Storm's Affair Denise L. Handal, 2015-06-24 The thrust of creativity always inspires. I found poems like waters are vital resources. Water sustains life. The phenomenon of both poems and waters reveals its poetic justice with its blend of metaphors, rhythm and passion. A literary supplement develops, when setting poems with lyrics and music in song. Rooted from a creative collection of visual poetry, a classical grand opera springs. Storm's Affair grand opera carries you through an era and to places where people's moods, their feelings and emotions flourish. Those stepping stones, we venture along

the path of our lives. The force de destino has gifted me with the empowerment to write with confidence. Endowed with boundless poetry, Storm's Affair grand opera has its true essence in love.

A Pearl in the Storm Tori Murden McClure, 2009-04-07 "Unlike Hemingway's *The Old Man and the Sea*, Tori Murden McClure's true story of a woman and the sea and a boat named *American Pearl* is one of victory. . . . If you want to be inspired, read this book. You won't stop till you've finished." – Sena Jeter Naslund, author of *Ahab's Wife* In this thrilling memoir by the first woman to row solo across the Atlantic Ocean, Tori McClure finds that what she is looking for lies not in a superhuman show of strength, but rather in embracing what it means to be human. In the end, I know I rowed across the Atlantic to find my heart, but in the beginning, I wasn't aware that it was missing. In June 1998, Tori McClure began rowing across the Atlantic Ocean solo in a twenty-three-foot plywood boat with no motor or sail. Within days she lost all communication with shore but decided to forge ahead -- not knowing that 1998 would turn out to be the worst hurricane season on record in the North Atlantic. When she was nearly killed by a series of violent storms, Tori was forced to signal for help and head home in what felt like disgrace. But then her life changed in unexpected ways. She was hired by Muhammad Ali, who told her she did not want to be known as the woman who

almost rowed across the Atlantic. And at thirty-five, Tori fell in love. A Pearl in the Storm is Tori's enthralling story of high adventure—and of her personal quest to discover that embracing her own humanity was more important than superhuman feats.

Seize the Storm Michael Cadnum, 2012-06-05 Sailing from California to Hawaii, Susannah, her family, and a crewman are driven by a vicious storm into the path of a drifting powerboat. The ghostly boat carries the bodies of two drug runners and a huge stash of money. For the sailors, stealing the sordid treasure changes everything, causing dissent and division, compromising each of them, and putting their futures at risk. Because now they are being pursued by the worst enemies imaginable, including a drug lord's son eager to prove himself and a cold-blooded teenage hit man with murder on his mind.

Runaway Storm D. E. Knobbe, 2010 This first book in D. E. Knobbe's gripping Runaway series puts readers in the middle of a wilderness adventure that few could survive on their own. Nate stole the kayak . . . sort of. His parents don't know where he is, and that's just fine with him. He's made it to the chain of sparsely populated islands off the coast of Vancouver, his kayaking dream come true. So what could possibly go wrong? For starters, he hadn't counted on real runaways making him feel like a fraud or on the cops chasing

him into a wild and deadly storm. Nate hadn't planned to shipwreck on a deserted island either, or to have a run-in with a crazed drug smuggler, who drifted into the bay on a crippled Sailboat, ready to protect his stash with a loaded gun. Should Nate save himself or the Goth girl from Seattle who tried to rescue him? Between being chased by criminals, shot at, and almost drowned, their options aren't looking good.

Creating Their Own Image Lisa E. Farrington, 2005 *Creating Their Own Image* marks the first comprehensive history of African-American women artists, from slavery to the present day. Using an analysis of stereotypes of Africans and African-Americans in western art and culture as a springboard, Lisa E. Farrington here richly details hundreds of important works--many of which deliberately challenge these same identity myths, of the carnal Jezebel, the asexual Mammy, the imperious Matriarch--in crafting a portrait of artistic creativity unprecedented in its scope and ambition. In these lavishly illustrated pages, some of which feature images never before published, we learn of the efforts of Elizabeth Keckley, fashion designer to Mary Todd Lincoln; the acclaimed sculptor Edmonia Lewis, internationally renowned for her neoclassical works in marble; and the artist Nancy Elizabeth Prophet and her innovative teaching techniques. We meet Laura Wheeler Waring who portrayed women of color as members of a socially elite class in stark contrast to the prevalent images of compliant maids, impoverished malcontents, and exotics others that proliferated in the inter-war period. We read of the painter

Barbara Jones-Hogu's collaboration on the famed Wall of Respect, even as we view a rare photograph of Hugu in the process of painting the mural. Farrington expertly guides us through the fertile period of the Harlem Renaissance and the New Negro Movement, which produced an entirely new crop of artists who consciously imbued their work with a social and political agenda, and through the tumultuous, explosive years of the civil rights movement. Drawing on revealing interviews with numerous contemporary artists, such as Betye Saar, Faith Ringgold, Nanette Carter, Camille Billops, Xenobia Bailey, and many others, the second half of *Creating Their Own Image* probes more recent stylistic developments, such as abstraction, conceptualism, and post-modernism, never losing sight of the struggles and challenges that have consistently influenced this body of work. Weaving together an expansive collection of artists, styles, and periods, Farrington argues that for centuries African-American women artists have created an alternative vision of how women of color can, are, and might be represented in American culture. From utilitarian objects such as quilts and baskets to a wide array of fine arts, *Creating Their Own Images* serves up compelling evidence of the fundamental human need to convey one's life, one's emotions, one's experiences, on a canvas of one's own making.

Into the Storm Tristram Korten, 2018-04-24 "An intense, immersive deep dive into a wild, dangerous, and unknown world, written with the pace and appeal of a great thriller. This is nonfiction at its very best."—Lee Child The true

story of two doomed ships and a daring search-and-rescue operation that shines a light on the elite Coast Guard swimmers trained for the most dangerous ocean missions. In late September 2015, Hurricane Joaquin swept past the Bahamas and swallowed a pair of cargo vessels in its destructive path: El Faro, a 790-foot American behemoth with a crew of thirty-three, and the Minouche, a 230-foot freighter with a dozen sailors aboard. From the parallel stories of these ships and their final journeys, Tristram Korten weaves a remarkable tale of two veteran sea captains from very different worlds, the harrowing ordeals of their desperate crews, and the Coast Guard's extraordinary battle against a storm that defied prediction. When the Coast Guard received word from Captain Renelo Gelera that the Minouche was taking on water on the night of October 1, the servicemen on duty helicoptered through Joaquin to the sinking ship. Rescue swimmer Ben Cournia dropped into the sea—in the middle of a raging tropical cyclone, in the dark—and churned through the monstrous swells, loading survivors into a rescue basket dangling from the helicopter as its pilot struggled against the tempest. With pulsating narrative skill in the tradition of Sebastian Junger and Jon Krakauer, Korten recounts the heroic efforts by Cournia and his fellow guardsmen to haul the Minouche's crew to safety. Tragically, things would not go as well for Captain Michael Davidson and El Faro. Despite exhaustive searching by her would-be rescuers, the loss of the vessel became the largest U.S. maritime disaster in decades. As Korten narrates the ships' fates, with

insights drawn from insider access to crew members, Coast Guard teams, and their families, he delivers a moving and propulsive story of men in peril, the international brotherhood of mariners, and the breathtaking power of nature. Praise for Into the Storm “The story [Tristram] Korten tells is impressively multifaceted, exploring everything from timely issues such as climate change to timeless themes such as man’s struggle against the ocean’s fury.”—Miami New Times “Into the Storm is a triumph of reporting and you-are-there writing that becomes a deeper tale—with more implications about our own lives—with every chapter.”—Robert Kurson, New York Times bestselling author of Shadow Divers

The Cry of the Black Community Dr. Sharon Campbell-Phillips, 2023-01-07 This book is a fiction romance novel that tells a beautiful love story. This is the story of nine individuals, that stemmed from completely different backgrounds and careers but they all have one thing in common and that’s being victims of systematic racism and inequality in today’s society, they have each faced their battles on a daily basis to the point where each individual has had enough of the injustice meted out to them and they have passed their psychological baton to individuals that are higher than their current career portfolio, for years, in the end, these individuals have seen and experienced the injustice that is being brought upon them thus resulting in broken families, shattered communities and a chaotic society.
