As the story progresses, our protagonist discovers there's actually more to boredom than what meets the eye--more questions, more theories, and heaps of humor. This exploration of boredom from acclaimed author-illustrator Shinsuke Yoshitake playfully--and hilariously--unpacks the ways in which a seemingly stagnant state is actually a portal into a dynamic, life-enriching experience. • Embraces the topic of boredom--an ever-so-popular kid complaint--and runs with it • The unique comic format, fast pace, smart humor, and narrative approach makes it ideal for reluctant readers • A universally hilarious book that will amuse children ages 5 to 8, as well as adults In addition to banishing boredom, Yoshitake's distinctive illustrations promote visual literacy and show young readers what the process of creative thinking looks like. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep--which as everyone knows, is the real reason for monsters under beds. **What Happened to You?** James Catchpole, 2021-03-30 The first ever picture book addressing how a disabled child might want to be spoken to. What happened to you? Was it a shark? A burglar? A lion? Did it fall off? Every time Joe goes out the questions are the same . . . what happened to his leg? But is this even a question Joe has to answer? A ground-breaking, funny story that helps children understand what it might feel like to be seen as different. 'A revolutionary book on disability.' Inclusive Storytime 'Catchpole's beautifully judged, child-friendly words ably evoke the fatigue and wariness of repeatedly being asked the same question rather than simply being accepted and allowed to play, while George's warm images amplify the delight of shared imagination.' The Guardian 'Wonderful, delightful and important. [...] Not only will it help nondisabled adults and children understand what it is like to be singled out for being different, but it will empower disabled children and help them realise they don't have to justify themselves to people they don't know.' Jen Campbell, bestselling author of Franklin's Flying Bookshop 'With beautifully characterful illustrations and plenty of calming white space, it exudes gentle energy and humour to appeal to every child. This is a stunningly clever book.' BookTrust 'The beauty of What Happened to You? is its focus on empathy... a brilliant book to open up the conversation with pre-school kids.' Disability Arts Online 'A groundbreaking picture book reflecting the world of a visibly disabled child... a funny and very enjoyable read that will nevertheless perform an urgently needed task and generate very useful discussion at home and school.' **More to the Story** Hena Khan, 2019-09-03 From the critically acclaimed author of Amina's Voice comes a new story inspired by Louisa May Alcott's beloved classic, Little Women, featuring four sisters from a modern American Muslim family living in Georgia. When Jameela Mirza is picked to be feature editor of her middle school newspaper, she's one step closer to being an award-winning journalist like her late grandfather. The problem is her editor-in-

chief keeps shooting down her article ideas. Jameela's assigned to write about the new boy in school, who has a cool British accent but doesn't share much, and wonders how she'll make his story gripping enough to enter into a national media contest. Jameela, along with her three sisters, is devastated when their father needs to take a job overseas, away from their cozy Georgia home for six months. Missing him makes Jameela determined to write an epic article—one to make her dad extra proud. But when her younger sister gets seriously ill, Jameela's world turns upside down. And as her hunger for fame looks like it might cost her a blossoming friendship, Jameela questions what matters most, and whether she's cut out to be a journalist at all...
