, povestea Sandei Budiș continuă cu primii ani postdecembriști și

evenimentele controversate de atunci, așa cum au fost trăite de autoare. Sanda Budiș se întoarce apoi în trecut, la copilărie, la familie și anturajul acesteia în perioada interbelică, la cele aproape trei decenii trăite în România sub comuniști și prigoana regimului împotriva familiei și la anii de exil din Elveția.

### Il migliore amico delle donne Susanna

Mancinotti, 2012-09-12T00:00:00+02:00 Un cane è per sempre: è un amico fidato che ti sa ascoltare e ti sta vicino nei momenti importanti della vita. Lo mostrano bene queste trenta storie di amicizia: attrici, scrittrici, cantanti, scienziate (da Margherita Hack a Dacia Maraini, da Lea Massari a Ottavia Piccolo, da Lidia Ravera a Lorella Cuccarini) narrano con profondo affetto episodi singolari e commoventi che hanno vissuto con i loro cani, mettendosi a nudo come padroncine e come donne. A tessere il filo di questi racconti è Susanna Mancinotti, scrittrice, giornalista ed esperta di animali, che dispensa anche preziosi consigli su come accudire al meglio i propri cani e offre una gustosa classificazione delle caratteristiche psicologiche che distinguono le varie razze canine.
