Laura Kinsale

Flowers from the Storm Laura Kinsale,2009-10-13 The Duke of Jervaulx was brilliant and dangerous. Considered dissolute, reckless, and extravagant, he was transparently referred to as the 'D of J' in scandal sheets, where he and his various exploits featured with frequency. But sometimes the most womanising rake can be irresistible, and even his most casual attentions fascinated the sheltered Maddy Timms, quiet daughter of a simple mathematician.

For Virgil Flowers, the link between the two is inescapable—and his investigation, more dangerous and far-reaching than he can possibly imagine.

An Island Garden Celia Thaxter,2008-11 Celia Loughton Thaxter (1835-1894) was born in Portsmouth, NH. When she was four, her father became the lighthouse keeper on White Island in the Isles of Shoals. After resigning his post eight years later, he built a resort hotel

on Appledore Island in Maine. The first of its kind on the New England coast, the hotel became a gathering place for writers and artists during the latter half of the 19th century. In her last year of life, Celia published this work, in which she lovingly describes her Appledore garden and its flowers. The flowers she grew in her cutting garden filled her own rooms and those of the hotel, and this work became famous for its descriptions of the old-fashioned flowers she grew there. Her island garden, a plot that measured 15 feet square, has been re-created and is open to visitors.

Orwell's Roses Rebecca Solnit,2022-10-18 Finalist for the National Book Critics Circle Award for Nonfiction Finalist for the PEN/Jacqueline Bograd Weld Award for Biography “An exhilarating romp through Orwell’s life and times and also through the life and times of roses.” —Margaret Atwood “A captivating account of Orwell as gardener, lover, parent, and endlessly curious thinker.” —Claire Messud, Harper’s “Nobody who reads it will ever think of Nineteen Eighty-Four in quite the same way.” —Vogue A lush exploration of politics, roses, and pleasure, and a fresh take on George Orwell as an avid gardener whose political writing was grounded by his passion for the natural world “In the spring of 1936, a writer planted roses.” So begins Rebecca Solnit’s new book, a reflection on George Orwell’s passionate gardening and the way that his involvement with plants, particularly flowers, illuminates his other commitments as a writer and antifascist, and on the intertwined politics of nature and power. Sparked by her unexpected encounter with the roses he reportedly planted in 1936, Solnit’s account of this overlooked aspect of Orwell’s life journeys through his writing and his actions—from going deep into the coal mines of England, fighting in the Spanish Civil War, critiquing Stalin when much of the international left still supported him (and then critiquing that left) to his analysis of the relationship between lies and authoritarianism. Through Solnit’s celebrated ability to draw unexpected connections, readers are drawn onward from Orwell’s own work as a writer and gardener to encounter photographer Tina Modotti’s roses and her politics, agriculture and illusion in the USSR of his time with forcing lemons to grow in impossibly cold conditions, Orwell’s slave-owning ancestors in Jamaica, Jamaica Kincaid’s examination of colonialism and imperialism in the flower garden, and the brutal rose industry in Colombia that supplies the American market. The book draws to a close with a rereading of Nineteen Eighty-Four that completes Solnit’s portrait of a more hopeful Orwell, as well as offering a meditation on pleasure, beauty, and joy as acts of resistance.

Flowers In Her Garden Hurley Morgan, 2020-03-13 Who would have thought a garden could be symbolic to the life of a twenty-something-year-old woman? Miranda Little enjoys the time spent with her God-fearing grandmother, who she lovingly calls Nana. Nana's garden is her prize possession; it is cultivated with love, life experiences, and wisdom which blooms from the petals of every flower. Miranda adores her Nana; she was practically raised by her due to the demanding careers held by her parents, who seemed to give more time to their professions than they gave to their only child. Despite the fact that Nana gave Miranda more than enough love during her childhood to make up for what she lacked in receiving from her parents, a void still continued to grow in Miranda's soul as she became a woman. Her heart became fragile, and she longed for her mother's love and approval. From her pursuit of an occupation, to her ultimate choice of a man, Miranda's mother always seems to look down on her daughter's decisions in life. Miranda's soul fills with more and more doubt of ever obtaining a loving and healthy relationship with her mother. It's a hard pill for Miranda to swallow, and she almost loses all hope; that is until death comes knocking at both of their doors. Reflecting on the wisdom she obtained in Nana's garden, Miranda believes that the power of prayer and having faith the size of a mustard seed will be the ultimate remedy in fixing her disheartened soul. The seeds of prayer, faith, and love were planted in Miranda's heart from childhood; a rose grew inside her, resulting in her becoming the strong-willed Christian woman that Nana always believed she could be. But will that be enough to deter the devil from feeding Miranda's heart with fear and doubt?
