He won Academy awards for *Sons and Lovers* and *Glory*. Tales of St. Francis Murray Bodo, 1988-09-04 There was a time at the very beginning when Francis and his brothers lived at a place near Assisi called Rivo Torto...At Rivo Torto they fasted and did penance with all the enthusiasm and sometimes the imprudence of novices in the life of the Spirit, as the following story shows. One night, as they all lay sleeping soundly, a loud cry broke into their dreams: I am dying! I am dying! Help me! And the brothers, startled for their sleep, saw St. Francis already at the side of the terrified brother. What is it, brother? Tell me. And though he was now embarrassed, the brother overcame shame and said: Forgive me, Father Francis; but I am dying of hunger. Then St. Francis immediately ordered the brothers to light a torch and go out and gather some herbs and vegetables and whatever else they could find for all of them to have a good, nourishing meal. He said this so that the poor brother would not have to be humiliated by eating alone. And so all the brothers set themselves eagerly to the task of preparing a meal and then they all sat down with the hungry brother and ate a midnight supper. Lesson: Distinguish between moderation and excess. We mature in God when we let him come and go as he wills and not try to force him to stay by exaggerated penance.

**Francis and Clare** Jon M. Sweeney, 2014-01-01 This joint biography illuminates the lives of Francis and Clare and their way of life. It shows how they were bound together by devotion to God as well as the violent objections of their families to religious life. It explores a variety of issues they faced, including the treatment of lepers in medieval society, corruption in the church, and attitudes toward the created world. You will learn how Clare's spirituality influenced that of other prominent women, how Francis lost control of his own movement, and why Francis's body was secretly buried after his death.

Pope Francis Marie Duhamel, 2016-10-18 From the moment he was elected into the papacy, Pope Francis has captured the attention of the world with his humility, charisma, and reformist spirit. This one-of-a-kind, illustrated biography of the first Jesuit pope offers more than 250 photographs and 50 removable documents from Francis's life. Written by Vatican Radio reporter Marie Duhamel, this intimate portrait includes his parents' emigration from Italy, his birth as Jorge Mario Bergoglio in 1936, his love of soccer and opera as a child, the pneumonia that nearly cost him his life as a young adult, his calling to the priesthood, and his first encounter with poverty as a missionary in Chile that would change his life. Duhamel chronicles Francis's rise from priest to bishop to cardinal to the

papacy and how, along the way, he impressed many people-and alienated some-with his courage to stand up to authority and his dedication to helping the poor. Enclosed documents such as his baptism certificate, photographs from his childhood, pages from a school notebook, handwritten notes as pope, and even a support card for his beloved San Lorenzo soccer club, further illuminate his life and create a lasting keepsake of this pope of the people.

**Rebirth as Doctrine and Experience** Francis Story,2000-12-01 Francis Story's interest in cases of rebirth memories finally led him to assist Dr. Ian Stevenson in tracing, investigating, and studying such cases in Sri Lanka, Thailand, and India. The present book contains Story's essays on the theme of rebirth as well as case studies that he undertook in collaboration with Professor Stevenson, the foremost American investigator of reported rebirth memories. These case studies, which make fascinating reading, lend strong evidential support to the hypothesis of rebirth and thus help to illuminate the ultimate questions concerning human destiny after death.

**Francis and Eddie** Brad Herzog,2013 In 1913 the world's finest golfers gathered at The Country Club in Brookline, Massachusetts, to compete in golf's national championship, the U.S. Open. Joining them was a little-known amateur, twenty-year-old Francis Ouimet, who lived across the street from the course and had taught himself to play by sneaking onto the fairways with the only golf club he owned. He competed against his idols in front of a crowd that grew from a handful of spectators to a horde of thousands as he and his four-foot-tall caddie, ten-year-old Eddie Lowery, attempted to pull off the impossible. Along the way, they forged a lifelong friendship--From publisher description.

*The Franciscan Story* Maurice Carmody, 2008 The Franciscan Story is varied and engrossing work which spans more than eight centuries. Beginning with St Francis, Maurice Carmody examines: . How the first Order grew rapidly after the time of St Francis (1182-1226), and how a simple brotherhood became an organised religious order which spread throughout Europe and beyond to implement papal policy in Church reform, missions, higher education and diplomacy. . How disagreements over whether Francis would have approved led to division and, from the sixteenth century onwards, how new orders formed - Conventual, Observant and Capuchin Franciscans as well as Riformati, Recollects and Alcantarines. . How women of the second Order, founded by Clare of Assisi (1194-1253) and her friend St Francis, have adapted and shared Franciscan ideals in a monastic setting since the thirteenth century. . How the third Order, which comprised laity and vowed religious men and women living in community, embraced the same values - a simple lifestyle, respect for creation and peaceful living - in ways that often profoundly influenced the society in which they lived. The Franciscan Story is an in-depth and deeply researched account of a religious movement that has influenced both Church and society in many countries since St Francis, il poverello, began it eight hundred years ago.

*Brother Sun, Sister Moon* Margaret Mayo, Peter Malone, 2000-08-03 St Francis, who talked to birds and animals, is the saint most loved by children, and the one with the best stories. surround him - how he saved the people of Gubbio by taming a fierce wolf, freed a trapped hare, quietened noisy swallows and was the first to celebrate the Nativity by making a crib scene in a church. Margaret Mayo's charming, simple narrative tells the whole of St Francis's life story, interspersed with the legends of medieval Italy that are reminiscent of the Old Masters, and is surely destined to be one of the great illustrators of our time.
