Sidewalk Flowers JonArno Lawson,2015-03-27 Winner of the Governor General's Literary Award for Children's Illustrated Book A New York Times Best Illustrated Children's Book of the Year In this wordless picture book, a little girl collects wildflowers while her distracted father pays her little attention. Each flower becomes a gift, and whether the gift is noticed or ignored, both giver and recipient are transformed by their encounter. “Written” by award-winning poet JonArno Lawson and brought to life by illustrator Sydney Smith, Sidewalk Flowers is an ode to the importance of small things, small people and small gestures. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.7 Use illustrations and details in a story to describe its characters, setting, or events.

Flowers in the Gutter K. R. Gaddy,2020-01-07 The true story of the Edelweiss Pirates, working-class teenagers who fought the Nazis by whatever means they could. Fritz, Gertrud, and Jean were classic outsiders: their clothes were different, their music was rebellious, and they weren't afraid to fight. But they were also Germans living under Hitler, and any nonconformity could get them arrested or worse. As children in 1933, they saw their world change. Their earliest memories were of the Nazi rise to power and of their parents fighting Brownshirts in the streets, being sent to prison, or just disappearing. As Hitler's grip tightened, these three found themselves trapped in a nation whose government contradicted everything they believed in. And by the time they were teenagers, the Nazis expected them to be part of the war machine. Fritz, Gertrud, and Jean and hundreds like them said no. They grew bolder, painting anti-Nazi graffiti, distributing anti-war leaflets, and helping those persecuted by the Nazis. Their actions were always dangerous. The Gestapo pursued and arrested hundreds of Edelweiss Pirates. In World War II's desperate final year, some Pirates joined in sabotage and armed resistance, risking the Third Reich's ultimate punishment. This is their story.

In Love & Trouble Alice Walker,2011-11-22 Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, “one of the best American writers of today” (The Washington Post). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *InLove & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Hope For the Flowers Trina Paulus,2017-07-13 Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020. Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? “What might I do to help others during this global crisis? Is likely still your question as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover our purpose and live with passion this thing called life, while we still can. “How does one become a butterfly” Yellow asks pensively. “You must want to fly so much That you are willing to give up being a caterpillar.” I can't think of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.

The Story of Flowers Noel Kinsbury,2022-07-26 Throughout history flowers have been an integral part of human survival and culture - as food, for medicine, to express feelings, as symbols, to commemorate and celebrate, and to decorate. Their shapes, colors, scents and textures have always attracted us, as they do animals and insects. Flowers are used as luxury spices (saffron), and as coloring and flavoring agents - marigolds fed to chickens make eggs more yellow and lavender was Elizabeth I's favorite flavor of jam. Flowers are full of symbolic meaning: violets represent modesty, daises purity and daffodils unrequited love. And they have always played an important role in culture through myths and legends, literature and the decorative arts. This delightful new book brings together 100 of the world's flowers to tell their remarkable stories. Each flower is richly illustrated in color and accompanied by facts about each species and what role it has played in our culture and history.

The Lost Flowers of Alice Hart Holly Ringland,2018-08-07 An enchanting and captivating novel about how our untold stories haunt us — and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, *The Lost Flowers of Alice Hart* follows Alice's unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

Waste Catherine Coleman Flowers,2020-11-17 The MacArthur grant-winning environmental justice activist's riveting memoir of a life fighting for a cleaner future for America's most vulnerable A Smithsonian Magazine Top Ten Best Science Book of 2020 Catherine Coleman Flowers, a 2020 MacArthur “genius,” grew up in Lowndes County, Alabama, a place that's been called “Bloody Lowndes” because of its violent, racist history. Once the epicenter of the voting rights struggle, today it's Ground Zero for a new movement that is also Flowers's life's work—a fight to ensure human dignity through a right most Americans take for granted: basic sanitation. Too many people, especially the rural poor, lack an affordable means of disposing cleanly of the waste from their toilets and, as a consequence, live amid filth. Flowers calls this America's dirty secret. In this “powerful and moving book” (Booklist), she tells the story of systemic class, racial, and geographic prejudice that foster Third World conditions not just in Alabama, but across America, in Appalachia, Central California, coastal Florida, Alaska, the urban Midwest, and on Native American reservations in the West. In this inspiring story of the evolution of an activist, from country girl to student civil rights organizer to environmental justice champion at Bryan Stevenson's Equal Justice Initiative, Flowers shows how sanitation is becoming too big a problem to ignore as climate change brings sewage to more backyards—not only those of poor minorities.

The Tulip Anna Pavord,2014-08-20 THE TULIP is not a gardening book. It is the story of a flower that has made men mad. Greed, desire, anguish and devotion have all played their part in the development of the tulip into the world-wide phenomenon it is today. No other flower has ever carried so much cultural baggage; it charts political upheavals, illuminates social behaviour, mirrors economic booms and busts, plots the ebb and flow of religious persecution. Pavord tells how the tulip arrived from Turkey and took the whole of Western Europe by storm. Sumptuously illustrated from a wide range of sources, this beautifully produced and irresistible volume will become a bible, a unique source book, a universal gift book and a joy to all who possess it.

But through Bellas splendor and tenderness, she teaches a valuable lesson that proves that her beauty is not only on the outside, but also within her heart. The Dancing Flowers is an inspirational childrens story about a beautiful little flower who finds the courage to weather all her storms through love, compassion, and family.

Flower Garden Eve Bunting,2000 An urban African-American girl and her father buy plants, potting soil, and a window box at the supermarket, ride the bus to their apartment, and put together a colorful gift for the child's mother. Rhyming verse carries the brief story, while wonderful, warm, full-color illustrations present scenes from novel angles, and depict a loving family with a sense of intimacy, sincerity, and joy.--School Library Journal
