Know What You're FOR Jeff Henderson,2019-10-01 Your organization – business, church, or nonprofit – will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In Know What You're FOR, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you're a business leader, a change advocate, or a movement maker, Know What You're FOR will help you – and your organization – thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, Know What You're FOR equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live.

Happy for You Claire Stanford,2022-04-19 A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE NAMED A MOST ANTICIPATED BOOK OF 2022 BY GLAMOUR, ELECTRIC LIT, AND THE MILLIONS “Engrossing and clever . . . Stanford captures the allure, absurdity and menace of corporate spaces with wit and levity . . . Anyone who has resisted fitting neatly into an algorithm will find a companion in Evelyn, and in this book.” –The New York Times Book Review “The optimal novel for the strange times we find ourselves in.” –Rachel Khong, author of Goodbye, Vitamin A whip-smart, funny, affecting novel about a young woman who takes a job at a tech company looking to break into the “happiness market”–even as her own happiness feels more unknowable than ever Four years into writing her still-unfinished philosophy dissertation, and anticipating a marriage proposal from her long-term boyfriend, Evelyn Kominsky Kumamoto is wrestling with big questions about life: How can she do meaningful work in the world? Is she ready for marriage–and motherhood? But no one else around her seems to share her ambivalence. Her relentlessly optimistic, Midwestern boyfriend has no hesitation about making a lifelong commitment; her best friend, Sharky, seems to have wholeheartedly embraced his second-choice career as a trend forecaster; and her usually reserved father has thrown himself headlong into a new relationship–his first since her mother’s passing when Evelyn was fourteen. Swallowing her doubts, Evelyn makes a leap, leaving academia for a job as a researcher at the third-most popular internet company, where her team is tasked with developing an app that will help users quantify and augment their happiness. Confronting Silicon Valley’s norm-reinforcing algorithms and predominantly white culture, she struggles to find belonging: as a biracial person, as an Asian American, and as someone who doesn’t know how to perform social media’s vision of what womanhood should look like. As her misgivings mount, an unexpected development upends her assumptions about her future, and Evelyn embarks on a journey toward an authentic happiness all her own. Wry, touching, and sharply attuned to the ambivalence, atomization, and illusion of control that characterize modern life, Happy for You is a story of a young woman at a crossroads that movingly explores how, even in this mediated world, our emotions, contradictions, and vulnerabilities have a transformative power we could never predict.

Hanson for Tuleyome,2017-07-25 Tuleyome, a nonprofit conservation organization based in Woodland, California spearheaded the campaign to permanently protect the Berryessa Snow Mountain region which includes parts of Yolo, Lake, Napa, Mendocino and Solano Counties. Our efforts came to fruition when, on July 10, 2015, President Barack Obama signed the proclamation that designated the region as the Berryessa Snow Mountain

National Monument. The monument is comprised of over 330,000 acres of federal public lands and includes the Cache Creek Wilderness, the Cedar Roughs Wilderness, and the Snow Mountain Wilderness. This species guide contains photographs and information on over 200 distinct species of plants and animals, but they still only comprise a tiny fraction of the flora and fauna found throughout the Berryessa Snow Mountain region. While the guide is not comprehensive, it provides an introduction to the diversity of life found in this rich area, including many common as well as threatened and endangered species.
